A DICTIONARY OF

Arts, Manufactures and Mines, CONTAINING A CLEAR EXPOSITION OF THEIR PRINCIPLES

AND PRAUTICES. By Andrew Ure, M. D., F. R. S. M. G. S. M. A. S. Land, Mem. Agad. N. S. Philad., S. Ph. Soc. N. Germ. Hanov , Multi, Se Se. Se.

LLUSTRATED WIT I ONE THOUSAND TWO HUNDRED AND FORTY-ONE ENGRAVINGS.

THIS is unquestionably the most popular work of the kind ever published, and a book most admeably pdapted to the wants of all classes of the community The following are the important objects which the bearned author endeavors to accomplish: Lst. To instruct the Manufacturer, Metallurgist and

Trademan in the principle of their respective protheir business; and, to emancipate them from a state en, and the trands will be paid off weekly, or of bondage to such as are too commonly governed by

blind prejudice and a vicious routine.

2ndly. To affird Merchants, Brokers, Drysalters Dougrants, and officers of the Revenue, characteristic escriptions of the commodities which pass through

Srdiy. By exhibiting some of the finest development emistry and Physics, to by open an excellent practical school to Students of these kindred sciences. 4thly. To teach Capitalists, who may be desirous : playing their funds in some productive branch of indus try, to select, indiciously, among plausible claumants, 5thly. To enable gentlemen of the Law to become

which are so apt to give rise to litigation. 6thly. To present to legislators such a clear exposition of the staple manufactures, as may discusde them from ensuing how which obstruct industry, or cherish one branch of it to the injury of many others.

well acquired with the nature of those patent selfences.

And lastly, to give the general render, intent chiefly on Inte lectual Cultivation, views of many of the noblest achievments of Seience, in effecting those grand transformations of matter to which Great Britain and the United States tive their permanent wealth, rank and power among the nations of the earth.

The latest statistics of every important object of Manufacture are given from the best, and usually from official authority at the end of each article.

The work will be printed from the 2d London Falstion, which sells for \$12 a copy. It will be put on good paper, in new brevier type, and will make about 1400 Svo. pigos. If will be issued in twenty-one senit- in the van of the American Newspaper Weekly Press, monthly numbers, in covers, at 25 cents each, payable

(To any person sending as five dollars at one time in advance, we will ferward the numbers by mad, addition of popular contributors, embracing, we fully post prid, as soon as they come from the press.

C. Lemperature Society, the following resolution was wis of producil a paratis, carry on not do something in adopted : Whereas, errangements have been finde to a cause that must be done to every true patriot, platian commence the publication of a Temperance Journal in thospet, and christian! Recollect there are but few the they of Ralengh, on the first week of January next, very tow, such papers in all the Southern country. services one thousand Subscribers can be outnined. The Western part of North Carolina, the Western part each of the Officers of the State Temperance Society, budy, need a periodical of the kind, and it is for you and to the memors of the late State Convention, and took to say whether they shall have it, to any w o correspondly to the cause, immediately after he accept of this resolution, to become responsible for Convention, will make it necessary, that a very large from 10 to 50 Steeribers, so that the publication may subscription be said, before the publication of it can be comments at the time contemplated.

By order of the Executive Committee of the North golda State Temperance Society.

TERMS:

The North Carolina Temperance Union will be pub lashed weekly on a medium sheet, (say 26 by 18 mches,) at One Dollar and Pifty Cents per annum, payable IN ADVANCE. Letters containing Subscribers names and remittances, must be dispeted, postpand or free, to the Treasurer of the Society, James Brown, Raleigh,

All the newspapers in the State are respectfully regreated to give this Prospectus one or two insertions.

LATH, Grand-Sired by the

AMERICAN ECLIPSE, The Champion of America,-

Winner of the great match race,

The North against the South, \$20.000 Aside.

"HE thorough bred horse LATH, bred by Col. Wade Hampton, of South Carolina, will make his fourth and last Season, which is now commenced and will end the 1st July, at the following places, viz : at Jacob Coleman's, Cabarrus county, every Monday and Tuesday; at Salabury, Wednesday and Thursday; and at Lexington, Davidson county, Friday and Saturday He will be regularly at his stands, public days and high water excepted. He will be let to mares at the following reduced prices :- \$12 the season, to be discharged by ten if paid before the season expires, and \$15 to insure, payable as soon as the more is ascertained to be in foal. or the property changes owners, and fifty cents to the groom. Core will be taken to prevent accidents, but, in no instance, will I be responsible for any that R. W. LONG. Salisbury, N C., March 18, 1842.

PEDIGREE:

I certify that LATH was bred by me, and that he was foaled in the Spring of 1833. He was got by Godolphin, his dam Pocahontas, by Sir Archy; his g. dam Young Lottery, also by Sir Agely, out of Col. Singleton's celebrated Lottery, by the imported Bedford out of the imported more Anvillina; Godolphan was got by Eclipse; his dam Sylph, by Hæphestion out of Lotter; by imported Bedford, &c. Hæphestion was got by the imported Buzzard out of the dam of Sir Archy.

LATH is a fine bay, without white, 15 hands, 3 inches high, with good bone, and capital action. At 3 years old, he woulthe produce stake at Columbia, 2 mile heats, beating Mr. Taylor's Filly Daisy, and Capt. Spana's Colt, Conventien, nine others paying forfeit.— Two weeks afterwards he won the Jockey Club Purse, 3 mile heats, at Augusta, beating Kite, and distancing Binds, Bird. At Charleston he was beaten by Clod-hopper for the Jockey Club Purse, 3 mile heats; being very much amiss he was withdrawn after the first heat At 4 years old, he won the ockey Club Purse, 4 mile for sale at the Salisbury Drug- heats, at Camden, beating Sir Kenneth and Dorabella at 3 heats; losing the first in consequence of bolting when several lengths in advance of the field, just before he reached the judges' stand; and getting entangled amongst the carriages, he sustained an injury which

occasioned his withdrawal from the Turf. LATH was a race horse of the first class, which he THE Subscriber has opened a Public evinced in his trials with Bay Maria, Charlotte Russe, THE Subscriber has opened a Public evinced in his trials with Bay Maria, Charlotte Russe, and Kitty Heth, and in point of blood he is inferior to more, whether imported or native. His constitution is robust, having never been sick, and his temper good, him with their custom.

His Stables will be abundantly furnished with every stationage, as any young Stallien that I know.

W. HANDTON

W. HAMPTON. Willwood Jan. 22, 1530.

From the above Certificate of Col. Hampton, orderly conduct will be strictly prohibited. Call and who bred and had LATH trained for the Tarf, it will be seen that he considered him a Race horse of the first class,-not only from the races he has mentioned as having run publicly, but from private trials he has made with horses which are now on the Turf, and running with considerable success. HiffRE may be had at C. Fisher's Foundry, on It will also be observed by his certificate, that he south Yadkin Kiver, Mill Irons of almost all deconsidered Lath of the pureet blood, not to be surpassed by any horse, imported or native.

Saw Mill Irons, Gudgeoes wit sorts, Whee's of all culogise LATH, either for his performances on erzes, &c. - When not on hand, they may be made to the Turt or as to his blood, since, in every respect, he is so well attested. But will remark that Lath has not only descended from pure blood, but has come from stock both Sire, Grandsire, Dain, and Grand dam, that are of the running blood. For instance, his stre Godolphin mad: his four miles in 7 namutes and 50 seconds, his Grandsire, the American Echose, so well known at the North and South, made his time in the great match, race, the North against the South, \$20,000 ande, in 7 min ares and 37 seconds, which Eclipse won with considerable eclat. This race gained him the memorable name of the Champion of the North. His importance of such a publication, the Committee have dam sired by the renowned Sir Archy whose rebelievationed, it sufficient encourage cent can be us- putation as a racer, &c , stands unquestioned both England and America. 'The grand-dam of to be called the NORTH CAROLINA (EMPL- LATH, Old Lottery, bred by the great Southern Amateur of horses, Col. R. Sugleton, of South 'arolina, which has produced more fine race horses to any other mare in the Umon. Thus it will soon that there is united in LATH two of the best study of the South, Hampton's and Singleton's

> The public is now presented with such an oppor tunity of improving the blood of that noble and useful animal, the horse, as rarely occurs in this a citon of country. K. W. L.

PROSPECTUS

OF THE Congressional Globe and Appendiz.

HESE works have now been published by us he L ten consecutive ressions of Congress. Connecticing with the session of 1532-3. They have had see wide circulation, and have been so universally approxand sought after by the public, that we deem it here sary only in this Prospectus to say that they will continued at the next session of Congress, and to althe succinetity, their contents, the form in which they may be printed, and the prices for them.

The Congressional Globe is made up of the day proceedings of the two Houses of Congress, To speeches of the members are abridged, or condensed, bring them into a reasonable, or readable length. A the resolutions offered, or motions made, are given length, in the mover's own words; and the year and says on all the important questions. It is printed with small type—brevier and nonpared—on a double my sheet, in quarto form, each number containing 15 mpl quarto pages. It is printed as fast as the business don in Congress furnishes matter enough for a numberusually one number, but sometimes two numbers a week. We have intarnably printed more number than there were week in a session. The approxima months, if so, subscribers may expect between 30 and 40 numbers, which, together, will make between 50

and 600 toyal quarto pages.

The Appendix is mode up of the Parsident's a nual message, the reports of the principal officer of the Government that accompany it, and all the lar speeches of members of Congress, written out or to vised by themselves. It is printed in the same less is the Congressional Globe, and usually makes about to same number of pages. Heretofore, on account of is set speeches being so numerous and so long, we let not completed the Appendix until one or two selfaafter the close of the session; but, in future, we set to print the speeches as fast as they shall be present and of course shall complete the work within a

days after the ecjourement? Each of these works is complete in itself; but necessary for every galacriber who des rea a knowledge of the proceedings of Congress, both; because, then, if there should be any and a in the synopsis of the speech, or any demai of ... ractices, se published in the Congressions Glav. reader may return to the Appendix to see the government

at length, corrected by the member himself. Now, there is no source but the Congression Gas and Appendix, from which a person can observe a history of the proceedings of Congress. Galasti NEATON'S Register of Debates, which continued a tury; has been suspended for three are four games. gressional Globe and Appendix, and sid Log sucequal amount of matter, a reat portion of the corp proceedings being statted. We are enabled to pr the Congressional Globe and Appendix at the over now proposed, by having a large quantity of type keeping the Congressional matter that we set the daily and somi-scekly Globes, standing " Congressional Globe and Appendix. If we had up the matter purposely for these works, we could afford to print them for double the price now child

Complete Indexes to both the Congressions back and the Appendix We printed at the close of cathers sion, and sent to all subscribers for them. We have on hand 3,000 or 4,000 surplus co-

the Congressional Globe and Appendix for the 12 Session, which make together near one thousand quarto pages. They give the fullest history si gress that has ever been published. We now them for \$1 each; that as, \$1 for the Congres Globe, and \$1 for the Appendix. We propose, subscribers for the Congressional Globe and App for the next session, have them for 50 cent They will be necessary to understand fully the cerdings of the next session. The important a discussed at the last, will be brought up at the in evision, in consequence of the universal dis-stateds evision in the late elections with the tast and insystem of policy which the powers have introducand which was forced through Congress without of sa taig public opinion, or even allowing the laft of cussion usual in regard to subjects of ordinary int as-The reports of the Congressional Globe and Appeels are not in the least degree affected by the parit has of the Editor. They are given precisely as within out by the Regorters and the members themselve And the whole are subject to the revision and pure tion of the speakers, as they pass in review in our casheet, in case any misunderstanding of misrepressile tion of their remarks should occur-

We make a daily analysis of the doings in Conand give our opinions in it freely, but this is publish m) in the Daily, Semi-weekly, and Weskly Gloss The Daily Globe is \$10, the Semi-weekly Globe & per annum, in advance. The Weekty Giobe a proin the same form as the Congressional Giols and pendix, and a complete midex made to it at the col
