EDWARD LEE WINSLOW,
April 5, 1834.—tdm Secretary.

The National Portrait Gallery of Distinguished Americans.

THIS WORK is now in a course of publication, and those parts already issued may be confidently appealed to as an evidence of its claims upon public favor. The universal applause which its execution has elicited, is sufficient to dispel whatever distrust may have been encountered by the original prospectus.

The design of this Work is, to present the Portraits, engraved on Steel, in the highest style of the art, with concise but accurate Biographical sketches, of the most Eminent Citizens of our country. The selection will not be limited by any considerations of party feeling or local interest; but will impartially embrace the Historians and Portraits of such individuals, throughout the whole Union, as, by common consent, are admitted to possess an interest in the minds of their fellow-citizens, by their reputation for genius, acquirements, official standing, or public services. For this purpose, recourse will invariably be had to the most authentic materials that can be obtained in personal history, as well as in portraiture.

The value of such a publication cannot fail to be appreciated by all who feel an interest in the preservation of the most essential ingredients in the history of their country. Taste and patriotism are equally invited to sustain an enterprise which aims to supply the future historian with those materials, the absence of which is so often regretted in recurring to the annals of our earlier times.

It is intended, in the course of publication, to give Portraits of all the Presidents, as well as others who have filled the important offices of State, during and subsequent to the Revolution, including the Military and Naval professions, and those whose attainments in Science and the Arts may have identified them with patriotic recollections.

In the arrangement of Portraits, both of the past and present times, the general line of public sentiment will be consulted in the selection, as before intimated, without reference to the bias or antipathies of the divisions of party.

The Work will be conducted by JAMES B. LONG, ACRE of the City of Philadelphia, and JAMES HERRING of the City of New York, under the superintendency of the Board of Directors of the American Academy of Fine Arts.

It will be issued in monthly parts, each containing three Portraits engraved on steel, with not less than twenty-four pages of History. Twelve Numbers, or Parts, will make One Volume. All subscriptions will be payable in advance, and will be put at the following moderate rates for the respective editions published: In Royal Quarto, at \$10 per annum—in Imperial Octavo, at \$6 per annum—in Royal Octavo, at \$5.

An Agency for the above Work has been established in Salisbury, at the Office of THE WESTERN CAROLINIAN, where Specimens of the Work can be seen, and where subscriptions will be thankfully received.

Ten Parts have already issued from the Press, six of which are to be seen at this Office, containing Portraits and Biographical Sketches of the following distinguished personages:

Part I. Charles Carroll of Carrollton; Thomas McDonough, U.S.N.; Samuel L. Mitchell, M.D. L.L.D.

Part II. Major-Gen. Israel Putnam, U.S.A.; Andrew Jackson, President of the United States; Miss C. M. Sedgwick, the Authoress.

Part V. Major-Gen. Alexander Macomb, U.S.A.; Joel B. Poinsett; Joel Barlow.

Part VI. Major-Gen. Anthony Wayne, U.S.A.; Edward Livingston; Col. John Trumbull, P.A.A.F.A.

It will be his object to keep constantly on hand a good assortment of such BOOKS and STATIONERY articles as are in demand in this section of our State.

Opening of the Episcopal School DEFERRED.

IN consequence of the unusual inclemency of the past winter, the progress of the Building designed to serve as a Dormitory for the pupils in this Institution, has been retarded much beyond the expectations of the Executive Committee, under whose directions it was commenced in December last. And as the material of this structure is slow and greatly dependent on the weather, there is now no hope of its completion by the time heretofore specified for commencing the School.

This circumstance, together with the difficulty likely to be experienced in procuring in time from the North certain articles of furniture indispensable to the establishment, and the recently expressed opinion of the Rector, that, without the accommodations to be afforded by the new building, he would be unable to carry into successful operation the system adopted, has constrained the committee, however reluctantly, to postpone for a few weeks, the time for opening the School.

The Public, therefore, are respectfully informed that the EPISCOPAL SCHOOL WILL BE OPENED, (not on the first of April as before advertised, but) on Monday, the 2nd day of June next; at which time it may be confidently relied on that every thing will be in readiness.

By order of the Executive Committee,
