A PRINCESS-BEGGAR.-A dispatch says that the Princess de Bourbon (Mme. Perkius), whose husband is now in prison in Paris, is utterly destitute, with three children, begging for work and endevoring to borrow the pittance of twenty dol. lars, and that her aunt, the ex-Queen of Spain, lives only a few doors off, but refuses to help her. This is the same Infanta Maria Isabella de Guronski de Bourbon who only a few years ago was married with much pomp and circumstance to Mr. Perkins, the United States Consul at Lisbon. The royal republican pair went to Paris, and for about three years lived on the expectancy of the bride's aunt, the ex Queen, and the assurances of the groom that a large fortune in America was coming to him. Matters went from bad to worse until Mr. Perkins owed a board bill of something like eight thousand ed. The court adjudged the ex-Consul a swindler, and sentenced him to one 28th, Cabarrus and Stanley, Dr. Geo. Anderyears imprisonment, and the Princess was eft destitute with her three children.

> COMPORTS AND LUXURIES OF THE FARM. -There is a class of farmers who are living only to grasp more acres. Their farms can never be large enough, nor can their workmen or themselves ever do quite enough work. They cannot be satisfied with the income of a farm, nor could they with that of any other business. But those who understand that the highest object of labor is not to make money, but to provide the largest amount of means of improvement and innocent enjoyment that the world affords, can make the pursuits of agriculture furnish more luxuries that really contribute to our well-being than auy other employment requiring an equal amount of capital. Their above. arms are not so large as to make slaves of themselves and their sons, and their wives and their daughters are not worn out with incessant drugery. Their door-yards blossom with flowers, their tables are supplied with many varieties of well-grown, delicious fruit. their houses are made cheerful by the influence of books and music. and a taste for the pure and innocent enjoyments of life is developed in their children. Here and there a farmer's home exemplifies all the contentmeut and happiness possible to a race doorn ed to labor and disappointment .- Practical

THE NEW FAMILY SINGER SEWNG MACHINE.

We claim and can show that it is the CHEAP est, most beautiful, delicately arranged, nicely adjusted, easily operated, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the INTER-LOCKED-ELASTIC-STITCH, alike on both sides of the fabric sewn. Thus, beaver cloth, or leather, may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or one tucking of tarlatan, or ruffling, or almost any other work which delicate fingers have been known to perform. And with its simplicity of construction; ease

of operation; uniformity of PRECISE action at any speed; capacity for range and variety of work, fine or coarse—leaving all rivals behind it. We with pleasure refer the public to the Gold and Bronze Medals and Diplomas awarded to our Machines in America, Prussia, England, and recently in Austria at the Exposition in Vienna, where we were awarded five Medals, Merit, Progress, and three for articles manufactured on our Machines. But it gives us much greater pleasure, to present to the public the sworn returns of saie, (to which any one can have secess) of the different Manufacturers of Machines, for the last four years, made to the receiver appointed by the owners of valuable Sewing Machine Patents, and which shews the precise number of machines

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "Wha' is the cause of the unparalleled success of VINEGAR BIT-TERS!" Our answer is, that they remove the cause of disease and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinkgar Bittreas in healing the sick of every disease man is heir to. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no eathartic for the purpose equal to DR. J. Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Elood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases. - Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VIN-EGAR BITTERS occasionally. For Skin Diseases, Eruptions, Tet-

ter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the mee of these Bitters. Pin, Tape, and other Worms. lurking in the system of so many thousands,

are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities will free the system from worms like these Bitters. For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonie

Bitters display so decided an influence that improvement is soon perceptible. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow. R. H. MeDONALD & CO.,
