the subject of a "telegraph" from Salisbury to Asheville, again. The W. U. Telegraph Co. is said to be "considering" a proposition from the Commissioners of the Road. Well, that's about as near to it as we are to the moon, anyway.

THE Health Reformer for February is replete with useful instruction regarding the care of the health, and contains besides a rich variety of good reading and a large number of most useful hints for the farm and household. The REFORMER is now more fully than ever a household journal, and is regarded as indispensable by those who have once taken it. A dollar cannot be better invested than by subscribing for this useful magazine. Published at Battle Creek, Mich, Specimen copies free.
