First Introduction.

Adam—Madam, I'm Adam,
Eve—Adam, I'm Madam.
[No one objecting, they embrace.]

I saw Esau kissing Kate;
The fact is, we all three saw;
I saw Esau, he saw me.
And she saw I saw Esau.

A young man sought to secure his sweetheart by strategy, he took her out for a boat ride and threatened to jump overboard into the lake if she didn't consent to marry him. But it did not work. She offered to bet him a dollar that he daren't dive in.

A girl, hearing her mistress ask her husband to bring "Dombey and Son" with him when he came home to dinner, set two extra plates for the expected guest.

Judge Cloud is an original, if not a very learned Judge. The *Western Sentinel* informs the public that when Dr. R. K. Gregory applied to this legal luminary for an order to force the Coroner of Surry county to hold a post mortem examination of the Siamese Twins, he rendered the following summary decision: "Go to hell!—Thar now."

The Pacific *Rural Press* thus sums up the object of the Patrons of Husbandry:

1. The ennoblement of labor and the producing classes.
2. Bringing more closely together the producer and consumer.
3. Mutual instruction. The lightening of labor by diffusing a better knowledge of its aims.
4. Social culture.
5. Mutual relief in sickness and adversity.
6. Prevention of litigation.
7. Prevention of cruelty to animals.
8. The overthrow of the credit system.
9. Building up and fostering home industry.
10. Mutual protection to husbandmen against Sharpers and monopolists.

Suits were instituted Saturday in the Superior Court of Wake county, says the Raleigh *News*, by August Belmont & Co., bankers of New York City, as plaintiffs, to compel the State Auditor to collect the special taxes levied on all the taxable property in the State by the several acts of the General Assembly creating the Special Tax Bonds, for the payment of the interest for the years 1870-'71-'72-'73 and '74. The 20th day of the present month has been set by Judge Watts for hearing, at Chambers, in this city, the motion for a peremptory mandamus. Hon. Reverdy Johnson, Walter J. Budd and R. C. Badger appear for plaintiffs. Should the State Courts decide adversely to plaintiffs it is the intention of the counsel to carry the cases to the Supreme Court of the United States.

The Twins.

CARRIED NORTH FOR AUTOPSY

Owing to the fact that the sleet interrupted telegraphic communication between this city and Greensboro, we were unable yesterday to furnish our readers with information concerning the movements of the scientific party which visited Mt. Airy for the purpose of securing the bodies of the Siamese Twins. Below is a brief letter from our correspondent, dated Greensboro, February 4th:

The Siamese Twins arrived here at 10 o'clock A. M. and went north at 1½ o'clock P. M., in charge of Drs. Pancoast, Allen and Andrews. It is supposed they are now the property of the Philadelphia Medical Society, and they are being taken to Philadelphia for an autopsy and other scientific purposes.

The wonderful pair were found well preserved, nothwithstanding the reports of hasty interment.

The broad chair used by them was also with the party. It is a common home made split-bottom affair, about 3½ feet wide.

What is Farming?

Says the *Rural New Yorker*:

There are two classes of so-called farmers. One of these classes says farming does not pay; the other asserts that it does. This suggests the questions: Why is there this difference of opinion? If John Johnson or George Gedds, or a score of other men we could name, should assert that farming does not pay, we should be inclined to believe there was something in it! But we never have heard that they made such an assertion Who do take the negative of this question? Are they men who make agriculture a study? Are men known as model business men and who base their assertion upon incontrovertible facts and figures, realized from intelligent, economical and yet liberal treatment of soils, crops, live stock, &c.? Can these men give us an definition of farming? We are anxious to be enlightened on this subject. Will not some one who believes farming will not pay give us the grounds of his belief, based upon a clear definition of what he means by farming, with the facts and figures in detail relative to the management of his farm? We are anxious to get at the root of this matter—to know whether the reason why farming does not pay certain men is due to the soil, climate, location relative to markets, want of adaptation of crops cultivated to the market demand, management, railroads, middle men, taxes indolence or ignorance? Who will be the first to tell us what farming is and why it will not pay?

Grace Greenwood, in a recent Washington letter, tells a little story of a family of Missouri "crackers," careless, shiftless, and intolerably lazy, the daughters of which were accustomed to go barefoot, till the soles of their feet became hard like unto horn. One of these young ladies, on coming home one day from a long tramp in the rain after the cows, was standing on the hearth drying her clothes, when her old mother drawled out, "Sal, thar's a—live—coal—under—yer—foot." The girl slightly turned her head, and drawled back, "*which*—foot mammy?"

NEWSPAPER LAWS.

We receive so many inquires as to the laws governing the circulation of newspapers, that we find it necessary to publish the following summary, which will cover all the questions that have been addressed to us;

1. Subscribers are considered wishing to continue their subscription.

2. If subscribers ordering the discontinance of their periodicals may continue to send them until all arrearages are paid.

3. If subscribers neglect or refuse to take their periodicals from the office to which they are directed, they are held responsible till they have settled their bill, and ordered them discontinued.

4. If subscribers move to other places without informing the publishers, and the papers are sent to the former direction, they are held responsible.

5. The courts have decided that refusing to take papers from the office, or removing and leaving them uncalled for, is *prima facie* evidence of intentional fraud.

6. Any person who receives a newspaper and makes use of it, whether he has ordered it or not, is held in law, to be a subscriber and must pay for it.

THE NEW FAMILY
SINGER SEWING MACHINE.

We claim and can show that it is the CHEAPEST, most beautiful, delicately arranged, nicely adjusted, easily operated, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the INTERLOCKED-ELASTIC-STITCH, alike on both sides of the fabric sewn. Thus, beaver cloth, or leather, may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or the tucking of tarlatan, or ruffling, or almost any other work which delicate fingers have been known to perform.

And with its simplicity of construction; ease of operation; uniformity of PRECISE action at any speed; capacity for range and variety of work, fine or coarse—leaving all rivals behind it.

We with pleasure refer the public to the Gold and Bronze Medals and Diplomas awarded to our Machines in America, Prussia, England, and recently in Austria at the Exposition in Vienna, where we were awarded five Medals, Merit, Progress, and three for articles manufactured on our Machines. But it gives us much greater pleasure, to present to the public the sworn returns of sale, (to which any one can have access) of the different Manufacturers of Machines, for the last four years, made to the receiver appointed by the owners of valuable Sewing Machine Patents, and which shews the precise number of machines sold by each Company.

VINEGAR BITTERS
PURELY VEGETABLE FREE FROM ALCOHOL
DR. WALKER'S CALIFORNIA
EUREKA
P
VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked. "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against diseas by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminitics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
