

The Farmers' Advocate.

SINCE closing the 21 volume, an association has been proposed, whereby the services of Mr. W. P. Richards, of Davidson county, N. C., will be procured to assist in the editorial department of the paper, provided a sufficient accession to our present list of subscribers can be obtained to justify such a measure; in which event, the Advocate, after the fact is ascertained, and the necessary arrangements made, will be published weekly, at Brownstown, Davidson county, N. C., on a super-royal sheet, for \$1.50. But in the meantime, or should the proposed association ultimately fail for want of sufficient encouragement, as above stated, the paper will still be continued semi-monthly on a super-royal sheet, for one dollar, as heretofore.

We would reasonably suppose, that the proposed change from a semi-monthly to a weekly paper would give general satisfaction to all our present subscribers; because, for the small addition of fifty cents, a volume furnishing more than double the amount of reading matter would be secured; or, instead of giving one dollar for a volume of 264 pages, they will receive for one dollar and fifty cents a volume containing 522 pages. And moreover, in addition to the greater quantity of reading matter furnished, we have no doubt that an increased interest would be thus communicated to our paper; as Mr. Richards, besides being a practical farmer, is a gentleman of considerable literary attainments.

In attempting to effect such an arrangement, whether successful or not, the least prejudice or disadvantage cannot possibly result to any of our present subscribers; because, should the attempt prove unsuccessful, the Advocate will continue to be published regularly, as heretofore. If we should succeed in effecting the suggested change, a material advantage, in our estimation, will be the immediate result; in so far as the carrying out of such measures as it will enable us to carry out, our means for improving the paper,—for rendering it more acceptable, and for giving a greater extent of circulation, and thus making it more permanently useful, will be greatly increased.

No material difference in the design of the paper will take place in consequence of the proposed change; but an indistinct adherence to the interests of the Farmer will still be observed, by using all laudable means calculated to advance a system of general improvement. We hope, fellow citizens, that you will give us your united support in aiding our efforts to establish on a permanent basis, a paper having for its object the instruction of measures for the enriching of your soil—the improvement of your stock and farm productions—the perfecting of your agricultural and mechanical operations—the advancement of your scientific and literary pursuits, and the promotion of just incentives to virtue; all of which simultaneously centre in one grand purpose—to develop the vast natural resources of our common country for the mutual benefit of all; and thus promote the great design of creation.

As we consider Agriculture and its kindred pursuits, of paramount importance to any other consideration, we design in the first place, to use all laudable exertions in procuring and disseminating practical information, essential to the interests, and calculated to increase the dignity of the Farmer.

Secondly.—Education, and the Literary Institutions of the country; also, good literary productions, both original and selected, will receive prompt attention, and a warm and friendly support.

Thirdly.—Science, and the Mechanical Arts, will also be subjects of discussion, and invariably receive a liberal share of attention.

Fourthly.—Due attention will be paid to subjects calculated to promote the cause of Virtue and Religion, carefully suppressing every allusion, tending in any way to encourage sectarian prejudices.

Fifthly.—A summary notice will also be taken of passing events of an important and interesting nature, both Foreign and Domestic; excluding all political contests, and subjects calculated to promote party animosity.

In short, our whole influence, so far as depends on the success of the Advocate, will be unparagonably exerted in strengthening those pillars on which the prosperity and happiness, both of individuals and nations must be invariably based—the improvement of the soil, and the culture of the mind.

Conditions.

All those who pay in advance, will receive fifty-two numbers of sixteen octavo pages each, making in a year, a volume of 832 pages, for \$1.50. To clubs for forwarding \$7 free of postage, five copies will be forwarded; for \$10, eight copies; for \$15, twelve copies; for \$20, sixteen copies; and for \$30, thirty copies will be furnished.

If payment be delayed beyond three months after the first number is received, an additional sum of 33 1/2 per cent will be invariably exacted. The trouble and expense which necessarily attend the collection of small debts at a distance, will render a strict adherence to this rule absolutely necessary.

All letters, communications, &c to the publishers, must come free from postage, or they cannot be attended to.

No paper will be discontinued until all arrears are paid, except on their option.

Postmasters, or other gentlemen, disposed to give us their assistance, are respectfully requested to act as agents. Address J. SHERWOOD & W. P. RICHARDS.

Shaver, on the South-east Street, where they will constantly keep on hand a variety of vehicles, such as—

Valuable Lands for Sale.

THE Subscriber wishing to remove to Missouri next fall, offers the following valuable plantations for sale on fair and reasonable terms: One Tract, lying about five miles East of Salisbury, adjoining Mrs. Barringer's Mill lands, containing about

ONE HUNDRED & SEVENTY ACRES. This place is called the Holmshouser tract, is well improved, and first rate land,—good house, and out houses, barn, &c.

Another Tract, called the Trexler place, lying on Cran Creek below Mrs. Barringer's mill tract, has on it an excellent grist and flour mill, and wood landing, meadow, and a good dwelling house, and out houses,—and the land of fine quality.

Also, my plantation where I live, containing 170 Acres of first rate land, well improved, and in good condition,—an excellent dwelling house, and good out houses,—a large barn, &c.

Also, one tract adjoining the above, all well land, and the greater part of it excellent soil. Persons wishing to buy, will always find me at home. HENRY TREXLER. Rowan County, April 9, 1841. 1f.

To Owners of Mills.

THE Subscriber has a improved patent Spindle for Mills, by which a mill can run much better than with the usual form of Spindles. It is so constructed as to keep from heating or killing the mill in any manner. The runner is so constructed by the Spindle as to always to preserve its balance, and of course there is no rubbing of the stones.

I think by this improved Spindle, the same water will do at least one-third more business, and the meal of superior quality.

Any person wishing to use one of these Spindles, may obtain one or more, by making application, (within a short time) to the Subscriber at Mocksville, Davie Co. N. C. I think the probable cost will not exceed \$10 for the Patent and Spindle ready for use.

The following persons have my Patent Mill Spindle in successful operation:—G. W. Kelly, Thos. Foster, Joseph Hall and Sam'l. Foster of Davie County; Gilbert Jackson and David J. Ramsour of Lincoln; Charles Griffith of Rowan; Addison Moore of Davidson; and William Doss of Surry, all of whom are highly pleased with its performance.

PROSPECTUS OF THE WESTERN CAROLINA TEMPERANCE ADVOCATE.

A monthly paper devoted to the Temperance Reform. Published at Asheville, N. C., and edited BY D. R. McANALLY.

A TEMPERANCE CONVENTION that was held at this place early in September, resolved on publishing a paper of the above title and character, and appointed Mr. John Dickson and D. R. McAnally to conduct it. From the many pressing engagements, Dr. Dickson already has been unable to perform his part of the convention.

As one of the editors, though he will cheerfully use all his influence otherwise, to promote its interest, the subscriber therefore, proceeds to issue this Prospectus in his own name, with a hope that he will be aided in the undertaking, by all the friends of the Temperance cause throughout the country, and that the paper may soon have an extensive circulation.

Friends of the Temperance Cause! to you we make most earnest appeals, that you will send us one hundred dollars annually expended in the cause, at six cents, at the rate track, at groceries, while no pains are spared, the luxury of retirement and ease foregone, and no labor deemed too severe to advance the interests of political aspirants, can you not do something in a cause that must be dear to every true patriot, philanthropist, and christian! Recollect there are but few, very few, such papers in all the Southern country.—The Western part of North Carolina, the Western part of Virginia, and the Eastern part of Tennessee particularly, need a periodical of this kind, and it is for you now to say whether they shall have it.

The very low price at which it was fixed by the Convention, will make it necessary, that a very large subscription be had, before the publication of it can be justified.

TERMS. The Western Carolina Temperance Advocate will be published on a medium sheet, in quarto form, each number making eight pages, and will be furnished at the very low price of Fifty Cents a copy. Where single copies are taken, the payment must be made in advance on the receipt of the first number.

Postmasters, editors or publishers of papers, and all Ministers of the Gospel, are authorized agents.

Administrators Notice. THE undersigned having obtained, at the Nov Term, 1840, of Rowan County Court, Letters of Administration on the Estate of Benjamin Austin, dec'd., notices all persons indebted to the same, to come forward and make immediate payment, as the Estate must be closed; and those having claims against said Estate, to present them within the limit of the law, legally authenticated, or this notice will be plead as a bar to their recovery. To these will be added all the topics common in the newspapers of the day, with a summary of news carefully compiled, forming an accurate history of passing events.

Avoiding all personal alterations, this paper, while it will not conceal its preferences for men, will confine itself chiefly to the elucidation of facts and principles, leaving the ruder portions of political controversy to younger hands.
