Christ does not say, "I will overcome the world; but I have overcome the world." Claim His victory, and it is "Jesus has fought our enemy and has overcome him. If our faith wil only recken him to be overcome, and will dare to raise the shout of victory when it comes in sight of any foe, we shall surely find as the Isrælites did, that every wall will fall down flat, and that a pathway will be opened up straight before us to take the city.

The faith that can shout in the midst of the sorest temptation, "Jesus saves me; He saves me now !" Such a faith will be sure to win a glorious and a speedy victory. For this is the victory that overcometh the world, even our faith.

THE NEW FAMILY SINGER SEWING MACHINE.

We claim and can show that it is the CHEAP-EST, most beautiful, delicately arranged, nicely adjusted, easily operated, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the INTER-LOCKED-ELASTIC STITCH, alike on both sides of the fabric sewn. Thus, beaver cloth, or leather, may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or the tucking of tarlatan, or ruffling, or almost any other work which delicate fingers have been known to perform. And with its simplicity of construction; ease

of operation; uniformity of PRECISE action at any speed; capacity for range and variety of work, fine or coarse—leaving all rivals behind it. We with pleasure refer the public to the Gold and Bronze Medals and Diplomas awarded to our Machines in America, Prussia, England, and recently in Austria at the Exposition in Vienna, where we were awarded five Medals, Merit, Procress, and three for articles manufactured on our Machines. But it gives us much greater pleasure,

to present to the public the sworn returns of saie, to which any one can have access) of the different Manufacturers of Machines, for the last four years, made to the receiver appointed by the owners of valuable Sewing Machine Patents, and which shews the precise number of machines sold by each Company.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the uso of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BIT-TERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, perfect Renovator and Invigorator the system. Never before in the istory of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. In their treatment, a purgative, exerting a powerful influence upon these various orgaps, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the darkcolored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy

functions of the digestive organs. Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemie can take hold
