"About ten years ago, while residing in New Jersey, I had a violent attack of chills and fever. The chill would come on regularly about ten o'clock, and continue for nearly two hours, followed by a burning fever for Salisbury, N. I could get no refreshing sleep either by night or by day; the medicine prescribed for me by physicians gave me no relief, and I was fast sinking into the grave. THE NEW MILY EWNG MACHINE.

We claim and can show that it is the CHEAP EST, most beautiful, delicately arranged, nicely adjusted, easily operated, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the INTER-LOCKED-ELASTIC-STITCH, alike on both sides of the fabric sewn. Thus, beaver cloth, or leather, may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or one tucking of tarlatan, or ruffling, or almost any other work which delicate fingers have been known to perform.

And with its simplicity of construction; ease of operation; uniformity of PRECISE action at any speed; capacity for range and variety of work, fine or coarse—leaving all rivals behind it. We with pleasure refer the public to the Gold and Bronze Medals and Diplomas awarded to our Machines in America, Prussia, England, and recently in Austria at the Exposition in Vienna, where we were awarded five Medals, Merit, Progress, and three for articles manufactured on our Machines. But it gives us much greater pleasure, to present to the public the sworn returns of saie, (to which any one can have secess) of the different Manufacturers of Machines, for the last four years, made to the receiver appointed by the owners of valuable Sewing Machine Patents, and

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked. "Wha' is the cause of the unparalleled success of VINEGAR BIT-TEKS ?" Our answer 's, that they remove the cause of disease and the patient recovers his health. They are the great blood purifier and a ife-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is beir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and V sceral Organs 12 Billious

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient. Diaphoretic, Carminative. Nutritious, Laxative. Diuretic, Sedative, Counter-Irritant Sudorific, Alterative. and Anti-Bilious.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilions, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Onio, Missouri, Illinois, Tennessee, Cumberland, Arkausas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others; with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the darkcolored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed. Dyspensia or Indigestion, Headnche, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour
