## Beckwith's Anti-Dyspeptic PILLS.

WE extract, from the Hand-bills accompanying each Box, the following testimonials to the efficacy of this valuable Medicine:

From the Rt. Rev. Levi S. Ives, D. D., Bishop of North Carolina.  
RALEIGH, March 2, 1835.

Having, for the last three years, been intimately acquainted with Dr. John Beckwith, of this City, and enjoyed his professional services, I take pleasure in stating that his character as a Christian gentleman and experienced Physician, entitles his testimony, in regard to the use of his Anti-Dyspeptic Pills, to the entire confidence of the public. My experience of the good effects of these Pills, for two years past, satisfies me of their eminent value, particularly in aiding in impaired digestion and warding off bilious attacks. Having been for a long time subject to the annual recurrence of such attacks, I was in the habit of resorting for security against them, and with a very partial success, to a liberal use of Calomel or blue Pill. But since my acquaintance with the Anti-dyspeptic Pill of Dr. Beckwith, which he prescribed in the first instance himself, I have not been under the necessity of using Mercury in any form, besides, being wholly exempt from bilious attacks. Several members of my family are experiencing the same beneficial effects.  
L. S. IVES.

From Governor Iredell.

August 21, 1835.

Dr. Beckwith's Anti-Dyspeptic Pills have been used in my family, which is a large one, with the most beneficial effects. A number of my friends who have been afflicted with the Dyspepsia, and other disorders of the stomach, have spoken to me in strong terms of the relief they experienced from this remedy. Without the evidence I have received from others, my intimate knowledge of the professional and private character of Dr. Beckwith, for the last twenty years, justifies me in declaring, that he would give no assurances of facts of his own experience, or of professional deductions, of which he was not perfectly confident, and on which the public might not safely rely.  
JAMES IREDELL.

From the Hon. George E. Badger.

Raleigh, Nov. 7, 1834.

For several years past, Dr. Beckwith's Anti-Dyspeptic Pills have been used as a domestic medicine in my family. I have myself frequently used them for the relief of head-ache, acid and otherwise disordered stomach, resulting from imprudence or excess in diet, and I have had many opportunities of learning from others their effects, when used by them for like purposes. My experience and observation justify me in saying that the relief afforded by the Pills is generally speedy, and almost always certain—that they may be taken at any time without danger or inconvenience, and their operation is attended by no nausea or disagreeable effects whatever—and though I have known many persons use them, I have known none who did not approve them—none who sustained any injury, and none who failed to derive benefit from their use. And upon the whole, I do not hesitate to recommend them as an agreeable, safe, and efficacious remedy in Dyspeptic affections, and believe them myself to be the best Anti-dyspeptic medicine ever offered to the public.  
G. E. BADGER.

## Salisbury Hotel, BY—THOMAS A. HAGUE, Salisbury, N. C.

THE Subscriber informs the Public, that he has purchased the above mentioned establishment of William H. His Table  
Will be well supplied with the best that a plentiful market can afford.

Is furnished with the choicest foreign and domestic Liquors. His Rooms are large and commodious. He invites the travelling community to call once for his sake, and he doubts not but that they will call again for their own sakes.

## To Stage Passengers:

The Stages on the main Northern and Southern Line, conducted by Peck and Wellford, and known as the Merchant's Line, arrive at and depart from this Hotel on every Monday, Tuesday, Wednesday, Thursday, and twice on Saturday.

This is to correct an impression which has been produced abroad, that another Hotel in this village is the Stage-house for this Line.—Seats in all other Stages, arriving at or departing from this place, can be secured here.

He flatters himself that his CUTTING is really superior to any done in this State, as may be tested by the undoubted elegance of fit which attends garments made in his establishment. He is in the regular receipt of the Reports of the Fashions as they change both in the large cities of this country and of Europe—so that gentlemen may be satisfied that their orders will always be executed in the very latest style.

Orders from a distance will be attended to with the same punctuality and care as if the customer were present in person.
