There is some historical interest connected with this, from its being, in the old revolution, a place of resort, and a depository of plunder, not by a band of robbers, but singularly enough by a man and his sister, Sam Brown and Charity Brown.

It is said that they belonged in that vicinity, in Lincoln county, where they were brought up. They sallied out from this place on their plundering expeditions even as far as the Shallow Ford, on the main Yadkin.

The banks of this river, for a good distance up from the Forks, were inhabited by a mixed population, among whom were a good many Tories. Following up Smith took in 20 on suspicion." Hunting creek towards the Brushy Mountains, the people in those days are said to have been nearly all Tories.

It is said that he was once married to the daughter of a man who lived near the Island Ford-but his wife left him and returned to her father; where he in revenge went one night, and killed all his father in-law's stock. During his absence from the cave, he left a base woman to keep house.

MILLIONS Bear Testimony to their Wonderful Curative Effects. They are not a vile Fancy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the aste, called "Tonics," "Appetizers," "Restorers,"&c., that lend the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimus lants. They are the GREAT BLOOD PURI. FIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring theblood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair, They are a Gentle Purgative as well as a

Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs. FOR FEMALE COMPLAINTS, in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilions, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bindder, these Bitters have been most specessful. Such Diseases are caused by Vitlated Blood, which is generally produced by derangement

of the Digestive Organs. DVSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Paintation of the Heart, Inflammation of the Lungs, Pain in the regions of the Ridneys, and a bundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system. FOR SKIN DISEASES, Eruptions, Tetter, Salt

Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow. Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

The great increase in the sale of our instru has ments, enabled us to reduce our prices for First Class Pianos, from ten to twenty-five per cent. less than any other house (offering the ame class of instruments) in the United States. While we act upon the maxim of "quick sales
