There is also a Line of Stages from Raleigh to Norfolk, via Tarborough, Murfreesborough, Winton, &c., over one of the best Natural Roads in the United States. At Norfolk there will be no detention, as there is a Line of Steam-Boats to Baltimore in connexion with this Line. This Line also connects with one from Raleigh to Newbern. Lincolnton Male Academy.

THE Subscriber respectfully announces to Parents and the friends of youth generally, that he has made arrangements to take charge of this Institution, and that the exercises will commence on the first Monday in January next. Being wholly unconnected with any other pursuits, he promises to devote his attention exclusively to the business of teaching, and will spare no pains to interest the minds of those placed under his care, so as to render instruction at once delightful and profitable. Great care will be taken to prevent the formation of idle and dissolute habits, and a punctual attendance to the duties of the Institution will be rigidly required.

As the opinion to some extent prevails, that too much time is spent in acquiring a knowledge of words, the Subscriber would observe that in his course of instruction on classical literature, a minute analysis of words will be taught, with their combination in the construction of sentences, and every thing pertaining to a thorough acquaintance with those beautiful and important Languages of Antiquity.

The following will compose the course of studies, viz:

Gould's Latin Grammar, Latin Reader, Virgil, Cicero, Sallust, Horace, (Gould's Editio Expurgata.) Goodrich's Greek Grammar, Greek Reader, Greek Testament, Xenophon, Greca Majora, Day's Algebra.

It is hoped that the well known salubrity of Lincolnton, the industrious and moral character of the citizens, together with the cheapness and excellence of board, will insure to this Institution, a liberal share of public patronage.

TERMS OF TUITION:

Beckwith's Anti-Dyspeptic PILLS.

WE extract, from the Hand-bills accompanying each Box, the following testimonials to the efficacy of this valuable Medicine:

From the Rt. Rev. Levi S. Ives, D. D., Bishop of North Carolina.

RALEIGH, March 2, 1835.

Having, for the last three years, been intimately acquainted with Dr. John Beckwith, of this City, and enjoyed his professional services, I take pleasure in stating that his character as a Christian gentleman and experienced Physician, entitles his testimony, in regard to the use of his Anti-dyspeptic Pills, to the entire confidence of the public.—My experience of the good effects of these Pills, for two years past, satisfies me of their eminent value, particularly in aiding in impaired digestion and warding off bilious attacks. Having been for a long time subject to the annual recurrence of such attacks, I was in the habit of resorting for security against them, and with a very partial success, to a liberal use of Calomel or blue Pill. But since my acquaintance with the Anti-dyspeptic Pill of Dr. Beckwith, which he prescribed in the first instance himself, I have not been under the necessity of using Mercury in any form, besides, being wholly exempt from bilious attacks. Several members of my family are experiencing the same beneficial effects. L. S. IVES.

From Governor Iredell.

AUGUST 21, 1835.

Dr. Beckwith's Anti-Dyspeptic Pills have been used in my family, which is a large one, with the most beneficial effects. A number of my friends who have been afflicted with the Dyspepsia, and other disorders of the stomach, have spoken to me in strong terms of the relief they experienced from this remedy. Without the evidence I have received from others, my intimate knowledge of the professional and private character of Dr. Beckwith, for the last twenty years, justifies me in declaring, that he would give no assurances of facts of his own experience, or of professional deductions, of which he was not perfectly confident, and on which the public might not safely rely.

JAMES IREDELL.

From the Hon. George E. Badger.

RALEIGH, Nov. 7, 1834.

For several years past, Dr. Beckwith's Anti-Dyspeptic Pills have been used as a domestic medicine in my family. I have myself frequently used them for the relief of head-ache, acid and otherwise disordered stomach, resulting from imprudence or excess in diet, and I have had many opportunities of learning from others their effects, when used by them for like purposes. My experience and observation justify me in saying that the relief afforded by the Pills is generally speedy, and almost always certain—that they may be taken at any time without danger or inconvenience, and their operation is attended by no nausea or disagreeable effects whatever—and though I have known many persons use them, I have known none who did not approve them—none who sustained any injury, and none who failed to derive benefit from their use. And upon the whole, I do not hesitate to recommend them as an agreeable, safe, and efficacious remedy in Dyspeptic affections, and believe them myself to be the best Anti-dyspeptic medicine ever offered to the public.

G. E. BADGER.
