### NEW FIRM.

COACH-MAKING ESTABLISHMENT. THE Subscribers respectfully inform the citizens of Salisbury and surrounding country, that they have commenced the above business in all its various branches, in the Shop formerly occupied by Mr. John I. Shaver, on the South-east Street, where they will constantly keep on hand a variety of vehicles, such as—

They will warrant their workmanship not to be surpassed by any in this section of country, as they have on hand a large supply of the best materials; and, also, in their employ first rate workmen. Orders for work from a distance, addressed to the subscribers will be punctually attended to. N. B. All kind of repairing done on the shortest notice. DANIEL SHAVER, D. F. HADEN. Salisbury, Jan. 22, 1841.

### Valuable Lands for Sale.

THE Subscriber wishing to remove to Massachusetts next fall, offers the following valuable plantations for sale on fair and reasonable terms: One Tract, lying about five miles East of Salisbury, adjoining Mrs. Barringer's Mill lands, containing about

ONE HUNDRED & SEVENTY ACRES. This place is called the Holdshouser tract, is well improved, and first rate land, good house, and out-houses, barn, &c.

Another Tract, called the Trexler place, lying on Green Creek, on Mrs. Barringer's mill tract, has on it an excellent grist and flour mill, and wool carding machine, and a good dwelling house, and out-houses, and the land of fine quality.

Also, my plantation where I live, containing 170 Acres of first rate land, well improved, and in good condition, an excellent dwelling house, and good out-houses—a large barn, &c.

Also, one tract adjoining the above, all wood land, and the greater part of it excellent soil. Persons wishing to buy, will always find me at home. HENRY TREXLER. Rowan County, April 9, 1841.

### To Owners of Mills.

THE Subscriber has an improved patent Spindle for Mills, by which a mill will do much better than with the usual kind of Spindles. It is so constructed as to keep from heating or killing the meal in any manner. The runner is supported by the Spindle so as always to preserve its balance, and of course there is no rubbing of the stones.

I think, by this improved Spindle, the same water will do at least one-third more business, and the meal of superior quality. Any person wishing to use one of these Spindles, may obtain one or more, by making application, (within a short time) to the Subscriber at Mocksville, Davie Co. N. C. I think the probable cost will not exceed \$30 for the Patent and Spindle ready for use.

The following persons have my Patent Mill Spindle in successful operation:—Col. W. F. Kelly, Thos. Foster, Joseph Hall and Sam'l. Foster of Davie County; Gilbert Dickson and David J. Ramoser of Lincoln; Charles Griffith of Rowan; Addison Moore of Davidson; and William Doss of Surry, all of whom are highly pleased with its performance. L. M. GILBERT. October 25, 1839.

Twelve copies will be sent to one address, for one year, or to different individuals, on the payment of ten Dollars in advance. A specimen number will be issued in a few days. ### Prospectus for Kendall's Expositor.

MRS. KENDALL proposes to establish a semi-monthly newspaper, under the above name, to be devoted to the following objects, viz: 1. The security of the right of suffrage, by additional laws to punish bribery and fraud. 2. An exposure of abuses and corruptions in Government, wherever known to exist. 3. An exposition of the principles of modern Banking, and its effects upon labor, trade, morals, and Government, embracing the nature and uses of money, and a history of the origin and progress of paper money in its various forms. To these will be added all the topics common in the newspapers of the day, with a summary of news carefully compiled, forming an accurate history of passing events.

Avoiding all personal allusions, this paper, while it will not conceal its preferences for men, will confine itself chiefly to the circulation of facts and principles, leaving the reader to draw his own conclusions from the facts presented.

The Expositor will be printed in the neatest manner upon a royal sheet, folded in octavo form, each number making sixteen pages, with an index at the end of each volume embracing one year. It will thus form a book containing a history of the times with much more useful and entertaining matter.

THE FAMILY NEWSPAPER. Largest Subscription in the World!! THE PHILADELPHIA SATURDAY COURIER.

THE COURIER is an as firm and independent a basis as any paper issued, at home or abroad, and its ample means will be always employed to make it equal, as a FAMILY NEWSPAPER, to any journal published. It is a PERMANENT ESTABLISHMENT. The Courier is an independent paper, fearlessly pursuing a straight-forward course, and supporting the best interests of THE PUBLIC.

This approved Family Paper is strictly NEUTRAL IN POLITICS AND RELIGION, and the uncompromising opponent of all QUACKERY. It maintains a high TONE OF MORALS, and not an article will appear in its pages, which should not find place at every fireside.

The unparalleled patronage, from every section of the country, is the best evidence of its approval. It has broken and will continue to break for itself. Its list embraces over 34,000 subscribers, extending from the Lakes to the Ocean, and combining all interests and classes of the republic. Each number of the Courier contains as much matter as would

Fill a 19mo. Volume. The cost of which alone would be the price of the paper for a whole year. The general character of the Courier is well known. Its columns contain a great variety of

TALES, NARRATIVES, ESSAYS, BIOGRAPHIES, &c., Together with articles on Science, Fine Arts, Mechanics, Agriculture, Manufactures, Foreign News, New Publications, Morality, Medicine, The Silk Culture, Family Circle, Self-Educated Men, List of Insolvent Banks, Discount and Exchange, The Classics, Philosophy, Health, Commerce, Literature, Domestic Intelligence, Education, Amusements, Fables, Humorous Poetical Articles, The Drama, City Matters, Amusing Miscellany, The Markets, The Musical World, Correct Prices Current, Discount and Exchange, History, and Philosophy.

And all other matters discussed in a Universal Family Journal—turning altogether as vast, and, we believe, as interesting a variety as can be found in any other Journal, embracing subjects for

Farmers, Mechanics, Tradesmen, Artisans, Merchants, Men of Leisure, Teachers, Students, And every Class of our Country.

THE COURIER may always be DEPENDED UPON, as nothing important is permitted to escape a notice in its columns. It will always FAITHFULLY FULFILL ITS AGREEMENTS.

Our arrangements enable us to draw from the whole range of the current Literature of Europe, and our Correspondents at home embrace many of the best Writers of the country. A series of POPULAR TALES, of unequalled interest and value, will follow in constant succession.

### POPULAR MUSIC.

In the Courier is inserted the music of the most popular Airs, Ballads, and Songs, as soon as they are imported; so that country readers may have the most popular music for the voice, the piano, the guitar or other instruments, as soon as published, which if paid for separately would not more than the price of subscription. This perfected arrangement is to be found in no other journal of the kind.

### OUR TERMS.

The price of the COURIER is only \$2, in advance. When individuals wish to subscribe to the Courier, a sure way is to enclose the money in a letter, and direct it to us. The Postmasters will probably politely remit, for we wish them in all cases, if it meet their pleasure, to act as our agents.

Clubs of ten will be furnished with ten papers for one year, (provided the money be sent us free of postage and discount,) for \$15. Ten Dollars will procure the sixth copy gratis. Three copies for five dollars. \$5 at one time will be received for 3 years. Our friends, the Postmasters, will please oblige by remitting arrearages and new subscriptions.

PROSPECTUS OF THE Western Carolina Temperance Advocate, A monthly paper devoted to the Temperance Reform, Published at Asheville, N. C., and edited by D. R. McANALLY.

A TEMPERANCE CONVENTION was held at this place early in September, resolved on publishing a paper of the above title and character, and appointed Dr. John Dickson and D. R. McAnally to conduct it. From the many pressing engagements, Dr. Dickson already has, he deems it impracticable for him to be recognized as one of the editors, though he will cheerfully use all his influence otherwise, to promote its interest; the subscriber therefore, proceeds to issue this Prospectus in his own name, with a hope that he will be aided in the undertaking, by all the friends of the Temperance cause throughout the country, and that the paper may soon have an extensive circulation.

Friends of the Temperance Cause! to you we make a most earnest appeal—while thousands upon thousands of dollars are annually expended at theatres, at circuses, at the race track, at groceries, while no pains are spared, the luxury of retirement and ease foregone, and no labor deemed too severe to advance the interests of political aspirants, can you not do something in a cause that must be dear to every true patriot, philanthropist, and christian? Recollect there are but few, very few, such papers in all the Southern country.—The Western part of North Carolina, the Western part of Virginia, and the Eastern part of Tennessee particularly, need a periodical of this kind, and it is for you now to say whether they shall have it.

The very low price at which it was fixed by the Convention, will make it necessary, that a very large subscription be had, before the publication of it can be justified.

TERMS. The Western Carolina Temperance Advocate will be published on a medium sheet, in quarto form, each number making eight pages, and will be furnished at the very low price of Fifty Cents a copy. Where single copies are taken, the payment must be made invariably upon the reception of the first number. Postmasters, editors or publishers of papers, and all Ministers of the Gospel, are authorized agents.
