FEBRUARY 19.

Florida Oranges at R. W. Price's

Died—In Stanly county, on the 16th inst. Mr. Green B. Ross, at the advanced age of 87 years—Mr. Ross was a good citizen, and leaves many relatives to mourn their loss.

The brush which fell upon the streets during the late snow still remains in Raleigh, where the sleet and destruction of shade trees were equally bad as here, there is not a brush to be seen.

Sudden Death.—Mr. John McConeghy died suddenly of apoplexy, last Friday morning. He was in town on Tuesday. He was about seventy-four years of age.

See advertisement of Mrs. Evans' Boarding House, Raleigh, N. C. Mrs. Evans keeps a first class house and it is a very desirable place for a gentleman and his wife who may be visiting Raleigh for a short time, to stop.

Warranted Garden Seeds.—Attention is called to the advertisement of choice garden seeds by Edward J. Evans & Co. They have for sale Seeds, Bulbs, Plants &c. Their prices are moderate and everything is warranted.

Godley's Lady's Book for March.—This handsomely illustrated periodical, which to the ladies is always a welcome visitor, is received. It is an usual well filled, bright and interesting. As a magazine of fashions it stands at the head of the list.

A Mistake.—Referring to the Carolina Military Institute last week, we stated that General D. H. Hill was connected with it. We have learned since that this is a mistake, and that the General has no connection with it whatever.

Edward Mr. Samuel Elliott's little daughter who was burned so badly as to cause death at the School house near Salem Church, last week, and the Widow Elliott's daughter, as stated in the last Watchman. This was the mistake of our informant.

Arrested.—A German was arrested here last Saturday and, after a hearing before T. G. Haughton, Esq., committed on the charge of horse stealing. The thief was committed in Va. He has since been identified and we presume a requisition will be made for him by the Gov. of that State.

Crawford's Range.—This is the name of a new Post Office just opened in Providence Township, about 1 1/2 miles below the Hatter Shops. Western G. Hamilton is P. M. It is to be regretted that this office was not opened at the old stand, the Hatter Shops. Many more persons would have been accommodated.

The Crescent.—This is to be the title of a new evening Paper soon to issue from Raleigh, under the editorial management of Mr. T. B. Kingsbury. late of the Raleigh Standard. Mr. Kingsbury's well known ability renders it unnecessary for us to say that the Evening Crescent will be fresh, spicy, and high-toned. The subscription price for daily is \$5.00, for weekly, 1.50.

Found.—Mr. H. M. Sossaman while removing some hay from an old house, near McCreely's Mill, found two carpet sacks, containing 1 coat, 2 vests, 2 pairs of boots, and some loose coffee. The articles are new and but little damaged. They are thought to be stolen goods. The owner can have them by proving property and paying cost.

What is the Matter.—A subscriber at Red Plains, N. C., writes us that the paper reaches him about ten days after its publication here. Why is this the case? This mail is put in the office at this place on the evening of the day of publication, and subscribers in the neighborhood of Red Plains ought to get their papers by the Sunday following at least. We hope the proper authorities will correct the evil complained of.

Beautiful Painting.—While in Raleigh a few days ago we visited the Catholic Church to see the beautiful painting just completed, by Mr. Chas. Kraus, late of this city. Four portraits, representing the four Evangelists, Matthew, Mark, Luke, and John, are painted on the ceiling in a circle immediately over head and are unusually well executed. The painting representing St. Patrick, looks like an elegant etching, and does great credit to the taste and skill of the artist. Mr. Kraus, who has an engagement to execute several other paintings for that church.

On Tuesday, Street, Sunday night the 8th inst., a ribbon and breast pin attached, which the owner can have by describing the property and paying for this notice. Apply at Capt. J. A. Kanawha's office, on Main Street.

Safe Robbery.—Mr. Edwin Shaver's safe was robbed last Saturday of \$120. The thief was a little white boy about ten years old.

Concert.—See advertisement of the Theatrical Dramatic Troupe. The bills circulated on the streets, put the Price at 75 cents. This is an error. The Price of admission to this entertainment will be 50 cts.

How is this for a valentine? Josh Billings gives the following advice to young men: "Don't be discouraged if your mustash don't grow. It sometimes happens that where a mustash dux the best nothing else do grow."

Our Representatives.—Senator Price and Dr. Luckey came up Monday night. Kerr Craig, Esq., having taken out himself a wife, did not come up, but will be here in a few days. Few counties or senatorial districts can boast of a representation such as we have had in the last Legislature. They were always on hand, and faithful and true to their charge. But a minority of good men can not effect much in a body whose majority is incompetent, reckless, and indifferent to consequences.

Raped.—It is reported here that a white lady, Miss Lingle, was raped in the neighborhood of Organ church, Rowan, last Friday, by some fiend yet unknown. Miss Lingle was returning from a visit to a neighbor's house when she was attacked from the road side by a white man whom she had never before seen. The wretch seized her when a struggle ensued which lasted until the poor girl was exhausted. We hear that the girl's clothes were badly torn and herself badly bruised and choked. The country around has been searched, but the miscreant has not yet been apprehended. It is to be hoped, however, that he will be overtaken soon.

It affords us pleasure to call the attention of our readers to the advertisement, in another column, of Messrs. Poole & Hunt, Baltimore, Md., whose reputation as Manufacturers of first-class machinery is preeminent in the South, and second to none in the United States. For nearly a quarter of a century they have been prominently before the public, year by year strengthening their claims to public confidence, until, to-day, with an immense establishment, as perfect in its appointments as experience and mechanical skill can make it, they can send forth every article of their manufacture perfect and accurate in all its parts, as tested by the fixed and high standards by which their work is regulated. They who have used their machinery can best vouch for the truth of what we have asserted.

Building and Loan Association.—As will be seen by reference to proceedings published in another column, a very successful public meeting in the interest of this Association was held in Meroney's Hall on Monday night last. Short but effective addresses were made by Messrs. Theo. F. Klutz, Rev. F. J. Murdock, and H. W. Scott, Esq., in explanation, of the practical workings and benefits of such Associations, after which subscriptions were made to the amount of 100 shares, making the total subscribed 200 shares, representing the aggregate amount of \$40,000. This secures beyond peradventure the success of the undertaking, and argues well for the energy and public spirit of our citizens. These Associations have been of great practical benefit in Raleigh, Charlotte, Statesville, Asheville and other places around us, and it is the opinion of our best business men, and most experienced financiers, that it will work well, and prove eminently successful here. We trust that all our citizens will attend the next public meeting on the night of next Monday 23rd, inst., when it is confidently hoped a sufficient number of shares will be subscribed to effect an organization.

The report of the death of Dr. Livingston has been confirmed. It took place the 15th of last August.

MORE KU KLUX PARDONS.—WASHINGTON, Feb. 14.—Julius Howe, of S. C., who was convicted of Ku Klux crimes, and imprisoned at Albany, has been pardoned.

The extraordinary advance in the cost of cigars imported from Havana within the past few weeks has been the subject of much comment lately in that important branch of business. Some of the more popular brands and sizes cost to day, as compared with importations of a date no further remote than the 1st, from \$20 to \$40 per thousand advanced.

So bitter was the controversy over the election of a Bishop in the Episcopal Convention held at Milwaukee, Wisconsin, that no agreement could be had. So the Convention has adjourned until June.

The Grangers of Virginia are preparing to "go for" the canine race in that State. The dog is to be voted a nuisance by the Legislature, he having become antagonistic to the growth of wool in that State. We see no reason why the dog should not be taxed along with his betters, regardless of his previous condition of servitude. Let the canines throughout the South be put upon their good behavior, and we venture the assertion that our land will be less "howling" wilderness than it has been for many years past.—Raleigh News.

GOVERNOR VANCE.—This distinguished gentleman lectured at the Masonic Temple in Baltimore, on last Friday night, under the auspices of the Bryant, Stratton & Sandler College. His subject was "The Scottish Nation" and was listened to with the greatest interest by an audience of about eleven hundred persons.

THE LIQUOR BILL.—One of the most important bills passed by the Legislature was a bill requiring an election to be held in any township when one-fourth of the voters petition to that effect, to submit the question to the qualified voters as to whether there shall be spirituous liquors sold within the township. It is believed that this bill will work great good in many communities.—Sentinel.

The Piedmont Press says that the farmers of that section have nearly \$100,000,000 in National Banks.

MARRIED.—On the 12th of February, 1874, by Rev. H. M. Brown, at the residence of Crawford Peeler, Mr. Calvin A. Jacobs, and Mrs. Eve Louisa Klutz, all of Rowan county.

DIED.—At his residence in Rowan county, Jan. 22nd 1874, John Shuman, Jr. aged 68 years 2 months and 7 days.
