We shall publish such laws as we may be able to obtain.

BROTHER EVANS, of the Milton Chronicle, produces the following excellent hit, which we find no trouble in endorsing and recommending to the general rea

"Once in time-as tradition runsthere was an editor who undertook the job of crawling on his knees and publishing a newspaper that would please everybody and give offence to none. Not an article was to appear in it, at any time the least objectionable to any of its readers. So to work he went-asking this man and that what he thought of the propriety of his copying such and such articles from the newspapers, and not daring to write an editorial article without first calling a public meeting of the citizens of the Village to know what he must write about and how he must write it so as to please all and displease none. The result was the poor wretch, who humbly crawled upon his knees to please. gol badly whipped and never issued a paper, for the reason that no half dozen of the citizens could agree on what ought and what ought not to be published."

We made a flying trip to Raleigh Debt question settled by the Legislature, that body being virtually adjourned when we reached that city. We intended also to-have the members re-adopt the provision of the election law with respect to the for next Monday night Feb. 23rd at Meselection of two Supreme Court Judgesto have them pass a law taxing worthless curs and in favor of wool growers,-remodel the School laws, complete the revision until its organization, free of late Governor W.
