The Louisville Ledger adds the following particulars about him :

He said be would like to see them all togther, and thinks that it would be an interesting mixture of ages, sizes, sexes and colors. Besides he has grand-children, great grand-children. He has one are held responsible. daughter who has eighteen children, and all, but one or two of his children have more or less. It would be reasonable to estimate the average at ten. He has then 470 grand-children. Putting the whole 800 offspring.

His family appear to have been uncommonly vigorus. He has a sister living in Shelbyville, who is six years older than himself. He has had but one or two children to die. He is himself very stont. He affirms that he does not feel old age took a dose of medicine, He frequently delivery. walks from ten to twenty miles per day, and does not stay in the house except at night-sometimes not then. Last week he fished from sundown to sunup. - He chews and smokes, and drinks his dram. He has never used glasses, and can see to thread a fine needle. He walks without a cane. Every tooth in his head is perfectly sound. He is going to his home in Canada in a few days where he went some years ago with his wife and children. His wife died a few months ago, and he would be willing to take another with

AN AUTHORESS BURNED TO DEATH .-July 16th, a terrible and fatal accident two ounces. occurred at Whitfield. Herefordfhire, to Mrs. Clive, wife of Rev. Archer Clive, a part of the country with absolute safety. by landed proprietor and magistrate for the obtaining a Money Order, for which fees county chancellor and prebendary of are; Hereford Cathedral, and formerly rector of Solihull, near Birmingham. The deceased, known as the authoress of the brilliant, though eccentric novels entitled than \$20. volume of poems, and other works, was besides the regular postage to register a letwriting in her boudoir on Saturday even- ter. ing, surrounded by a number of books and a quantity of manuscripts, when a spark flew from the fire and ignited her dress. Before assistance could arrive the unfortunate lady, who for years had been a confirmed invalid, was burned most terribly. She died on the following morn-

THE NECESSITY OF SLEEP - It is reported that five young Belgians recently laid a wager that they would remain awake continuously for seven days. They kept up all manner of exciting exercises, and large quantities of coffee, and one of them won the bet, though with the loss of twenty-five pounds in weight. Two and broke his arm. This circumstance recalls a similar attempt made by Freder ick the Great, when Crown Prince of Prussia, to keep awake a certain number of days, and the almost fatal results to the Prince and his companions, who, in a drunken frolic, had made a foolish wager. Soldiers, printers, and members of various trades have been known, in emergencies, to go without sleep for many days. But then the object of the night watchers relieved the sufferers from the pains of their forced wakefulness.

REMEDY AGAINST CHINCHBUGS .-- The report of the Department of Agriculture, for 1871, mentions salt as a remedy against the chinchbug. The mode of applying the remedy is stated as follows: "Take a pail of water with a half gallon

of salt well stirred into it; with a small broom or bunch of feathers, sprinkle well a row of corn just ahead of the bugs, taking care that the ground between the hills is well sprinkled with the brine." The correspondent, who recommends the remedy to the entomologist, says: "The bugs generally commence in a corn field on one side and go through from row to row with almost as much precision as the plowman plowing the corn." The Report adds : This remedy is merely mentioned, as, We have had thirty year's experience in the should the chinchburg appear in various business, and warrant every gin perfect. Gins places in the field at once, the remedy constantly in the hands of our agents, to which Circulars containing a full list of prizes, a dewould be of little avail, and the brine if we invite inspection. too strong would undoubtedly injure the lars, may be had by addressing.

ANOTHER ROYAL MARRIAGE.—Prince Arthur another of Queen Victoria's sons. according to recent dispatches, is about to be married, though the reported act of betrothal has been denied. The bride THE SPIRIT OF THE AGE will present a pair elect is the Princess Thyra, of Denmark, the sister of the Princess of Wales. A scriber for 1873, who pays \$2 50 in advance for happy mother must be the Queen of Denmark. One daughter, if she lives, will be Queen of England. Another daughter, if Christian Parks of Lithographic printing; the printed surface of each is 22x28 inches, and the pictures sell in the Denmark. she lives, will be Empress of all the Rus- stores for \$2 50 per pair. sias. A son is by popular choice King of Rev. T. H. PRITCHARD, D. D., Contributing Greece. Another daughter is to be the wife of Priace arthur, of England-a man who may yet play a part in the history to the Home Circle, the Farmer, the Mechanic,

ble feature of the vegetation of there mountains is a kind of birch tree; when the rough, outside bark is taken off, ten or twelve layers of thin, smooth bark are ing, Wit and Humor, Agricultural, Corresponfound, which can be cut off in large flakes dence, an Epitone of the News of the Day, &c. of any width and the length of the circumference of the tree. This serves the natives for paper, and great quantities of it are used for writing, and for other purposes for which we use paper .- "A Visit to Cashmere," in Fraser's Magazine.

There appears to have been serious trouble with the negro troops at San One cony one year, (with 2 pictures,) Antonio, Texas. One of these soldiers had insulted the daughter of a Captain Tobin, who chastised him severely for it. The others became mutinous in consequence, and matters grew so serious that the officers in command could not control them, and had to call on armed citizens for assistance. It was promptly rendered, the n gro soldiers were ordered out of town, and quiet was restored.

NEWSPAPER LAWS.

We receive so many inquires as to the laws summary, which will cover all the questions that have been addressed to it:

1. Subscribers are considered wishing to

continue their subscription:
2. If subscribers ordering the discontinuace of their periodicals may continue to send 3. If subscribers neglect or refuse to take their periodicals from the office to which they

are directed, they are held responsible till they have settled their bill, and ordered them 4. If subscribers move to other places

without informing the publishers, and the papers are sent to the former direction, they 5. The courts have decided that refusing to take papers from the office. or removing and leaving them uncalled for, is prima facie

evidence of intentional fraud. 6. Any person who receives a newspaper and makes use of it, whether he has ordered together he must have now living 700 or it or not, is held in law, to be a subscriber and must pay for it.

Prospectus for 1873. -Sixth Top THE ALDINE,

An Illustrated Monthly Jan sails a mired to be the Hands Performation the World, A Lor rescutative and Champie. of American Taste

Not for Sale in Book or News Stores THE ALDINE, while issued with all regularity, has none of the temporary enter interest characteristic of ordinary paried It is an elegent miscellany of pure, high graceful literature; and a collection of page the rarest specimens of artistic skill, in and whit. Although each succeeding ten. affords a fresh pleasure to its friends, the traine and beauty of THE ALDINE will most appreciated after it has been bound up m the close of the year. While other publications may claim superior cheapness, as compan with rivals of a similar class, THE ALDINE is a unique and original conception-sing and unapproached—absolutely without compe-tition in price or character. The possessor a complete volume connot duplicate the quatity of fine paper and engravings in any other

shape or number of volumes for ten trues in cost; and then, there are the chromos, bender! ART DEPARTMENT

Notwithstanding the increase in the price of subscription last Fall, when THE ALDING CUT ILLUSTRATIONS, &C., assumed its present notice properties and ten-resentative character, the edition was more than doubled during the past year; proving that the American public appreciate, and will support a sincere effort in the cause of Art. The publishers, anxious to justify the ready confidence thus demonstrated, have exerted themselves in the utmost to develop and improve the work and the plans for the coming year, as unfolded by the monthly issues, will astonish and delight even the most sanguine friends of THE

> The publishers are authorized to announce designs from many of the most eminent artists of America. In addition, THE ALDINE will reproduce

examples of the best foreign masters, selected with a view to the highest artistic sucress, and greatest general interest; avoiding such as have become familiar, through photographs, or popus The quarterly tinted plates for 1872, will mproduce four of John S. Davis' inimitablechild-

sketches, appropriate to the four seasons. These plates, appearing in the issues for January April, July, and October, would be alone worth the price of a year's subscription. The popular feature of a copiously illustrated 'Christmas" number will be continued. To possess such a valuable epitome of the an world, at a cost so trifling, will command the subscriptions of thousands in every section of the country; but, as the assfulness and attractions

of THE ALDINE can be enhanced, in people tion to the numerical increase of its supporter. the publishers propose to make "assurance dos isiting, Party and Wedding Cards; ble sure," by the following unparalleled offers. Premium Chromos For 1873. Every subscriber to THE ALDINE who pays in a varice for the year 1873, will regeive, without additional charge, a pair of beautiful oil chromos, after J. J. Hill, the eminent king-lish painter. The pictures entitled, "The Vill-age Belle," and "Crossing the Moor," are 14.2 20 inches—are printed from 25 different planes, requiring 25 impressions and tints to parket

each picture. The same chromos are soul for \$30 per pair, in the art stores, As it istle deermination of its conductors to keep 71.2 41 DINE out of the reach of competition legariment, the chromes will be any ardingly alseed of any that ear other periodicals. Even subscrib-a certificate, over the signature of ers, gravastering that the clarashall be equal to the samples formed or the money will be refunded. To tion of pictures of this grade, free to bers to a five dellar periodical wan r poch in the history of Art; and, coreininprecedented cheapness of the price .

ALDINE itself, the marvel talls little at

a miracle, even to those best acquainted

the achievements of inventive genius at-

proved mechanical appliances (For ille) tions of these chromos, see November is to The Literary Department will continue under the care of Mr. RICHALL

HENRY STODDARD, assisted by the less writers and poets of the day, who will strive to have the literature of THE ALDINE always in keeping with its artistic attractions,

\$5 per annum, in advance with Oil Chromos Free. THE ALDINE will, hereafter, be obtainable only by subscription. There will be no reduced or club rate; cash for subscriptions must be sent to the publishers direct, or handed to the local agent, without responsibility to the publishers, except in cases where the certificate is given;
