The statement of the public debt for the past month shows an increase of \$168,530.780. The payments" during the month have been heavy and the receipts light. The coin balance in the Treasury is \$74,359,275,74, and the currency balance is \$887,657,356. The special deposit of legal tenders for the redemption of certificates of indebtedness is \$25,370,000, and the coin certificates are \$23,263,000.
