The startling drawback on nearly all medicine agents have ever been that in their process of purgation and purification they have also depilitated the system. To obviate this difficulty physicians long sought for an agent that would PURGEPURIFY AND STRENGHEN

At one and the same time, Their research has at last been rewarded by a liscovery which fully realizes the fondest desires of the medical faculty, and which is justly regarded as the most important triumph that Pharmacy has ever achieved. This important de-

sideratum is Dr. Tutt's Vegetable Liver Pill. Which purify the blood and remove all corrupt humors and unhealthy accumulations from the body, and yet produces no weakness or Jassitude whatever, but on the contrary tones the stomach and invigorates the body during the progress of their operation. They unite the heretofore irreconcilable qualities of a Strengthening Purgative and a Purifying Tonic.

Dr. Tutt's Pills are the most active and searching medicine in existence. They at once attack the very root of diseases, and their action is so prompt that in an hour or two after they are taken the patient is aware of their good effects. They may be taken at any time without res er nausea, graping or debility, and as a family medicine they have no rival. Price 25 cents a box. Sold by all Drggists.

Having become the sole Proprietor of the valuable Tract of Land formerly owned by Jeremiah Barringer, and located one mile South-West of Rowan Mills station, and having no use for it, I propose te sell it. This track comprising 6551 acres, is regarded by good judges de to suppose that the losses to be made up as as one of the very best and most eligibly situated har as practicable, falls on the honest paying ens. in the county. It is admirably adapted to the omers. They have determined to stop this way cultivation of corn, cotton, tobacco, and the of doing business, by selling at the lowest each grasses. There is at least 100 acres of bottom, and barter prices and credit no man who is of which about 75 is in cultivation. There is, also, an excellent dwelling and other out buildings in great number, a good well of water, &c., Persons wishing to see the land will apply to
