Telling of grief that filled her soul With strange alarm, As of coming harm Adown Life's way.

Had I saddened her heart with doubts and

Ofher truth to me through the coming years? Or burdener her soul with a cry for more Of the old-time love, now gone far o'er The ocean wide And ebbing tide Of shoreless Time?

Ah. no! for the tears she wept that day Were tears of g lef that the flowery way We had walked together since long ago Must be trod along when the darkened flow Of the river of Death Should drink the breath Of the first to go.

For the Watchman. RADICAL SPREEING.

One night far down on Second Creek Where reeds and rushes grow, A jolly party meets to seek Each others love to know.

Amid the merriments and glee There play'd in youthful pride A widow named Cledora B .-On forty's shady side.

She opened wide her kissing door-No teeth above-below. And sings again in sev'nty four The lays of long ago.

She held the hands of boyish youth, Not eighteen years old yet, And pressed the grand, delightful truth "A wife in me ye'll get."

She had at home a daughter sick, Requiring constant care But she was bound by love to stick To boys so young and fair.

Two hundred yards from where she stood And sweet sixteen displayed Her hen-pecked husband—call him good! In the cold grave was laid.

Surrounded thus, she little car'd For children Fortune gave-For husband once in flesh array'd Now moulding in the grave.

She had a son, black-headed Shan Among the reeling crowd Who with his mother shared the fun And with her sang aloud.

The widow Mary smoked her pipe. The midnight hour to greet And punched the fire with sparkling light To see the nimble feet.

Old farther Simson and bis wife For ever free from prayer Enjoyed the gushing glow of life Without religeous care.

And now where morning stars deploy-The game old rooster crows We leave them in their sportive joy Till Gabriel's trumpet blows MUCH MORE.

Instead of placing themselves in antagonism to the colored peo-ple the sensible whites set to work to conciliate them and gain their confidence. In 1869 they nominated for the Legislature two negroes whose views were in accord with their own, and elected them. There is a negro majority of about 1,100 votes in the county. Since then, by a continuance of the same conciliatory policy, the Conservative whites have been gradually increasing their influence over their colored neighbors until at last this negro county, with its vast preponderance Senate Major RAGLAND, a white Conhundred and fifty over a carpet-bagger by the name of EDDY, who ran against him. the Southern States are identical; the prosperity of the former masters is essential to that of the freedmen, who depend mainly upon them for employment and subsistence. THE NEW FAMILY SINGER SEWING MACHINE

We claim and can show that it is the CHEAP EST, most beautiful, delicately arranged, nicely adjusted, easily operated, and smoothly running of all the Family Sewing Machines. It is re-markable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the INTER-LOCKED-ELASTIC-STITCH, alike on both sides of the fabric sewn. Thus, beaver cloth, or leather, may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or the tucking of tarlatan, or ruffling, or almost any other work which delicate fingers have been known to perform.

And with its simplicity of construction; ease

of operation; uniformity of PRECISE action at any speed; capacity for range and variety of work, fine or coarse—leaving all rivals behind it.

We wish pleasure refer the public to the Gold
and Bronze Medals and Diplomas awarded to

Each additional four ounces or fraction Newspapers.—Newspapers sent from the our Machines in America, Prussia, England, and office of publication may be prepaid at the recently in Austria at the Exposition in Vienna, where we were awarded five Medals, Merit, Progress, and three for articles manufactured on our Machines. But it gives us much greater pleasure, to present to the public the sworn returns of sale, (to which any one can have recess) of the differ-ent Manufacturers of Machines, for the last four years, made to the receiver appointed by the lars, maps, prints, engravings, music, cards, owners of valuable Sewing Machine Patents, and photographs, types, cuttings, roots, seeds, which shews the precise number of machines

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the na-tive herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked. "What is the cause of the unparalleled success of VINEGAR BIT-TERS!" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renevator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a centle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious

Diseases The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Dinretie, Sedative, Counter-Irritant Sudorific, Alterative. and Anti-Billous.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver. and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various or-gans, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the darkcolored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver. and generally restoring the healthy

functions of the digestive organs. Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epalemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headnche, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizzmess, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitatation of the Heart, Inflammation of the Lungs, Pain in the region of the Kid neys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. For Inflammatory and Chronic Rheumatism, Gont, Bilious, Remittent and Intermittent Fevers, Diseases of

the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood. Mechanical Diseases, - Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a close of WALKER'S VIK-

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities will free the system from worms like these Bitters. For Female Complaints, in young

or old, married or single, at the dawn of womanhood, or the turn of life, these Tonie Bitters display so decided an influence that improvement is soon perceptible. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores;
