BEAUTIFUL THINGS.

A gentle voice, a heartfelt sigh,
A modest blush, a speaking eye,
A manner unaffected, free;
These things are beautiful to me.

A ready hand, a loving heart,
A sympathy that's free from art,
A real friend among the few;
These things are beautiful and true.

A mother's prayer, an answer mild,
An aged sire a little child,
A happy home, a cheerful hearth;
These things are beautiful on earth.

A joyful song a chorus sweet,
An earnest soul and willing feet,
A day of peace, a night of rest;
These things are beautiful and blest.

A sister's love, a brother's care,
A spotless name, a jewel rare,
A cleanly tongue that will not lie;
These things are beautiful—and why?

Because they are born of love,
And emanate from God above;
An earnest of the heavenly birth,
These things are beautiful on earth.

A NEGRO TURNING WHITE.—A correspondent of the Norfolk *Journal* writing from Rich Square Northampton county, N. C., says:

We have near this place the most perfect and mysterious living curiosity ever known in this or any other country. It is a case which might justly attract the attention and study of all naturalists to account for so strange, a freak of nature. A negro boy born upon the plantation of Mr. John Devereux, whose parents are perfectly black, was, at the time of his birth, also black, and remained so until about 8 years old, when without sickness or any other apparent cause, white spots began to make their appearance upon those parts of his body hidden by clothing, and continued to spread until he was about eighteen years of age, when he became perfectly white all over, except his face and hands, these retaining their natural black color.—About this time white spots appeared first upon his hands which have continued to grow larger ever since, and will no doubt in a few years more entirely cover these members, making him a complete *white* negro instead of the "spotted negro" by which he is now generally known. This negro is frequently met upon the public roads, and a more frightful object, in the shape of a human being, was never seen, his whole face being alternately interspersed with large blotches of black and white. He is now about 22 years old, and has enjoyed remarkably good health, never having been sick a day in his life, except a few chills, which are common to all people on the Roanoke. Hundreds of persons of this vicinity can vouch for the above facts, and the negro himself can be seen at any time.—Where is Barnum?

Grant's Peregrinations.—The Cincinnati *Commercial* has made an elaborate arithmetical calculation of the travels of President U. S. Grant since he was nominated down to the present day, and finds that out of the eleven hundred days that have elapsed since his nomination, he has been absent from the seat of government five hundred and one, and has travelled about the land to the extent of thirty-seven thousand six hundred and twenty-nine miles, to attend horse races, fairs, railroad openings, fishing frolicks and other events. A contemporary says: The calculation the *Commercial* ought to undertake is the statistics of Graat's presents and the number of mansion houses, horses, libraries, 4,000 pound oxen, cottages at Long Branch, bull pups, velocipedes, and so fourth, that have been sent to him as testimonials of regard and earnests of a desire for appointment to office.

A Billion.—What a very great sum is a billion! It is a million of millions. A million seems large enough—but a billion how long do you suppose it would take you to count it? A mill which makes one hundred pins a minute, if kept to work night and day, would only make fifty two millions five hundred thousand pins a year—and at that rate the mill must work twenty thousand years without stopping a single moment, in order to turn out a billion of pins! It is beyond our reach to conceive it—and yet when a billion of years shall have gone, eternity will seem to have just begun.

Incendiary Attempt.—On Saturday night last, between 8 and 9 o'clock, an attempt was made to burn the building of Sprinkle & Bro., (which was saved from the previous fire.) A colored woman living near by saw the incendiary, but she could not tell whether he was black or white—no one else saw him leave the lot. But there is not the slightest doubt about its being a bold attempt to rekindle the fire of Friday morning.

THE TREMAINE
Piano Fortes

are acknowled by all who have them in use, and by the *First Musical Talent*, to be equal and in many respects,

Superior to any Manufactured

They combine Immense Power, Equality, Sweetness and Brilliancy of Tone, Elasticity of Touch, and Great Durability.

Dealers, Teachers and others

desiring to purchase a first-class instrument are invited to examine these Pianos before making their selections elsewhere.

PATENT AGRAFFE TREBLE,

Together with all modern improvements. The most thoroughly seasoned timber the market affords is selected, regardless of cost, as we feel assured it will be the cheapest in the end.

The great increase in the sale of our instruments, enabled us to reduce our prices for First Class Pianos, from ten to twenty-five per cent. less than any other house (offering the same class of instruments) in the United States.

While we act upon the maxim of "quick sales and small profits," we make it, at the same time, a special object to furnish our customers with instruments in no way inferior to the best in the market.

Many families have had a desire to obtain a Piano, but could not afford to pay the dealer a profit of from $100 to $300, neither do they wish to purchase a cheap made instrument, that would cost more to keep in repair than it is worth, hence a large class of our music loving people have been obliged to do without.

We can furnish New Seven-Octave Piano Fortes from **275** to **950 dollars.** Second hand Pianos from **40** to **250** dollars.

☞ Parties ordering by mail may rely upon the best selections.

Our Pianos are fully warranted for six years

THE BURDETT
Combination
ORGAN.

(With Carpenter and Burdett's New Improvements.)

The disagreeable reedy tone entirely over come in this instrument.

The Verdict is Unanimous!

The Greatest Success of the Age!!

We Challenge the World to Equal It!!

And cordially invite the profession, dealers and the musical world generally to examine this truly wonderful instrument.

The Burdett Combination Organ

As its name indicates, is an ingenius union of all our standard improvements, combined with many new features never before introduced or attempted in Reed Organs, together making this Organ the SUPERLATIVE of instruments, and one that has already created a revolution in the public mind in the decided favor of the general adoption of Reed Organs, both for secular and sacred music, where an instrument is required either to accompany the voice or to produce orchestral effects.

With the multitudinous and surprising combinations that are contained in this instrument, the most intricate music of the "great masters," can be rendered as on a grand organ; or the most simple music for the melodeon can be played by a child.

All the various improvements on the Burdett Organ are protected by patent, belong exclusively to the Company, and can be used on no other organ.

The present Burdett Organ has received the most cordial and highest encominms from those ranking among the first of musicians and organists.

The New York Independent says of the Burdett Organ: "It is by far the most perfect reed instrument we have ever seen."

The Christian Leader says: "We had no idea that a reed instrument could be brought to such perfection."

The New York Observer says: "Its purity of voicing, richness of tone, and wonderful orchestral combinations, together with a number of new and original stops, render it an instrument of such perfection as to be beyond competition"

The press and public everywhere who have had an opportunity of listening to its beautiful strains, not only give it their unqualified approval, but unhesitatingly concede that it stands without a rival.

The Burdett Organ ranges in price from

$135 to $1000.

We have also New Cabinet Organs at $45, $75, $100, &c.

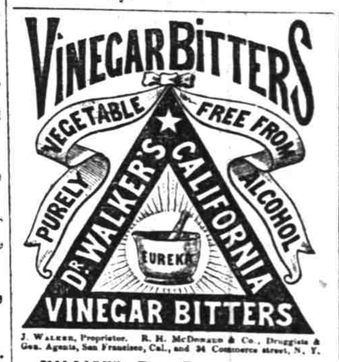
VINEGAR BITTERS



R. H. McDONALD & Co., Druggists & Gen. Agents, San Francisco, Cal., and 34 Commerce street, N. Y.

J. WALKER, Proprietor.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

They are not a vile **Fancy Drink**, Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER** and **A LIFE GIVING PRINCIPLE**, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time, by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Scarcely a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

"Patriot Office," Washington, D. C.

National Democratic Executive Resident Committee.

WASHINGTON, D. C., August 29th, 1870

We take pleasure in recommending most earnestly to the support of our Democratic and Conservative friends throughout the country "The Patriot" newspaper, as announced in the foregoing prospectus.

There is no journal at the Capitol through which the voice of opposition can now be heard, or the abuses and iniquities of the party in power may be exposed.

Such an organ has become an admitted necessity, which we are persuaded will be ably and satisfactorily supplied by "The Patriot."

This enterprise rests upon a firm foundation, and is entitled to the confidence and favor of all men who desire to redeem the Government from misrule and corruption, and to bring back the principles, simple virtues, and integrity of our forefathers.

COMMITTEE:

Sam. J. Randall, M. C., chairman, T. M. Smith, H. W. Slocum, M. C., A. St. C. Denver, F. Stone, M. C, R. T. Merrick, N. L. Jeffries, Secretary, Thomas Swann, M. C, Treasurer.
