LOOKOUT FOR THE MARK.
When you see a cross upon your paper, you may know that your time is up and you are indebted to the office, or that your time will soon be up. In either event send forward your subscription.

Mrs. FOSTER would be glad to take a few music scholars on reasonable terms. Please apply at once, at her residence on Church street. 2c:20

Several droves of mules and horses have passed through this place recently.

SUNNY SOUTH.—Read an article under this head, taken from the Christian (Ohio) Worker.

RAIN.—From early morn to the hour of going to press, we have had a steady rain here to-day.

SILL HOUSE BURNED.—We learn that Mr. Berry Foster's still house was burnt on last Monday evening. We were unable to learn the particulars.

BARGAINS are offered at Victor Wallace's cheap store. He is selling off his remaining stock of winter goods to make room for Spring goods. Go and see him.

RURAL CAROLINIAN for February has been received. We are always glad to see it, as we consider it by far the best agricultural journal we receive.

PARSONAGE TO BUILD.—The good people of Unity church, in this county, are going to build (at the church) a parsonage. They are inviting bidders for the work. Those wishing to bid on it, will find the plan and specifications at Mr. Knox's store, until the 15th of this month.

The funeral procession of Mr. J. T. Cuthrell, which proceeded from his residence to Oak Grove Cemetery, last Sunday evening, was quite large. He was buried by the Odd Fellows and the Patriarchs of the Encampment at this place, with the honors and ceremonies of the Order.

WESTERN EXPOSITOR.—This new paper has at last made its appearance. It is as bright as a new pin, brim full of news and interesting matter, and its editorials are forcible and clever. Messrs. T. D. Carter and W. T. Avery are the editors and proprietors. Printed at Asheville. Success to it.

MANSION HOTEL.—We have omitted to notice the change of Proprietors in this well known old House. It is now under the management of Mr. J. A. GEORGE, GAN, a careful, attentive and polite old gentleman from the Eastern part of the State. Having been recently repaired and freshly painted, it wears an air of cheerful comfort which is really inviting.

BRIGGS & BRO'S QUARTERLY for 1873.—This magnificent floral guide and seed Catalogue has been sent as by the famous seedmen and florists, Briggs & Bro. It far excels in beauty and gorgeousness of illustration, anything yet issued. Enclose 25 cents to Briggs & Bro. Rochester, N. Y., and get a floral guide worth five times the money.

SUDDEN DEATH.—Mrs. Elizabeth Fletcher, a woman who kept an house of ill fame, died very suddenly on Wednesday morning last. She took rather large drinks of whiskey and sat down to breakfast. Very soon she complained of feeling badly and requested to be put to bed. She died in about an hour after, suffering in mean time intensely. It was thought that there had been poison placed in the liquor, but no evidence to establish the supposition has yet been secured. A young man who had been frequenting the house and who carried the whiskey there, was placed under arrest, but was discharged by the jury of inquest.

The physicians cut open the woman and took out her stomach for examination. They could discover no cause of death and nothing unusual, with the exception of some fifty or sixty stones—about the size of a large pea which were found in the gall bladder, one of which was securely lodged in the neck of this bladder. It was thought that this circumstance was not sufficient to produce death so suddenly. The brain, in fact, the whole organization was apparently in a perfectly natural and healthy condition.

HOMER MADE CANDY.—We have been presented, by Mr. Alex. Parker, with several varieties of home-made candy, and we consider them equal if not superior to any of the Northern candies. The flavor is unexceptionable, and then we have the consolation of knowing that it is made of pure materials. Mr. P. can furnish the different varieties at what it will cost to get northern candy here. It is to be hoped that he will be encouraged.

A MISTAKE.—We understand that the New North State, at Greensboro, has a report to the effect that John Allen Ketchey had made his escape from the jail at this place, and also turned out other prisoners. This is one grand mistake. Ketchey is still in jail and has made no attempt to brake out since his capture last Christmas, and, as we learn from Sheriff Waggoner, there has been no attempt on the part of other prisoners to escape.

BURIALS IN SALISBURY ON SUNDAY.—A correspondence writing from Salisbury under date of the second inst., says: "Five burials here to-day. The wife of Dr. I. W. Jones, Mrs. Boston, Deputy U. S. Marshal J. T. Cuthrell, and two children of Mrs. Swink."—Raleigh News.

Three of these persons died in the country, and were brought to town for burial. The children of Mrs. Swink were dead born twins. All the other cases were of a chronic character—persons who had been for a long time sufferers. Mr. Cuthrell had consumption, we think. We make this statement to satisfy the public that no scourge exists here in the shape of some frightful disease.

SALISBURY AHEAD.—We are indebted to David L. Bringle, Esq., or Col. T. B. Long, or both combined, for securing letter-boxes and for having them arranged at convenient places for dropping in mail matter. Persons living in West Ward having letters to send to the office need go no farther than the corner of Main and Fisher streets, where they will find an iron box secured to the lamp post in which they may deposit their letters without going to the office. There are other points of deposit also, and they promise to be of great convenience to the citizens of the place. We commend the enterprising spirit of our post office officials as manifested by them to please the people as well as promote the public interest.

The establishment of these convenient mail deposit places in Salisbury ahead of her sisters in this State, and reminds one of Pennsylvania Avenue, Washington city, or Broadway, New York.

At the regular monthly meeting of the Board this date there were present T. G. Haughton, Mayor, J. I. Shaver, D. A. Davis, J. M. Coffin, Robert Murphy, J. J. Bruner and John Foster. Absent, J. H. Verble and J. A. Snider.

J. J. Bruner presented a bill for work at the graveyard. He had been employed by the Sexton, to whom, it was held, Mr. Minor must look for his pay.

Ordered, That all graves dug in either of the Cemeteries within the corporate limits, shall be sunk four feet deep to the offset or the board covering the coffin, for adults, and three to the boards for children under ten years old.

Application was made by Mrs. E. Pearson to have removed the additional assessment of \$560 made upon the value of her lot. The assessment having been made by the Board of assessors, The Commissioners decided that they had no jurisdiction in the matter, and that application must be made to the next Board of Assessors.

The Public Well was discussed, and it was decided that the matter having been submitted to a Committee, it was not proper that the Commissioners should interfere; but a desire was expressed that the work be prosecuted to completion.

The Shaver Brothers made application for license to retail spirituous liquors at the North-east corner of Liberty and Innis streets, one year from date. The application was allowed.

The following claims were examined and ordered to be paid:
One by J. I. Trexler for Policing, \$30 00
by George Hoffer for Sexton, 24 00

SALISBURY, N. C., Feb. 4, 1873.

The undersigned Committee appointed to draft Resolutions expressive of the feeling of this Lodge upon the death of Brother J. T. CUTHRELL, do respectfully submit the following:

WHEREAS, Almighty God in his inscrutable providence has removed from among us, and from earth, our worthy Brother J. T. Cuthrell.

Be it Resolved, That in the death of Brother Cuthrell our Order has lost a respected member, our community a humane and upright citizen, and his family a fond husband and indulgent father and protector.

Resolved, That while we would not intrude upon the sacred grief of his surviving loved ones, we would fain tender them our heartfelt sympathy and pray upon them the blessing of Him who has promised to be a "Father to the fatherless and widows' God."

Resolved further, That we wear the usual badge of mourning for thirty days; and that a copy of these Resolutions be furnished the family of our deceased brother.

THEO. F. KLUTTZ, Com.

Georgia proposes to buy Stone Mountain and build a State Penitentiary, at the same time selling enough granite to pay the cost. This looks as if Georgia is legislating really had an eye to other business besides their own.
