GRAPES .- Our thanks are due Mr. N. W. Craft, of Red Plains, Surry county, for a lot of splendid grapes, from his extensive Nursery embracing five or six varieties, all in excellent preservation. There was one notable specimen, "the Salem," which far excelled the Ionia, Catawba, Ives, Norton, &c. &c., in respect to size and beauty, if not also in flavor. Samples of these grapes were on Mrs. E. B. Smith, Wednesday morning, at 9 exhibition at our Fair.

THE NEW FAMILY SINGER SEWING MASHINE

We claim and can show that it is the CHEAP- con the Stencil Plate and forward by return mail EST, most beautiful, delicately arranged, nicely if possible, free of Postage, adjusted, easily operated, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sea with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the INTER-LOCKED-ELASTIC-STITCH, alike on both sides of the fabric sewn. Thus, beaver cloth, or leather. may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or the tucking of tarlatan, or ruffling, or almost any other work which delicate fingers have been

known to perform. And with its simplicity of construction; ease of operation; uniformity of PRECISE action at any speed; capacity for range and variety of work. fine or coarse-leaving all rivals behind it.

We with pleasure refer the public to the Gold and Bronze Medals and Diplomas awarded to our Machines in America, Prussia, England, and and at all other places recently in Austria at the Exposition in Vienna, where they have been where we were awarded five Medals, Merit, Proexhibited.
