#### OUR FAIR.

We present in another column the list of premiums awarded at the late Fair in this place. So far as we have heard, the Miss A S Rutledge lady's hankerchief occasion fully met the anticipations of visitors. Several newspapers which had representatives in attendance, have spo- Mrs Mahry wax cross ken of it in very complimentary terms, " " shell work and we regret our inability at present to Mrs M L Holmes canned peaches reproduce these articles, so creditable to Miss Bettie Culverhouse ottoman cover the energy of the managers of the Fair, Mrs Brown table mats. and the skill and taste of the ladies who Miss Nora Beard best lady's collar contributed so bandsomely to the exhibit Mrs Correll best riding hat tion in Floral Hall.

There were many details in connection with the Fair which had to be learned by experience, and for which our community will be better prepared another year. We do not mean this as an apology, but rathe ums had been offered. This is true, eser as an assurance that the next annual pocially of Foral Hall, where the number exhibition of the West. N. C. Agricultura al and Mechanical Association, will exceed, in many respects its first, in every important interest.

THE CHICAGO CONFLAGRATION.

the City of Ashes.

Correspondence of The Sun. Спісасо, Oct. 15.—This is a sad and gloomy Sunday for Chicago, as opposite n every essential respect from the last Sunday as darkness to day-light. Seventy-five churches in which devout congregations worshipped one week ago are to day in ashes and the congregations scatered and in the deepest affliction. Some of the pastors of these churches have today essayed to hold service in the open air, under the shadows of the blackened walls of their former elegant edifices, and it has been a touching sight to see the for mercy and succor in this hour of deep on a stop .- American, distress. Streaming eyes and lowly bowed heads were everywhere among these andiences in the wilderness of ruins.

liberal-minded men could be brought to | Not all the congregations sought their old haunts to worship. Many of them are We fear, however, that old party virus too completely broken up to hold any their disposal.

has attempted has failed. The very magnitude of the calamity defies the powers themselves is far beyond description extent, in their sublime, I had almost said, beauty to be appreciated. The Rev. ican party, they would find within the latter Dr. Bartlett of Plymouth Clinrich, the organization the means, and the only present Beecher of Chicago, attempted to describe them. He contrasted them with the ruins of the Portland fire, the New York fire, the great Loudon fire, the bursing of Rome, and the destruction of Pompeii, showing that in all history there has been no destruction so extensive or equaliv so much of property or so many people turned homeless into the stig its as in this instance. Forty thousand buildings have been destroyed, from 2,500 to three thousand acres of ground comple e y swept, with five hundred fives sacrificed and a hundred thousand people turned homeless and destitute upon the charities of the world, while from two to three hundred millions of dollars of property has been annihilated, would not beg n to tell the story of such an event. Special trains have been arriving all
