lina, will make his second season at Salisbury,

\$40 to insure, the money to be paid in two instal-

tended to, and fed with grain at 30 cents per day.

Salisbury, N. C., March 13, 1840. 28-1

PEDIGREE:

I Certify that LATH was bred by me, and
that he was foaled in the Spring of 1833. He was
got by Godolphin, his dam Parthenos, by Sir
Archie, his granddam Lady, by Sir
Archie, out of Col. Singleton's celebrated Lottery,
by imported Bedford out of the imported mare An-
nuletta. Godolphin was got by Eclipse; his dam
Sally, by importation out of Lottery by imported
Bedford, &c. Parthenos was got by the import-
ed Buzzard out of the dam of Sir Archie.

DESCRIPTION, PERFORMANCE, &c.
LATH is a fine bay, without white, 15 hands 3
inches high, with good bone and capital action. At
three years old, he won the produce stake at Col-
umbia, two mile heats, beating Mr. Taylor's filly,
Daisy, and Captain Spauld's colt, Convention, nine
others paying forfeit. Two weeks afterwards he
won the jockey club purse, three mile heats, at
Augusta, beating Kite and distancing Black Bird.
At Charleston, he was beaten by Clodhopper for
the jockey club purse, three mile heats; being very
much unwell, he was drawn after the first heat.
At 4 years old, he won the jockey club purse, four
mile heats, at Camden, beating Sir Kenneth and
Horabella at three heats; losing the first in conse-
quence of falling when several lengths in advance
of the field, just before he reached the Judge's
stand; and getting entangled amongst the carriage
gear, he sustained an injury which occasioned his
withdrawal from the start.

LATH was a race horse of the first class, which
he evinced in his trials with Bay Maria, Charlotte
Russell, and Kitty (both) and in point of blood he is
inferior to none, whether imported or native. His
constitution is robust, he having never been sick,
and his temper good. His color, form, and action
are all excellent. In a word, LATH unites in
himself as many qualities to public patronage as any
young Stallion that I know.

MADE HAMPTON.

Willwood, Jan. 22, 1839.

From the above certificate of Col. Hampton,
who bred and had LATH trained for the Turf, it will
be seen that he considered him a race horse of the
first class—not only from the fact that he has been
mentioned as having run publicly, but from private tri-
als he has made with horses which are now on the
Turf, and running with considerable success. It
will also be observed by his certificate, that he
considered LATH of the purest blood—not to be
surpassed by any horse, imported or native.

It is made it entirely unnecessary to attempt to
eulogize LATH, either for his performances on the
Turf or as to his blood, since in every respect he
is so well attested. But will remark, that LATH
has not only descended from pure blood, but has
come from stock both sire and grand-sire, dam and
grand-dam, that are of the racing blood. For
instance, his sire, Godolphin, made his four miles
in 7 minutes and 50 seconds; his grand-sire, the
American Eclipse, so well known at the north and
south, made his time in the great match race, the
north against the south, \$20,000 aside, in 7 min-
utes and 37 seconds, which Eclipse won with con-
siderable ease. This race gained him the respect-
able name of the champion of the north. His
dam sired by the renowned Sir Archie, whose re-
putation as a race &c., stands unquestioned, both
in England and America. The grand dam of LATH,
Old Lottery, bred by the great southern amateur
& horse, Col. B. Singleton of South Carolina, has
produced more fine race horses than any other
mare in the Union. Thus, it will be seen that
there is united in LATH two of the best studs in the
south, Hampton's and Singleton's, crossed with
Gen. Cole's of the north.

The public is now presented with an oppor-
tunity of improving the blood of that noble and
useful animal, the Horse, as rarely occurs in this
section of country. And the public can have in
addition, in a short time, the opportunity of judg-
ing more satisfactorily of LATH's blood, &c., by
his colts of last Spring's get, as it is expected there
will be many of them dropped by mares in this
section in a few days. As a special getter LATH
stands almost unrivalled, as is proven by his last
Spring's services—a few of the large number of
mares put to him not proving in foal.

R. W. L.
N. B. Mares sent from a distance will always
and LATH at home, as he will not be removed from
his stall in Salisbury, under any circumstances,
during the season. [March 13, 1840.]

To Owners of Mills.

THE Subscriber has an improved *patent* Spindle for
Mills, by which a mill will do much better than
with the usual form of Spindles. It is so constructed
as to keep from heating or killing the meal in any man-
ner. The runner is so confined by the Spindle as al-
ways to preserve its balance, and of course there is no
wearing of the stones.

I think by this improved Spindle, the same water
will do at least one-third more business, and the meal
of superior quality.

Any person wishing to use one of these Spindles,
may obtain one or more, by making application, (with-
in a short time) to the Subscriber at Mocksville, Davie
Co., N. C. I think the probable cost will not exceed
\$30 for the Patent and Spindle ready for use.

The following persons have my Patent Mill Spindle
in successful operation:—Col. W. P. Kelly, Trust. Pas-
tor, Joseph Hall and David J. Foster of Davie County;
Gilbert Dickson and Samuel J. Remour of Lincoln;
Charles Griffith of Rowan; Addison Moore of Davi-
son, and William Deas of Surry, all of whom are high-
ly pleased with its performance.
