-Lake a glaring light Placed in a window of a summer's night,-

Alluring all the insects of the air To come and singe their pretty winglets there; Those who are out butt heads against the pane, Those who are in butt to get out again,

How to keep awake .- The most of us are in the habit of going to Church, occasionally, and sometimes at this warm season of the year, some are Is furnished with the choicest foreign and domesmuch afflicted with drowsiness during service .- tic Liquors. His Rooms are large and commodi-We have heard a remedy prescribed, which is ve- ous. His Beds and bedding are at all times parry simple, and may possibly answer the purpose of ticularly neat, clean, and comfortable, and warenabling individuals who are thus Morpheus-ridden | ranted secure against those annoyances that a trato keep awake. If it should be found to produce reller so much detests. His Servants are honest, the effect intended, it must be regarded as a very faithful, and obliging. His Stables are inferior to valuable discovery, and one entitled to a conspicu- none-always well supplied with old Grain, and ous place in the public journals. But for the pre- attended to by faithful Ostlers. He invites the scription; well then, when you find youself about to travelling community to call once for his sake, and fall into the arms of Morpheus, raise your left foot he doubts not but that they will call again for their two inches from the floor, and hold it still, until own sakes. you become perfectly wakeful. This can be done without disturbing any body else. Try it.

Troy (Ohio) Times. A new boat .- The Yankees have adopted India Rubber cloth to the construction of boats. They make two bags air tight, shaping them like the and known as the Merchant's Line, arrive at and to go upon the water, they blow the bags full, lay Wednesday, Thursday, and twice on Saturday. to let the wind out of the bags, there would be a in all other Stages, arriving at or departing from terrible blow up .- U. S. Gazette.

Calumny Refuted .- The editor of an Eastern paper, "The Milburne Sentinel," in reply to the charge of being a lawyer, says that he has been a cobler, a tanner, a seller of ribbands, calicoes, tea, rum, and tobacco-a pedagogue, and though last, not least, an editor, but never a lawyer.

An Irishman travelling a street that was paved, a dog accested him with a threatening growl. The traveller occupied by E. P. Mitchell, opposite the Salisbury attempted to pull up one of the paving stones to throw Hotel, where they are prepared to Manufacture, countbry is this-stones are tied and dogs let loose."
