FEBRUARY, 25.

Dr. R. P. Bessent, dentist, ha returned from his visit South, and may now be found at his office by those who wish to consult him professionally.

Night School .- Mr. Owen has opened this school with flattering prospects of usefullness.

Masonic :- Fulton Lodge A. F. M meets every Friday night now. Success. gentlemen of the square and compass !

I. O. O. F :- We are glad to learn that this order is flourishing. Iniations every meetting night is now the order of the day.

That enchre club, has got up to the dignity of whist, and in due time, wil doubtless master the mysteries of draw-

Post-Poned. - The Foster property was not sold last Saturday, but the Sale was post-poned until the 6th day of March, 1875, when it will take place at the Court house in this place at 12 o'clock M.

We are glad to learn that a movement is on foot, which if successful will result with ample capital, in this place.

us say that Salisbury subscribed Fifty dollars to the Yadkin Rail Road, when we really said fifly thousands dollars. Give that compositor a spiteful punch for us Bro. Mallard.

old rebel! if he could return to his native South for a little while, we know he would be sorry for ever whipping out the English. Peace to his ashes!

A Soldier Gone.-Mr. Samuel Hart, a soldier in the war of 1812, died in this county a few days ago at the advanced age of 83 years. Mr. Hart leaves many relatives and friends to morn his

The most prosperous men in Salis bury are the most liberal advertisers now and always have been. Liberal and judicious advertising will pay the business man and pay him handsomely.

Hay Packing -Messrs. J. M. Knox & Co have a Hay press in operation with which they can pack between fifty and a hundred bales per day, the bales are quite small, but weigh from 250 to 350 pounds.

Navassa Guano,-This old and well tested fertilizer is now offered Mr. J. Allen Brown. It is fully equal to any in the market, and special attention is invited to Mr. Brown's advertisement in another Column.

The American. - We unintentional ly neglected to note the entrance of the Statesville American upon its 18th volume. The American is a good newspaper, skillfully conducted, and the only difficulty in the way of its achieving to great uses fullness, is politics.

Arson. - A barn was burnt by a dastardly incendiary on the premises of Peter Hairston, Esq., near St. Johns mill, in this county a few nights since, and with it a valuable mule the property of Mr. John Henry Krider. A negro boy was arrested on suspicion, but as the trial before Mr. Justice Haughton revealed no sufficient evidence against him, he was released.

A smashup occurred on the W. N. C. R. R. Thursday evening last, as the mail train from the west was passing the Car Shops, breeaking all the trucks from beneath one box car and lodging them under snother. No person hurt. Our enterprising young friend Mr. John Wilson, of the National, was on hand in time

serenading a few nights since, and their remarkable proficiency, considering the Cornet Band."

they can draw on us at sight for the de- dred thousand dollars a year to our To support myself, family and connecficiency-provided we've got the cash. | county and town.

The value of Fertilizers is now admitted by all. The only question is some accident got "upset" or a hole in with those who have the enterprise to try the bottom, for it has been pouring down them, where can the best and cheapest be for the last few days. The streams are had? The Messrs. Meroney Brother, greatly swollen and the bottom lands all gentlemen well known to the people of flooded. this section of the State, claim that they are offering a very superior article, and they back their assertions and experience, have tried the fertilizer.

We asked a farmer the other day, who has been using fertilizers for many years, for his experience. His answer was that tramp whose name we did not learn, stole they pay me a handred per cent on the a pair of shoes from a countryman at the money invested.

Precocious :- A little red headed rascal, Sam Johnson, about twelve years old, was up before Mr. Justice Haughton on Tuesday last, on a charge of shoplifting at the store of Walton and Ross. The charge being sustained he was sent up to jail: This boy, though young in years, is an old offender, having on one occasion robbed the safe of Mock & Brown, and since that time picked up whatever came in his way. The Lord only knows what is to become of him!

did he do it," we have the following, give up the shore. That was about the which we give word for word :-

ax me how i got dem chickens of Mr Brown and udders, without makeing any fuss, i kan tell you it is mitey easey thing to do if you know de word to say, i say de wordes den i then restored them to the first owner, look wraund to see, i stop the dogs moth in the establishment of a National Bank the same way, i then stroke my hand done the backs of de chicken liff him up put him im abag he all wright den i like to get the | ly ! jews geese an ducks isay de words to dem That Statesville Landmark man, made da follow me enney where. Some folks wont beleve dis but itell you it is as true as useing to stop blood or cure milk leg. or kansers, tootheck wile fire and trash in children an many other things, yours &c a Chicken

Thanks .- We desire to return our thanks to our friends for prompt renew- trades, professions. frauchises and incomes long as they are manufactured and sold: Be Washingtons Birth-day passed als, kind words and other favors. As we of without any demonstrations. Poor have no ends to subserve other than those which make for the common good, we What then, is sheep raising to be dis- bitters, the reputation of which is founded, as Kerosene Lamps which we warrant for twenty shall in the future, as in the past, endea- pensed with in North Carolina, because it were, upon a rock. people are prosperous so will we be. We for their sheep killing prenpensities, that or State, and vice versa.

> Patent Hair Straightner .-There has been stoping at the Boyden House in this city a young Gent from Richmond, Va., who practiced upon the Ebro's, a clever joke, learning that he was in possession of a patent of some kind. They applied to him to know what it was (they taking him for a yank). He represented that he was in posession of a great patent for straighting hair, and if applied to the top knot of cuffee he would soon have long flowing locks, a county darky and a porter of the house, being over anxious, Mr .--- applied his straightner consisting of melted glue. It is unnecessary to say that the hair aforesaid was straightened. One of the subjects remarked that if he had by accident stuck his head to de house dey would

head away!

Saturdays :- We know that many day would never come ; for as often as it their husbands or sons brutally intoxicated. The money which has been received for the hard toil of the week gone for on Saturday evenings, is fast becoming a question demanding the attention of philanthropists. We saw a good suggestion on this subject in an English paper some time since, to wit; that Monday be made pay-day instead of Saturday, as at present. curing the evil, for then instead of having a day of rest before him, the workingman would have his weeks work ahead, and must of necessity keep sober. We would like to see the experiment tried by some of our largest employers.

We often hear verbal complaints, and see printed complaints, about Railroads discriminating against Charlotte to take care of the passengers and bag- in the way of charges for freight. Such discriminations are unjust, and our business men should resolve not to patronize any Road that discriminates against bring -Griffith's Band :- This band com- ing cotton or produce to this place. Let posed of our younger citizens was out our merchants sign a pledge to that et-

fect .- Charlotte Democrat. Surely if the merchants of Charlotte ages of the players and the short time have cause of complaint on account of they have been practising, was the subject high tariffs, those of Salisbury have far general remark. Dr. Griffith has greater cause when we take into considershown decided talent as a musical direc- ation the fact that it is cheaper for our for, and his band will prove a valuable merchants to ship their goods from the auxiliary to our renowned "Salisbury North over the N. C. Railroad to Charlotte and then back to this place, than it is to have them shipped directly here. Amusements :- Charlotte seems to And then the people of this county pay be having almost a surfeit of amusements, thirty or forty thousand dollars in exceswhile our splendid Opera House stands sive freights every year; and they must idle. Why is this thus? With a splendid continue to do so, until they secure a hall, and an appreciative community it competing line that will force the N. C. need not be so, and we hereby invite all Railroad to deliver goods at reasonable first-class traveling companies to pay rates. We believe the completion of the Salisbury a visit. If it don't pay 'em, Yadkin Railroad would be worth a hun-

Rain.-It seems as if the clouds, by

Improving .- The National Hotel is being newly painted, and otherwise imby certificates from good farmers, who proved for the comfort and convenience

Sharp Practice. - A vagabond depot on Monday last, and pawned them to Mr. Jas. Clark for a quart of whiskey and perhaps other articles. Going back to the depot he enquired of the countryman if he hadn't lost a pair of shoes, and being answered affirmatively, told him that a man whom he didn't .know, had given them to him (the tramp) to get him some whisky, &c., with, and that if he would come with him, he'd get them back for him; whereupon they preceeded together to Mr. Clark and demanded the shoes, which Mr. C. at first refused to give up without he was first paid for the whiskey. Tramp cooly informed him bars. But already a tremendous reaction has In response to our querry, "How that that wasn't law, and Mr. C. had to coolest, most dishonest honest proceeding Mr. Stuward i see in your baper whare you we've heard of lately. We'd like to know exactly the legal status of the transaction. has lived and will live down multitudes of GEO. M BUIS, He stole the shoes, traded them off, and covering his tracks so adroitly that the theft couldn't be traced to him positive-

> Attorney General Hargrove advises the Senate that a licensed dog tax would be unconstitutional. The Attorney General is general public. So long as Hostetter's Bitters doubtless correct-at least his opinion is entitled to more weight than Attorney General Williams' opinion ou the Enforcement Acts. The dog like other personal property is subject only to an advalorem tax. Only sition of humbugs, and that will be just as vention.—Landmark.

vor in our humble way to promote the worthless cars can not be taxed? It is best interests of the people of our State well known that unless they are taxed and section; for just in proportion as the and their owners are made responsible and they have a common interest in what- our farmers will not risk raising sheep. eyer tends to benefit our county, town, Past experience has proved it to be a useless undertaking in this State so long as eternal Home. Her life was made up of the there is no restriction on dogs and no penalty attached to the keeping of worthless sheep-killing ones.

Dogs are property, and why not tax with the paling beams that shone from the them as well as a man's cow or his horse. Why can't the County Commissioners fix the value of dogs for taxation, when they assess other property? This dog question ought to be arranged so that good farmers could raise sheep, and hope the people will take the matter in hand and bring about a solution.

Fed. 22, 1875. MESSRS, EDITORS:-It is gratifying to know

that we now have the best crossing over Grant's Creek, at McNeely's Mill on the Wilkesboro blissful dreams-in her dying slumbers-may Road, that we have had for the last twenty-five have been relieving pictures shown for comfort years. Heretofore it was next to impossible and cheer to the waiting spirit-may possibly to cross at that point, when the stream was the have to pull de house down to get his least swollen; but now, thanks to the energy ble loveliness and charm there, we cannot wonand good judgment of Mr. Ransom Jacobs, our der that she sighed for the hour of sweet relief excellent Bridge Commissioner, we have a good bridge and a permanent and safe rock causeway, that enables the traveler to cross the a poor wife and mother wishes that Sat- stream, during the greatest freshets, in perfect safety, and one knows not, which to applaud rolls round it brings them but misery and the more, the bridge Commissioners who plansuffering, as its setting sun always finds ned it, or the contractors, W. M. Kincaid and

Burgess Cranford, who exected the job. The writter passed over the above named road, and the New Mocksville Road between Hoffman's Bridge, on the same evening. He drink, and the bread for the coming week found the road, for one mile from Hoffman's tiones on the hearts of loved ones still lingering left unbought. This tendency to drunk. Bridge on said Road almost uterly impassible, enness on the part of the working classes for wagons or any kind of vehicles, and it occurred to him that the road should be repaired, by the proper authorities, or else set it aside altogether, and keep up, only the Old Mocksville Road which is, infact, a better road. The people of Salisbury need not wonder, that mountain produce seeks some other market. when the roads to Salisbury are impassible. This we think would go far towards Let the proper authorities act in this matter at which were unanmously adopted. once or they will inevitably loose the trade of the Mountain counties,

To be silent is sometimes an art, yet not so great a one as certain people would have us believe who are wisest when they

Truth is the golden chain which links he terrestrial with the celestial, which sets earth and stamps them with immortality. -Anna Jameson.

"As the eye which gazed at the sun cannot immediately discern any object : as the man who has been accustomed to behold the ocean turns with contempt from a stagnant pool; so the mind which has contemplated eternity overlooks and despises the things of time."-Payson.

A Montana paper thinks there is an aw ful fass being made over the Beecher trial. 'Why," it says, "right out here is Bill Casey. He went into a family, married one girl, spoiled 'nother, and has run away with the third : and vet there is no trial no statements, no nothing, only just the old man with a rifle looking around after

FOUNDER.-Founder is an inflammaion of the parts between the crust, or wall and the coffin bone, including the lamine. whence the name by which it is now distinguished (laminitis). The common Orchard Grass, Timothy Seeds, Kentucky Blue cause of founder is drinking cold water Grass. when exhausted or much fatigued by long continued exertion; but excessive exertion alone will, and often does, produce acute founder, and it is at all times the predisposing cause of this disease. The treatment should be by first removing the shoes. Next give a mild dose of physic. The feet should be kept constantly wet by tying a piece of felt or flaunel around each pastern, and allowing it to fall over the hoof, where it is to be constantly wetted with a mixture composed of water. two parts; alcohol, one part. Or let the feet be kept moisty by poulticess two parts bran, with one part oil meal. Long rest in a roomy, loose stall, the floor covered with tan or sawdust, is necessary to perfect recovery.

A Triumph Over Humbug.

It is not difficult to alarm the timid, and invalids are proverbially so. Aware of this fact, the vender of pseudo bitters, "entirely free from alcohol," have raised a false cry against tonic preparations containing spirits, and no doubt have frightened a few sick folk into purchasing the fermented rubbish which they sell, and which is infinitely more injurious than the vilest drams drunk at tavern set in against these abominable nostrums, which, being devoid of the alcoholic basis which alone prevents liquid botanic preparations from turning sour, decompose almost as soon as made. Hostetter's Stomach Bitters such imposters. A regular recurrence of the demand for the great alterative invigorant from those who have always been its patrons, shows that they have not swerved in their time-honored allegiance to America's most popular remedy; and a constant influx of new orders demonstrates how little impression, after all, the bilatant denunciations of the mock bitters men have made upon the continue to cure and prevent intermittent and remittent fever, dispepsia, constipation, kidney disease, and the numerous other ailments to which they are adapted, they will continue to dominate the factious oppo-

IN MEMORIAN. On the 27th of December, 1874, when the hearts of all true christians were regaling on the grateful joys that swelled the bosoms of the angels at the annunciation, the spirit of Augusta Wheeler left its weary, wasted investiture of mortality and soared to its peaceful, innocence and joy of childhood, the blushing beauty and bloom of girlhood, the autumn feeding and patient lingering of disease and the last sunset scenes when the light beyond the mystic river mingled its richer effulgence even earthly shore.

When with her youthful eve she saw the sure approach of Death, she was not startledshe was not even sad; but with the penceful hope of the christain she looked beyond him to the spirit Land," and the friends that were waiting to welcome her there. So vivid, sure and glorious were her hones that to a degree they rippened into realization. Those hopes brought clusters of delicious sweetness from the unfading borne of the celestial Eschol. Was it only hope that painted what she said she saw ? of a cunning reality? Those spiritual visionsthose sainted loved ones-that heavenly home -those roses of loveliness-those lilies of white -those waters of gladness-those beautiful streams-these all may have been dreams-only have been glances through the pearly gates afar. With suffering here and with unspeakaand leaned towards the arms of the waiting angel as the little child leans to its mother's ex-
