BECKWITH'S Anti-Dyspeptic Pills.

PHOSE who are afflicted with HEAD-ACHES, ■ HEART-BURNS, and other distressing symptoms of disordered stomach, bowels, and liver, may find relief in Dr. Beckwith's Anti-Dyspeptic Pills, which can be had at this Office-price fifty

The Doctor, who once resided in this place, but now lives in Raleigh, has, after a long and extensive practice, been enabled to compound a most valuable remedy for the chronic diseases of the digestive organs, so common in Southern climates, especially with those who lead sedentary lives.

It would be an easy matter to make out certificates to prove that these Pills are a "sovereign remedy" for "all the ills that flesh is heir to;" but it is not pretended that they are an universal antidote. Certificates of the most respectable Physicians and other gentlemen can be shown to substantiate their efficacy in the particular class of diseases above spoken of: and the Editor of this paper can testify that $h\epsilon$ has derived speedy and permanent relief, in the use of them, from a most distressing and long-continued head-ache. Some of his friends tried them, at his suggestion, and experienced the same beneficial effects. Salisbury, June 14, 1834.—tf
