A New and Wonderful Kind of Cotton.

Gustave Adolphus, a correspondent of the Chronicle and Sentinel, who has been ruminahung for rape ! The negro population in ting down in Southern Georgia, and a few miles beyound the Florida line, tells a wonderful story about a new kind of cotton which he thinks is destined to put all others to flight an ! revolutionize the entire cotton culture :

I rode several miles over the line, to see a new specimen of cotton, and I assure you my astonishment when I predict an entire revolution in the present growth of that article, grow-ing out of this Asiatic species, now being raised upon a small scale by Mr. Hyack Bellyminger, at Soap Floating Springs, in Florida, six miles paper which is about to be started in New York. THE NEW FAMILY SINGER SEWNG MACHINE.

EST, most beautiful, delicately arranged, nicely adjusted, easily operated, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection using silk twist, linen or facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the INTER-LOCKED-ELASTIC-STITCH, alike on both sides of the fabric sewn. Thus, beaver cloth, or leather may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or the tucking of tarlatan, or ruffling, or almost any other work which delicate fingers have been known to perform. And with its simplicity of construction; ease

of operation; uniformity of PRECISE action at any speed; capacity for range and variety of work, fine or coarse—leaving all rivals behind it.

We with pleasure refer the public to the Gold and Bronze Medals and Diplomas awarded to our Machines in America, Prussia, England, and recently in Austria at the Exposition in Vienna where we were awarded five Medals, Merit, Progress, and three for articles manufactured on our Machines. But it gives us much greater pleasure to present to the public the sworn returns of sale (to which any one can have access) of the differ ent Manufacturers of Machines, for the last four years, made to the receiver appointed by the owners of valuable Sewing Machine Patents, and

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the na-tive herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked. "What is the cause of the unparalleled success of VINEGAR BIT-TERS?" Our answer is, that they remove the cause of disease, and the patient re-covers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious

In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the darkcolored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold

lurking in the system of so many thousands,

Bitters display so decided an influence that improvement is soon perceptible. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores: cleanse it when you find it obstructed and sluggish in the reins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system
