

Salisbury Female Academy

The Trustees of the Salisbury Female Academy inform the public, that this Institution will be opened on Monday, the 14th of October next. It is their intention to place this Seminary on a permanent and respectable basis; and no care will be wanting on their part, to render it, in every respect, worthy of the confidence of the friends of education, morality and religion, who seek for their daughters a place where intellectual and moral culture combined, will prepare them to occupy with usefulness and dignity, the sphere to which they may be called.

They are now making all suitable efforts to secure for Teachers, a Gentleman and Lady of high qualifications. Meanwhile, they have engaged Miss Emma J. Baxter, a young Lady, in whose literary qualifications and capacity for such a situation, they have perfect confidence; and who has hitherto taught music in this, and other Seminaries, with entire satisfaction. As soon as the other Teachers are obtained, Miss Baxter will again devote herself exclusively to the musical department.

Who wants better Evidence?

I WOULD refer the reading public to the numerous voluntary letters published recently in this paper and in the Good Samaritan, relative to the happy and beneficial effects of the administration of **MOFFAT'S LIFE PILLS AND PHENIX BITTERS**. Those who have perused the letters above referred to will observe that in almost every case they attest the fact, that no inconvenience of any sort attends the taking of these medicines, in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than was experienced previous to being afflicted with disease; and in all cases of acute suffering, great relief is obtained in a few hours, and a cure is generally effected in two or three days.

In cases of **FEVER** of every description, and all bilious affections, it is unnecessary for me to say, as I believe the **LIFE MEDICINES** are now universally admitted to be the most speedy and efficient cure in all diseases of that class.
The **LIFE MEDICINES** are also a most excellent relief in affections of the Liver and Bowels, as has been proved in hundreds of cases where patients have come forward and requested that their experience in taking them might be published for the benefit of others. In their operation in such cases, they restore the tone of the Stomach, strengthen the digestive organs, and invigorate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to each) an invaluable means of preventing disease and restoring health.

In affections of the head, whether accompanied with pain and giddiness, or marked by the nervous calidity of impaired mental energy; in palpitations of the heart, flatulence, loss of appetite and strength, and the multiplied symptoms of disordered digestion, THE **LIFE MEDICINES** will be found to possess the most salutary efficacy.

Constitutions relaxed, weak, or decayed, in men or women, are under the immediate influence of THE **LIFE MEDICINES**. Old coughs, asthma, and consumptive habits are soon relieved and speedily cured. Poverty of blood, and excruciating limbs will ere long meet the happiest change; the chill watery fluid will become rich and balsamic, and the limbs be covered with flesh, firm and healthy.

Nervous disorders of every kind, and from whatever cause arising, fly before the effects of THE **LIFE MEDICINES**, and all that train of sinking, anæmia, and tremors which so dreadfully affect the weak, the sedentary, and the delicate, will in a short time be succeeded by cheerfulness, and every promise of health.

For weakness, deficiency of natural strength, and relaxation of the vessels, by too frequent indulgence of the passions, this medicine is a safe, certain, and invaluable remedy.

Those who have long resided in hot climates, and are languid and relaxed in their whole system, may take THE **LIFE MEDICINES** with the happiest effects; and persons removing to the Southern States or West Indies cannot store a more important article of health and life.

The following cases are among the most remarkable cures effected, and gratefully acknowledged by the persons benefited:

Case of Jacob C. Hunt, New Windsor, Orange County, N. Y. A dreadful tumor destroyed nearly the whole of his face, nose and jaw. Experienced great relief from the use of the **LIFE MEDICINES**, and in less than three months was entirely cured. (Case reported with a wood engraving in a new pamphlet now in press.)

Case of Thos. Parcell, sen'r, 84 years of age—was afflicted 19 years with aged age in his legs—was entirely cured by taking 42 pills in 3 weeks.

Case of John Daulton, Aberdeen, Ohio—rheumatic five years—entirely cured—has used the **LIFE MEDICINES** for Worms in children and found them a sovereign remedy.

Case of Lewis Austin—periodical sick headaches—was relieved by a small dose—now entirely free from it.

Case of Adon Ames—cured of a most inveterate and obstinate dyspepsia, and general debility.

Case of Adah Adams, Windsor, Ohio—neurasthenic, gravel, liver affections, and general nervous debility, had been confined seven years—was raised from her bed by taking one box of pills and a bottle of bitters—a most extraordinary cure—she is now a very healthy and robust woman—attested by her husband, Shadrach Adams.

Case of Mrs. Badger, wife of Joseph Badger—entirely similar to above—result the same.

Case of Susan Grantman, a young unmarried woman—subject to ill health several years—a small course of the **LIFE MEDICINES** entirely restored her—she is hale and healthy.

Case of Miss Thomas, daughter of Eli Thomas—cough and symptoms of consumption—cured in five weeks. Her sister cured of a severe attack of inflammatory rheumatism in one week.

Case of S. Colvin—cured of a severe attack of scarlet fever in a few days by the **LIFE MEDICINES**.

Case of Harriet T. Goodson, Salisbury, N. Y.—was in a very low state of health a year and a half—did not expect to recover. Miss T. is now able to walk about and is rapidly recovering both health and strength.

Case of Benjamin J. Tucker—severe case of Fever and Ague—cured in a very short space of time. His rectrices followed strictly.

Case of Amos Davis—affection of the liver—after trying doctors' remedies in vain for a long time, was cured by the **LIFE MEDICINES** without trouble.

Extraordinary case of Lyman Pratt, who was afflicted with Phthisis 20 years—effected a perfect cure in 24 hours by the use of the **LIFE MEDICINES**.

Tuonsipis of persons afflicted in like manner, but by a judicious use of **MOFFAT'S LIFE PILLS AND PHENIX BITTERS**, been restored to the enjoyment of all the comforts of life. The Bitters are equal to the taste and smell, greatly astrings the fibres of the stomach, and give that proper tenacity which a good digestion requires. As nothing can be better adapted to help and nourish the constitution, so there is nothing more generally acknowledged to be peculiarly efficacious in all inward wastings, loss of appetite, indigestion, depression of spirits, trembling or shaking of the hands and limbs, obstinate coughs, shortness of breath, or consumptive habits.

The **LIFE MEDICINES** possess wonderful efficacy in nervous disorders, fits, headaches, weakness, lassitude and lowness of spirits, dimness of sight, confused thoughts, wandering of the mind, vapors and melancholy, and all kinds of hysterical complaints are gradually removed by their use. In sickness of the stomach, flatulencies or obstructions, they are safe and powerful, and a safeguard of the blood, they have not their equal in the world.

For additional particulars of the above medicines, see Moffat's "Good Samaritan," a copy of which accompanies the medicine; a copy can always be obtained of the different Agents who have the medicine for sale. French, German, and Spanish directions can be obtained on application at the office, 315 Broadway.

All post paid letters will receive immediate attention. Prepared and sold by **WILLIAM R. MOFFAT**, 315 Broadway, New York. A liberal deduction made to those who purchase to sell again.

Agents—The **LIFE MEDICINES** may also be had of any of the principal Druggists in every town throughout the United States and the Canada. Ask for **Moffat's Life Pills and Phenix Bitters**; and be sure that a facsimile of John Moffat's signature is upon the label of each bottle of Bitters or box of Pills.

The above Medicines may be had of Cress & Boger, of this town, Agents for the Proprietors.
