CANE PRESENTION - Gov. Vance was last night the recipient of a handsome goldheaded cane from the Jewish youthe of this city. The presentation took place at the residence of our prominent Jewish tellow citizens, where the Governor had gone to spend the evening. A number of ladies and gentlemen, among the latter several members of the Press Couvention were present. The presentation was made by Mr. Chas. L. Weill in a few appropriate remarks. The Gover nor upon receiving the gift responded in his usual felicitous and happy style. On one side of the cane were the words "From the Jewish Youth of Wilmington " on the other "Z B. Vance." The occasion was exceedingly pleasant and inter esting .- Wilmington Star, May 13th.

HORRIBLE MURDER!

An Old Lady 72 Years Old the Victim Disappointed Greed! The Red-Handed Villain ARRESTED!

On Sunday morning last our town was thrown into wild excitement, by the report of a murder, whose atrocity made women shudder, and strong men's blood run cold. Vehicles were in demand, and soon the terrible rumor was confirmed; and the awful facts fully ascerwidow lady seventy-two years old, residing four or five miles from Salisbury, disappeared from was gashed, the skull battered, and all around the well were evidences of a severe struggle. Stains of blood had been covered with mud in various places. Circumstances at once pointed worthless fellow, one William Meisimer as the perjetrator of the devil-ahaming deed, and the country was scoured; for him, and soon it was known that he was in flight and dodging the urmers which added to, and confirmed the apicions already aroused against him. On hesday morning he was arrested by Mess. lenry Cauble and Samuel Taylor of this place, a Third Creek Station on the W. N. C. R. R. whither he had gone to take the trais for the Mountains in his vain endeavor to fly.

All in all, this is one of the most sickening, anial murders which has ever been committed. In broad daylight, in a comparatively public place, and evidently for purposes purely and blely of plander, it makes one shadder to think Mrs. Heilig is known to have had only amount of money by her at the time, and the murderer did not probably get more
