**THE GENTLEMAN'S VADE MECUM.**  
ON THE SPORTS AND DRAMATIC COMPANIES. Embellished with a multitude of Engravings, including Portraits of celebrated winning Horses, Philosophical and Natural phenomena, &c. &c.

It is now six months since this publication was commenced in Philadelphia—and although the publishers have used an extraordinary means to circulate a knowledge of its merits, yet such is the satisfaction manifested by that portion of the public who have been made acquainted with its character and contents, that its list of patrons continues constantly and rapidly to increase. This paper is now distributed regularly every week over a wide portion of the Union, and the most satisfactory assurances are received that it will eventually become one of the most popular among the numerous excellent periodicals which issue from the American press. No exertions will be spared to establish its permanent reputation more extensively; and if the liberal sanction of those for whom it is especially designed shall warrant its future improvement—both as regards typographical neatness and embellishment—it will be materially advanced.

The different Prices and Fares that will appear in the course of a year, of themselves, will be worth more than four times the amount of subscription. The following is a list of those which have already appeared:

**CATAWBA SPRINGS FOR SALE.**

The Subscriber, having determined to remove to the south-west, offers for sale the above property, with or without the Furniture. The Plantation contains about 700 Acres of Land; between 95 and 100 acres are low-grounds, cleared, ditched, and in good order otherwise; and is either good for Grain or Grass—there being about 12 Acres of the latter, (viz: meadow land).  
About 200 Acres of the high-lands are cleared and in fine order for cultivation. In all I think it good for 3,000 bushels of Corn, with a proportionable quantity of small grain.  
The Houses want no repair, and are sufficient for entertaining 60 or 70 boarders, with fine Stabery, Carriage-house, and Threshing Machine. No building of any description is requisite for the place at present.  
The property is now positively offered at a price so low that it will pay for itself in three years, by attention to the Farm and House. Persons wishing to buy had better lose no time, as it shall be sold, and the price at which it is offered will force it immediately. Letters to my address, at this Office, will meet prompt attention.  
NEGROES, for my own use, will be taken at fair prices.  
Application may be made, for prices and payments, to the following Agents, viz:—Maj. H. W. Conner, of Salisbury; James A. Johnston, Esq., Charlotte; C. C. Henderson, Esq., Lincolnton, and A. M. Burton, Esq., of Beattie's Ford, who have the terms and will make sales.
