

Poetic Reces

"MUCH YET REMAINS UNSUNG." Selected for the Carolinian. FROM A LADY'S ALBUM. FRIENDSHIP. There is a tie—time can't destroy—

"Variety's the Spice of Life."

HOROSCOPES. Or the Glass in which all may see themselves reflected. We extract the following list of "Horoscopes" in each month in the year, from an old paper; it is, to say the least, a very amusing production:

January: He who is born in this month will be laborious, and a lover of good wine, but very subject to indolence; he will be very complacent withal, and a very fine singer. The lady born in this month will be a pretty, prudent housewife, rather melancholy, yet good tempered.

February: The man born in this month will love money much, but the ladies more; he will be stingy at home, but a prodigal abroad. The lady will be a humane and affectionate wife, and a tender mother.

March: The man born in this month will be rather handsome; he will be honest and prudent, and will die poor. The lady will be a jealous, passionate chatterbox.

April: The man who has the misfortune to be born in this month will be subjected to maladies; he will travel to his advantage, and will love ladies to his disadvantage, for he will marry a rich and handsome heiress, who will make—what no doubt you all understand. The lady of this month will be tall and stout, with agreeable wit, and great talk.

May: The man born in this month will be handsome and amiable; he will make his wife happy. The lady will be equally blessed in every respect.

Whom stoppeth his ears at the cry of the poor, he also shall cry himself, but shall not be heard.

MY HORSE, UWHARIE. By the Celebrated race horse Washington, dam Betsy Ruffin, by Virginia, will stand in LEXINGTON ON the ensuing Spring. He will be let to Mares at the reduced price of \$15 the season.

Uwharie cannot only boast of a pure pedigree, but that he is nearly allied to the most distinguished horses that have for the last twenty years figured on the turf. The request in which his stock is held, and the high prices they are commanding, will claim the attention of the judicious breeder.

Of Betsy Ruffin's produce (Uwharie's dam) I sold last May a Tonson Filley, 1 year old, for \$500,—last August a Tonson Colt, 2 years old, (unbroken and out of pasture) for \$1,000—and in November last I sold a 3 year old Colt by Tonson's Medley, for \$1,500. Others, however, from the same stock, have been more fortunate: in a letter to me of the 14th instant, from a most respectable source, it is stated that the Hon. B. Peyton, of Tennessee, lately sold the filly Liliach, 3 years old, out of the sister on the dam's side, of Betsy Ruffin and by the imp. Leviathan, for \$3,000 U. S. Money. I will also state that Polly Hopkins and Betsy Ransom of the same stock have been purchased since they have gone into the breeding stud, the former at \$2,750, the latter also at a high and round figure, and sent to England to breed from Priam, the best horse in England.

As there are but few thorough bred mares in this region, Uwharie is put down to a Farmer's price, to promote the prevalence of stock. Of his extended pedigree and his performances more hereafter. My Durham short horned Bull calf MAJOR, will be let to a few Cows this Spring at \$3. He was bred by Gov. Shelby, of Kentucky, and got by a full bred Durham Bull out of a Cow of the Patton importation. W. R. HOLT. Lexington, N. C., Jan. 30, 1836.—p4

CIRCULAR.

The Board of Trade of the City of New York, respectfully address the following Circular to the Merchants of the United States, who trade with this city: You are aware that on the night of the 16th of December last, an unprecedented Conflagration destroyed an important portion of our city between Wall and Broad streets, embracing the Stores of many wealthy and enterprising Merchants. Lest an apprehension should prevail that this loss may render our merchants unable to furnish the usual amount and variety of merchandise heretofore exhibited in this market, the Board of Trade have much satisfaction in giving the assurance that the Merchants whose stores were destroyed, have removed to others, and are prepared from importations to continue their business with their usual assortments. The Board of Trade therefore deem it proper to give this public assurance that none need postpone their usual time of visiting the city, confident that they will find the market as well supplied as usual, and their correspondents equally able to supply their demands. By order of the Board, HUGH AUCHINCLOSS, President JOHN ELY, Reporting Secretary. New York, Jan. 16, 1836.
