COUNTY CONVENTIONS.

A Convention will be held for the County of Davidson at the Court House in Lexington on Monday the 3d day of June 1872, for the purpose of nominating candidates for the General Assembly and for the several county offices. All good men without regard to party, who are in favor of honest and capable men in office, a good cheap government and who wish our Constitution changed and amended in a few important particulars proposed by the Legislature, and who are opposed to Radicalism, are cordially invited to take part in this Convention.

All the Townships are earnestly requested to hold meetings and send full delegations to said Convention in order that the voice of the people of the whole County may be heard. There will be public speaking on the occasion, and the Amendments to the Constitution fully discussed and explained. Let us have a Mass Meeting of the people so that these Amendments may be thoroughly understood by all.

MANY CITIZENS.

LEXINGTON, N. C., April 29, 1872.

☞ The newly elected Board of Town Commissioners, with T. G. Haughton as Intendant, were inducted into office on Monday last. J. M. Horah was elected Treasurer, and J. J. Stewart, Secretary.

☞ The famine in Persia continues, and has become general, involving the whole country. Numerous towns and villages are nearly depopulated.

Greeley and Brown.—The Cincinnati Convention could not have selected from the names before it a ticket so strong with republicans and so acceptable to Democrats generally as that of Greeley and Brown. The more we examine and consider it the stronger and more worthy of Democratic support does it appear.

St. Louis Times.

When that convention is gathered it will speak for the party; but we trust it will not be guilty of a blunder that can bring only discomfiture and defeat upon both its own party and the Liberals. If the opponents of Grant would reform the government, they must act together.

SUNDAY SCHOOL PIC-NIC, &C.

The Methodist brethren of Western North Carolina held a Sabbath School Convention in this place last week, commencing on Thursday, and continuing through that and the succeeding day. Friday night the Methodist Sabbath School at this place gave a musical entertainment at the church. An address was also delivered on that occasion by the Rev. Mr. Roby.

The exercises of the occasion were very interesting. A number of pieces were sung by the children in a very superior manner, due, as we learn, to the skillful training of Mrs. S. W. Terrell, who has had them in hand for a few weeks.

But the grand Sunday School pic-nic on Saturday was an event to be remembered. A procession of children nearly one-third of a mile in length is not an every-day sight outside the great cities. We cannot speak accurately of the whole number who were thus marshaled. Tomasville sent over one hundred; High Point nearly as many more; Greensboro' still more, we believe; Concord her quota; and Charlotte her's, all to be added to the large Methodist and Presbyterian schools in this place. They were marched through one of the principal streets of the town preceeded by our Brass Band, to a grove in the Eastern suburbs, and there disbanded and allowed to pursue the bent of their own will. It is pleasant to record that none willed to do evil. The day passed away charmingly. All seemed happy. After their bountiful dinner some listened to speeches—made by Rev. Mr. Yates, Mr. Gray, of Winston, and others. Songs—beautiful Sabbath school pieces—engaged others. Some of the boys had base-ball games; and so the day wore swiftly away. And when delegation after delegation entered the cars to return to their respective homes, adieus were mutually waved, the cheers given, the trains moved off, and those who were were left behind stood silently gazing at the vanishing vision with mingled feelings of joy and sorrow. The grove which but a little while before was vocal with the songs of the children in whose angelic faces beamed the happy brightness of innocence and purity, were now silent, except to the most vivid imagination, which could still picture the bright, moving throng, and hear the sweet cadence of voices mingled with the soft rustle of the new-born leaves

The tenacity of truth.—When a nation is clear-headed as the Americans once become convinced from long experience and observation, that an article possesses superior excellence as a medicine, not all the preposterous clamor of all the worthless nostrum venders in the universe can shake their belief in its efficiency. Truth is a very tenacious thing, as these worthies are beginning to discover. PLANTATION BITTERS has too firm a hold upon the popular esteem to be in the slightest degree effected by the cold water diatribes which the advertisers of fermented slops, "without a particle of alcohol," are so fond of launching against alcoholic preparations. The public knows very well that this peerless renovant and tonic does contain spirits, but it also knows that they are of the purest and most wholesome description, viz.: find old St. Croix, the most active and beneficial diffuser of its remedial and invigorating properties throughout the system which could possibly be adopted.

☞ Pimples on the Face, Eruptions, Blotches, Scrofulous diseases, and all sores arising from impure blood, are cured by Dr. Pierce's Golden Medical Discovery.

SPECIAL NOTICES.

HOW WE USED TO BE PHYSICKED.

Who does not remember the time when spring purgation was considered indispensable to summer health? No matter for wry faces, the inevitable salts and senna, rhubarb, or calomel and jalap, must be administered. These "spring medicines," the youngsters were told, were to keep them hale and hearty during the summer. We all know now that this was a fallacy; that new vigor, not depletion, is what is required at the commencement of the summer solstice. As a preparation for the enervating effects of oppressive summer weather, a course of Hostetter's Stomach Bitters is highly expedient. This famous vegetable preparation has three prominent properties: It renovates, purifies, and regulates all the functions of the body. It is composed exclusively of pure vegetable productions, viz: the essential principle of Monongahela Rye, and the most efficacious tonic and alternative roots, barks, and gums known to medical botanists. Hence, it is an absolutely safe medicine, and no tincture of the Pharmacopœia can compare with it either in purity, or in the variety of its objects, and its comprehensive results. Happily for mankind, the theory that it was necessary to prostrate a patient in order to cure him, is forever exploded, and the true philosophical doctrine, that vigor is one great antagonist of disease, has taken its place. Hostetter's Bitters is an invigorant, and hence it is the proper medicine for the feeble at this most trying season of the year.

Be sure that you obtain the genuine article, as there are innumerable vile imitations in the market. Look to the ornamental stamp, the engraved label, and the name blown into the glass. Hostetter's Stomach Bitters is sold in bottles only.

A NEW BEAUTIFYING AGENT.—All Dentifrices had their drawbacks, until the Salubrious Bark of the Soap Tree was brought from the Chilian Valleys to perfect the fragrant Sozodont, the most delightful article for the teeth that a brush was ever dipped into.

"CHILDREN'S LIVES SAVED FOR 50 CENTS."—Every case of Croup can be cured when first taken, by Dr. Tobias' Venetian Liniment warranted for 24 years, and never a bottle returned. It also cures Diarrhœa, Dysentery, Colic Sore Throat, Cuts, Burns and External Pains, Sold by the Druggists. Depot, 10 Park Place, New York.

VENUS herself would not have been beautiful if her complexion had been bad. If beauty is skin deep, it is necessary to secure and retain that part of it; and instead of resorting to paints and powders, should a member that an impure, blotchy, or sallow skin is the proof of feeble digestion, torpid liver, or vitiated blood, for all which Dr. WALKER'S CALIFORNIA VINEGAR BITTERS is a safe, sure, and effectual remedy.

PERRETT'S COCOAINE.—No oils, neither pomades or alcoholic washes foreign or domestic—can compare with this also as a HAIR DRESSING. It anchors the hair firmly to the scalp—gives it new life and renders it the 'crowning glory' of both sexes, old and young.

PRATT'S ASTRAL OIL.—More accidents occur from using unsafe oils, than from steamboats and railroads combined. Over 200,000 families continue to burn Pratt's Astral Oil and no accidents directly or indirectly have occurred from burning, storing or handling it. Oil House of Chas. Pratt, Established 1770. New York

T. D. CLANCY & Co., Charleston, genls for South Carolina.

A BEAUTIFUL WHITE, soft, smooth and clear skin is produced by using G. W. Laird's 'Bloom of Youth.' It removes tan freckles, sun burns, and all other discolorations from the skin, leaving the complexion brilliant and beautiful. Sold at all druggists. This preparation is entirely free from any material detrimental to health.

JUST THE REMEDY NEEDED.—Thanks to Mrs. Winslow's Soothing Syrup, we have for years been relieved from sleepless nights, painful watching with poor, suffering, teething children.

FOR DYSPEPSIA, Indigestion, depression of spirits and general debility in their various forms; also as a preventive against Fever and Ague, and other intermittent fever, the Peruvo-Phosphorated Elixir of Calisaya, made by Caswell, Hazard & Co., New York, and sold by all Druggists, is the best tonic, and as a tonic for patients recovering from fever or other sickness, it has no equal.

RILEY'S GENUINE GOLDEN BELL COLOGNE WAS accordingly the original formula of Prevost Parris, so long and favorably known to the customers of Haviland, Harral and Riley, and their branches, for its fine permanent fragrance is now made by H. W. Riley and the trade supplied by his successors, Morgan & Riley, Wholesale Druggists, New York.

THURSTON'S IVORY PEARL TOOTH POWDER.—The best article known for cleansing and preserving the teeth and gums. Sold by all Druggists. Price 25 and 50 per bottle. P. C. Weis & Co., New York.

CARBOLIC SALVE unequalled as a Healing Compound. Physicians pronounce it as the most wonderful remedy ever known. Price 25 cents per box. John F. Henry, Sole Proprietor, 8 College Place, New York.

CHRISTADORO'S HAIR DYE.—This magnificent compound is the only contingency; the safest and most reliable Dye in existence; never failing to impart to the hair, uniformity of color, nourishment and elasticity. Manufactory 68 Maiden Lane, New York.

STAFFORD'S opium purified of its sickening and poisonous qualities. It is a perfect anodyne not producing headache or constipation of bowels, and is free from all other preparations of opium. John Farr, Chemist, New York.

CLERGYMEN, Bankers, Book-keepers, Editors and all others that lead sedentary lives, will find much relief from the frequent Headaches, Nervousness, and Constipation engendered from want of exercise, by taking Simmon's Liver Regulator. It is a harmless vegetable compound; it can do no injury; and numbers who have tried it will confidently assert that it is the best remedy that can be used.

NOTICE TO THE LADIES.

Among the many useful inventions produced by the Nineteenth Century none occupies a more prominent position than that of the Sewing Machine. The cheerful hum of these tireless little helpmates of our mothers and wives may now be heard in almost every house in the land.—They are made in endless variety and one is almost at a loss to choose when there are so many of decided merit. One of the latest and most improved is the EMPIRE, manufactured by the EMPIRE SEWING MACHINE Co., 294 Bowery, N. Sarsaparillian Resolvent

Has made the most astonishing Cures: so quick, so rapid are the changes the body undergoes, under the influence of this truly Wonderful Medicine, that

EVERY DAY AN INCREASE IN FLESH AND WEIGHT IS SEEN AND FELT.

THE GREAT BLOOD PURIFIER.

Every drop of the Sarsaparillian Resolvent communicates through the blood, sweat, urine and other fluids and juices of the system the vigor of life, for it repairs the waste of the body with new and sound material, scrofula, syphilis, consumption, glandular diseases, ulcers in the throat, mouth, tumors, nodes in the glands and other parts of the system, sore eyes, strumorous discharges from the ears, and the worst forms of skin diseases, eruptions, fevers, sores, scald head, ring worm, salt rheum, erysipelas, acne, black spots, worms in the flesh, cancers, in the womb, and all weakening and painful discharges, night sweats, loss of sperm and all wastes of the life Principle, are within the curative range of this wonder of Modern Chemistry, and a few days' use will prove to any person wishing it for either of these forms of disease its potent power to cure them.

If the patient, daily becoming reduced by the wastes and decomposition that is continually progressing, succeeds in arresting these wastes, and repairs the same with new material made from healthy blood—and this the Sarsaparillian will and does secure—a cure is certain; for when once this remedy commences its work of purification, and succeeds in diminishing the loss of wastes, its repairs will be rapid, and every day the patient will feel himself growing better and stronger, the food digesting better, appetite improving and the lost weight increasing. Not only does the Sarsaparillian Resolvent excel all known remedial agents in the cure of Chronic, Scrofulous, Constitutional and Skin diseases; but it is the only positive cure for KIDNEY & BLADDER COMPLAINTS, Urinary and womb diseases, gravel, diabetes, dropsy, stoppage of water, incontinence of urine, Bright's disease, Albuminuria, and in all cases where there are brick-dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk or there is a morbid, dark, bilious appearance and white bone-dust deposit, and when there is a pricking, burning sensation when passing water, and pain in the small of the back and along the loins.

It is a Shuttle Machine and makes the LOCK Stitch; works both threads the same, and stitch alike on either side. Read the following home testimonies.

MR S. W. TERRELL,

Ag't "Weed Sewing Machine.

Your Machine being entirely new and unknown in this portion of the State, it affords me pleasure to recommend it to the public. I have had it in my room for 2 weeks, the Howe, American Combination and the "Weed" and gave them all a fair, impartial trial. I now say unhesitatingly, I prefer the "Weed" to any other, it runs easier, more simple in mechanism, and durability and can do all any other machine can do.

I think its simplicity of construction, ease of management, adaption to every kind of family sewing combined, render it a first class Machine. Respectfully,

Mrs. N. D HARRIS.

THE TREMAINE Piano Fortes

are acknowled by all who have them in use, and by the *First Musical Talent,* to be equal and in many respects,

Superior to any Manufactured

They combine Immense Power, Equality, Sweetness and Brilliancy of Tone, Elasticity of Touch, and Great Durability.

Dealers, Teachers and others

desiring to purchase a first-class instrument are invited to examine these Pianos before making their selections elsewhere.

PATENT AGRAFFE TREBLE,

Together with all modern improvements. The most thoroughly seasoned timber the market affords is selected, regardless of cost, as we feel assured it will be the cheapest in the end.

The great increase in the sale of our instruments, has enabled us to reduce our prices for First Class Pianos, from ten to twenty-five per cent. less than any other house (offering the same class of instruments) in the United States.

While we act upon the maxim of "quick sales and small profits," we make it, at the same time, a special object to furnish our customers with instruments in no way inferior to the best in the market.

Many families have had a desire to obtain a Piano, but could not afford to pay the dealer a profit of from $100 to $300, neither do they wish to purchase a cheap made instrument, that would cost more to keep in repair than it is worth, hence a large class of our music loving people have been obliged to do without.

We can furnish New Seven-Octave Piano Fortes from **275** to **950 dollars.** Second hand Pianos from **40** to **250** dollars.

☞ Parties ordering by mail may rely upon the best selections.

Our Pianos are fully warranted for six years

Descriptive circulars sent to all parts of the country upon application.

THE BURDETT Combination **ORGAN.**

(With Carpenter and Burdett's New Improvements.)

The disagreeable reedy tone entirely overcome in this instrument.

The Verdict is Unanimous!

The Greatest Success of the Age!!

We Challenge the World to Equal It!

And cordially invite the profession, dealers and the musical world generally to examine this truly wonderful instrument.

The Burdett Combination Organ

As its name indicates, is an ingenious union of all our standard improvements, combined with many new features never before introduced or attempted in Reed Organs, together making the NEAREST APPROACH to an Orchestra of instruments, and one that has already created a revolution in the public mind in the decided favor of the general adoption of Reed Organs in all fashionable and sacred music, where an instrument is required either to accompany the voice or to produce orchestral effects.

With the multitudinous and surprising combinations that are contained in this instrument, the most intricate music of the "great masters" can be rendered as on a grand organ, or the most simple music for the melodeon can be played by a child.

All the various improvements to be on Burdett Organs are protected by patent, belong exclusively to the Company, and can be used on no other organ.

The present Burdett Organ has received the most cordial and highest encomiums from those ranking among the first of musicians and organists.

The New York Independent says of the Burdett Organ: "It is by far the most perfect reed instrument we have ever seen."

The Christian Leader says: "We had no idea that a reed instrument could be brought to such perfection."

The New York Observer says: "Its purity of voicing, richness of tone, and wonderful orchestral combinations, together with a number of new and original stops, render it an instrument of such perfection as to be beyond competition."

The press and public everywhere who have had an opportunity of listening to its beautiful strains, not only give it their unqualified approval, but unhesitatingly concede that it stands without a rival.

The Burdett Organ ranges in price from

$135 to $1000.

We have also New Cabinet Organs at $45, $75, $100, &c.
