

[From our Fayetteville Correspondence.]

FAYETTEVILLE, Nov. 17, 1838.

The present week has been one during which our markets have presented quite a bustle of business, being loaded to a considerable extent every day with country produce. Produce has come in very freely, and we may say, abundantly, and consequently a depression in the price. We quote for inspected flour @ 75 to 78 as the highest prices to be obtained at present. Corn 10 a 11 1/2, but buyers do not manifest much anxiety to take it at those prices; Corn comes in but sparingly and sells from waggons at 85 a 90—store price @ 1; Sales wheat during the @ 1 25 a 1 30; Flax @ 20 a 1 25, and is taken readily at those prices; principal sale of Cotton which we notice was a lot of sales of good old crop, yesterday at @ 00 a 20. All other kinds of country produce bring our quotations readily.

Arrivals during the week, but the Steamer Henry, Cotton Plant, and several Lighters have departed Wilmington with Cotton, Flour, Feathers, Bees, &c. &c., since our last. Our Superior Court Judge Nash presiding, has been in session during the week—several State cases, among which were the murder, both of which were acquitted. One burglary, convicted,—one for Rape, convicted, but appeal arrested by appeal to the Supreme Court, Judge Nash after some hesitation granted. The latter were colored persons.

There is a variation in exchange, but a still better feeling exists with regard to South Carolina money—would be surprised if it is taken by our Banks shortly.

#### PUBLIC MEETING IN DAVIDSON.

At a meeting of the Citizens of Davidson County, at the Court-house in Lexington, Tuesday the 13th of November, 1838, to take into consideration the propriety of appointing delegates to attend at an Internal Improvement Convention to be held in the City of Raleigh, on the 2d Monday of December next.

On motion of Dr. Wm. R. Holt, Col. John Calloway was appointed Chairman, and Charles Mock, Secretary.

The object of the meeting was then stated by Dr. Holt in an address of some length, urging the propriety of appointing delegates to attend said Convention;—whereupon, the following gentlemen were nominated and unanimously appointed, namely: John W. Thomas, Roswell A. King, Benston C. Douthett, Franklin G. Hargrave, Meshack Pinckston, John P. Mabry, Henry Walser, Col. John Calloway, John Ward Esq., Joseph Spurgin Esq., and William Harris.

The meeting was then addressed by Roswell A. King, suggesting the propriety of the County of Davidson petitioning the Legislature to engage in a liberal system of Internal Improvement, by borrowing a sum sufficient to enable the state to construct a rail Road from the East to the mountains: Mr. King said, that it was only by adopting a liberal scheme of improvement by the state that we can elevate ourselves to that stand among our sister states which our natural advantages, if improved, eminently entitle us to; that by this liberal system, New York, from what North Carolina now is, has elevated herself to her present state of wealth and power. He lamented the apparent apathy of the people to this all important subject, but hoped their enterprise and patriotism would be aroused to second the efforts; that it is hoped will be made by the Legislature to establish what is indispensable to our prosperity, namely an operative system of Internal Improvement.

The meeting was addressed by Messrs. Henry Walser and John W. Thomas on the subject of the Internal Improvement of the State;—and on motion of M. Pinckston, Esq.

Resolved, That the proceedings of this meeting, signed by the Chairman and Secretary, be published in the Western Carolinian and Carolina Watchman, and on motion of Mr. Henry Walser, the meeting adjourned.
