On Main street, in Salisbury, is the handsomest block of stores to be found in North Carolina, so far as this deponent has observ-

The health of Salisbury is excellent. Its reputation for sickness is not warranted by its mortuary list or the number of its old people or the avoirdupois average of its ladies and gentlemen.

During a constant acquaintance of 12 years I bave known very few instances of death from acute disease-while I have been able to g'ean Revolutionary stories from some of its inhibitants who remembered the far away years of much of the 18th century. Few places can furnish a more interesting specimen of the octogenarian than the genial, in-

But the place has been greatly injured in reputation by the chills which abound at certain seasons of the year. If the citizens of Salisbury-the property-holders-knew just half of the terror with which the regions around regard their town on account of the malarial disease that afflicts it, they would ous character was arrested near this place bestir themselves to have the cause removed is a young minister of much promise, and on Christmas night, and committed to jail. if possible. Nobody desires to invest capital It has been known for some time that he | -nobody desires to settle with his familywas lurking in this county, and the owners nobody desires to spend a season of leisure in such a place. Valuable citizens and thousands of dollars in trade and property are kept away by the malarial ghoul. The question is not as to the reasonableness of these of getting out of prison whenever he feels things. They are stubborn facts-most rui- fidence. like it. It is difficult to say how long he nious to the interests of the noble old town If the intelligent citizens will, not see to it eral small rewards offered for his capture, that McCoy's pond is drained and the slugand the gentleman who made the arrest, gish adjacent creeks are opened-they must expect to lose trade and prosperity and transmit to their children homes that will insure rearful disadvantages in very many important respects. It is said that an effort will be made to remove these sources of chills this winter. If it is not done, Salisbury is doomed to a struggle to even hold its pre-

We do not agree with the corresponthis so early after starting his paper, is dent in what he says about our town esspecially the last paragraph, but give the whole as one view taken of us.

THE STATE UNIVERSITY.

The University of North Carolina was incorporated in 1789, Samuel Johnston and others Trustees. In 1792 the Institution was located at Chapel Hill, the citizens of Orange presenting to the Trus-tees 1180 acres of land. In October 1793 the corner stone of the College was laid, with Masonic honors by Gen. William R. Davie, Grand Master of the Grand Lodge A KITCHEN BURNED. -Quite early of North Carolina, and afterwards the Governor of the State.

> The College buildings were pronounced ready in 1795 and the Truestees selected Rev David Kerr as Professor, and Samuel A. Holmes as Tutor.

> Hinton James was the first student .-He arrived from Wilmington February 12, 1795, and began public instruction the next day So Wilmington, the great patron of North Carolina Rail Roads, was
