Aladdin is six years old this Spring, and is a most beautiful blood-bay, with black legs, mane and tail, five feet two and a half inches high, and as regards form and appearance, is surpassed by very few.
The pedigree of Aladdin, is from Mr. George Wilson, of Virginia, who raised Aladdin, and is the son in law of the late William Brodnax, of Brunswick, Virginia, from whose Stock, Aladdin descended; which has always been celebrated for purity of blood, and capability of performance.
PEDIGREE.—Aladdin was sired by the thorough-bred horse Mural—for whose pedigree see Turf Register—his dam by Arab—Director—imported Knowsley—Saltzman—Celer—Sterling—Old Silver imported by William Evans got by the Belleize Arabian.
It may be seen from the above that Aladdin's blood is equal to any horse raised in America.

MONTAGUE'S BALM;—
AN INDIAN CURE FOR TOOTH-ACHE.

THE established reputation and constantly increasing demand for this effectual remedy of pain and preservative of the Teeth, has induced the subscriber to offer it to the American Public. Arrangements have been made to supply agents in all the principal cities and towns of the U. States, so as to place it within the reach of those suffering, and likely to suffer, with the most harassing of all aches, (tooth-ache.) When applied according to directions given on the bottle, it has never failed to afford immediate and permanent relief.—It also arrests the decay of defective teeth and relieves that soreness which so frequently renders a strong tooth useless.
The application and remedy are simple, innocent, and not unpleasant; and the large number of persons, in various sections of the country, that have already experienced such delightful and salutary benefits from the use of the Balm, are ready to bear (for the public good) their testimony to its unrivalled qualities.
It is an Indian remedy, obtained singularly and unexpectedly, and may be regarded by the civilized world as the most valuable discovery of the Red Man of the Woods.

H. B. MONTAGUE,
Petersburg, Virginia, Feb. 20, 1836.—1s

THE THOROUGH-BRED AND CELEBRATED HORSE,
RIOTT,
HAS commenced the Spring Season, and will stand three days in each week at the stable of William Harbin, Esq., in the town of Statesville, N. C., and the balance of his time at the Store of William F. Cowan, Esq., ten miles from Statesville in Irredell county. THE PROPRIETORS.
PEDIGREE.
Riott was sired by the famous old horse Sir Archibald, whose reputation as a race and breeder, has never been equalled by any horse in the United States, except his sire imported from the United States, and his dam the property of William R. Johnson and David Branch of Virginia, was gotten by Sir Francis Basset, g. dam by the imported horse Bedford, g. g. dam by Pedigree half sister to July Friar; g. g. granddam by the imported horse July Janus; g. g. granddam by the imported horse Roger; and it was gotten by Potomac; his dam by imported Potomac; granddam by the imported horse Mousetrapp, out of a Selim, from Potomac of July Roger, sired out of Mary Gray.
RIOTT was bred by the Hon. Andrew H. Gwyn, late of Northampton county, N. C., who gave the above Pedigree, as the certificate of the Wood J. Hamlin of Halifax and said Gwyn will show.
Riott is a beautiful bay, now rising eight years old, black mane and tail, and measures sixteen hands high.
Bred at Ford, March 20, 1837. 43 6w.

WILL make his last season in this County, at my stable in Lexington, N. C., ending on the 1st of July. The purity of his blood, his size, length, substance and power—his fine energetic action, I think will cross excellently well with our common mares. He will be six years old this Spring.
In order to accommodate all the Farmers who are desirous to breed fine horses, and at a rate within the means of all breeders, I am induced to put down the price of the season of Uwharie, lower than that of any horse in the Union of equal blood and character. He will make his present at TEN DOLLARS. In addition to the Yearling Filly and two Colts that I sold in 1834 at \$8,000, (out of Uwharie's dam) I refused last fall for a Yearling Filly out of his dam, and by imp. Luzborough, \$800, and for the old mare \$1,000. For further particulars see handbills.
