We are having sopious April showers. Greensboro last Monday.

Easter Monday was observed hereabouts pretty generally by all classes as a fishing festival.

Salisbury has a barber that shaved 1, 120 persons last year, and it was ut a good year for shaving either. - Wil. Journal.

There is a typographical error in the above. It should be 10,120 persons in-

column. In addition to the stock on hand known to contain rich mines of ore. the North markets.

Soda Fountain. - We notice that Mr. Theo. F. Klutiz, Druggist, has just received a new Soda Fountain. It is fine one-the newest patern, with all the latest improvements.

last Friday. They were the property of talists is beyond all question. Mr. J. W. Hackett, and came from Wilkes They will be slaughtered for this market in a few days.

to keep the streets in good repair; but If it globe." don't mind its latter end will not be so more mud ! is the watch word. Where tablished" is that Brush-moving Commissioner ?-Echo, answer where!

LOCAL It has been suggested that there are subjects of local interest of sufficient importance to our citizens to justify the calling of a public meeting for mutual conference. ularly business men and property owners. And we have been requested to give notice for a meeting at Meroney's Hall, next Monday evening, and invite public attendance. A more definite explanation of objects will that of the Court. be given at that time and place.

A NEW GOLD MINE-We are reliably informed that a new Gold Mine has been discovered by Mr. Roark on or near Dun's Mountain which promises great richness. As far as it is explored, every indication is that it is of great value .-Messrs. Boark and Crowell have the lands term. leased and will, we learn, proceed to

balloon fell near Holtsburg, in Davidson county, on Sanday night last. It was made of colored paper, and falling on Sunday night suggests that it came from a great distance, or else some one raised it ers into Charlotte and Mecklenburg counon Sunday. The fire was all out when it ty. Our friend, J. Springs Davidson, of came down. It was first seen floating through the air by some negroes, who believed it was a ghost, and this idea was a grave yard, that Cuffic exclaimed dur ! Dr. H. J. Harris' patented balloon's, all supplied with white persons from abroad, the way from Shreveport, La.

The working people of both colors are the only ones who can thrive in this coun-

were all the causes to which the fact is Charlotte Democrat. attributable, there would be well grounded hope of getting over them in the not very distant future ; but we fear there are other causes in operation which have something them before it be too late. We believe that business can be greatly increased and proper steps be taken in time to do it.

the way they have of making business? Every sensible man who has tried it knows that judicious advertising will pay. We believe the business of this place could a barn.

be greatly increased by it; for we know our business would be, and on the principle that when one prospers all prosper, we are persuaded that if we grow rich all ricon, Republican, received 40,042; Inger-our neighbors and fellow-citizens will become rich also. We are therefore induced tionist, 4,826; scattering 19. Ingersoll's to make the auggestion to our business plurality, 5,942, and majority over all, 1,men and urge them to try it. Send in your advertisements, gentlemen, this is the way to get your money back and no mistake. Every business man in the place

cost much to try it. But how many stores have we got ? We sent out eighteen cards, containing our reduced rates, with orders to leave one at are so many stores it takes the more adcharge for this. Send in your cards, gen- dead."

gold is to be found almost any where in Rowan county. It is probably richer in his precious mineral than any other coun- tention was paid to the matter until Tuesday ty in the State, or at least, it has been of last week, when he was taken very sick, more developed; although Montgomery, See the advertisement of Mrs. S. W. Anson, Cabarrus, Davidson, Randolph was summoned, but the patient continued to See the advertisement of arts. On Anson, Caurity, Davidson, See the advertisement of arts. On and other counties in this section are hibited all the signs of hydrophobia. On she is meckly adding new articles and believe that this section of North Carolina which it required the combined strength of promptly filling all special orders, from is equal in rich gold mines to the most only reason that these gold deposits have not attracted larger numbers of capitalists and produced more fass, is attribuable to the great modesty of our people, and their neglect to make known the existence of these mines to the world. Just now our Fine Beeves. The finest beeves people are too poor to develop them. But that have been offered in this market for that this immediate section of the State many years, passed through our streets is one of the most inviting fields for capi-

Says the Newton Vindicator and Watchman of the 6th inst: "A sad accident, in which Willie Beard, a youth of ought to have a card in the Watchman. 12 or 14 years lost his life, occurred about Go in lemons and get squeezed-it won't one and a half miles from Newton last Monday evening. The boy was bauling rails with a two horse wagon, and it is supposed that the rails slipping forward threw him in front of the fore wheels, and becoming entangled with the lines held reduced rates, with orders to leave one at becoming entangled with the lines field in his hand, he was dragged hearly fifty like enough to go round. When there like enough to go round. When there by lacerating his head, and breaking one like enough to go round. When there by lacerating his head, and breaking one like Prostate Philadelphia, Pa. Judge Dick's Federal Court met at each store, but there was not any thing in his hand, he was dragged hearly fifty bly lacerating his head, and breaking one arm. A neighbor saw the horses running vertising to make them pay. We don't but did not get to them until the boy was

DEATH FROM HYDROPHOBIA .- A young A Gold Country.—It is a fact that man named John Morgan, residing about eight miles from Baltimore, on the Hartford road, was bitten by a dog about eight months ago. The wound healed, and very little atand two hours afterwards both his shoulders and arms became paralyzed. Medical aid We Monday last he was seized with a fit, during TWENTY-EIGHT THOUSAND THREE HUNthree men to hold him in bed. He suffered the most intense agoLy until late in the afvalued portions of California. And the ternoon, when death came and relieved him Townsontown (Md.) Union.

RABID BRUTES .- About the 1st of Janfary a mad-dog made his appearance in the Spring Creek settlement, in Madison county, and succeeded in biting several dogs before he was killed. These dogs in turn became rabid, and several weeks ago one of them bit a little girl named Waldrup, but as vet she has exhibited no signs of hydrophobia. They also bit several hogs, which shortly after were effected with spasms, and in all other respects like the animals by which they had been bitten. The neighborhood is terrible alarmed, and the farmers keep their doors and windows fastened. Both dogs MESSRS. EDITOR: In your editorial symptoms of the terrible disease. One far.
