Persons making remittances for the Watchman should send \$2.16 30 payfor a year-10 cts. to pay postage.

We heartily endorse an article in this paper from the Charlette Democrat of the 13th, on "ringe," which we construe as a sincere effort to promote the old fashioned high toned and honorable spirit of conducting political campaigns and public affairs. We too, are utterly opposed to rings, cliques and all sorts of combinations in parties for the purpose of securing the nomination of particular individnals either for the sake of rewarding them individually, or from the expectation of reward to others. Let every democrat scorn a motive he is not willing to pro- about the White House held scandalous relaclaim from the house tops, - be the keeper of no party secrets, but denounce and spurn the trickster and plotter as one who only needs a chance to become a thief, and a robber of the people. The scenes now coming to light at Washington admonish as that unless the democrats of this country come to the rescue under a profound sense of the danger which threatens our civil liberty through the vileness infused into the body politic for the last Safe-Burglary Harrington met the President as a welcome guest, men called these exceptions.

Whiskey .- The power of whiskey is directly to whiskey. A large per cent. of tion : the poverty and suffering experienced by The last case of violence resulting in whiskey drinking. It was the tragic homes. ending of a "spree" at a sale, where some half dozen young men got to fooling with some negroes-words, banters, contra dictions, &c., led to blows. An old negro was knocked down, and a white man jumped on him. A negro jumped on the white man, and another white man jump ed on him. A third negro piled on topso it is reported - a neat pile was made sandwich fashion, all soaked with whiskey, black, white, black, white, black. Barringer, It is said, did the first knockinglaid the foundation of the heap -and stepped up to unravel it, or part the men, when Bill Locke, who was standing Railroad appropriations for the Atlantic, Tenn. around watching the progress of the melee, Buth. Road, and for the Western N. C. Railanade a running cut at Barringer's belly road, Of course we do not mean to say that with an old pocket knife. It was a fatal blow: It let out some whiskey with of those who now talk so glibly about Rings m little blood. The rowdies soon scatter- had then helped us defeat the appropriation Bills, the State would not have had so many of ed, but in less than a week were called its Bonds squandered by Littlefield & Co .-And the selection of delegates to the National Papernal head, troubled the whole neigh.

In a solution squantered by Littleheid & Co.—

Since then we have known no good cause for crying out "Ring! Ring! " If there has been any Ring; operating in State or Railroad matters since 1868-70 we do not know it, and if

Congress. horhood, and if Locke is ever found, will subject the sounty to the expense of keep subject the sounty to the sounty to the sounty to the sound to the ing a prisoner and trying him for his life, bad for its object the management of Bailroads by unfair means, or the management of the Democratic party by trickery or deception, we a committee before the and wet with the tears of women and by insinuations or miserable innendoes. children; but his devotees, in grawing itor to write anything without some one supnumbers, are counted by the million.

TWO WITNESSES.

Grant has a man in North Carolina who testifies of his administration as friend last week. follows:

"The Administration at Washington us and says: has saved the whole country from crais in this State to "run the machine" in the be more chartiable to Pinchback than the ever about the dead functionaries who did within your county, to appear at the office of the Clerk of the Superior Court for the water which preserves all our interests lieve it, and shall continue to say we do not as Mary's lamb after it had been chased from ruin. Imagine what would have believe it until proof is produced that we are been, if Northern Copperheads and mistaken. We repeat what we said above, if Professor Silliman testified that he re- to listen to men who apologize for their Fort Sumter, had been placed in pow-purpose of cheating the State or Railroads, or er in this nation, when Gen, Grant of any Editor or public man who has received clusion of his, services for the Emma was. If they had been, where would have been our credit as a nation. Where would have been any power to protect the weak against the strong hand of violence and murder?—to maintain the peace in all our neighborhoods, and to have in all our neighborhoods, and to have to stay the strong to the strong all our neighborhoods, and to have to stay the strong to the strong all our neighborhoods, and to have to stay the strong to the strong all our neighborhoods, and to have to stay the strong to the strong all our neighborhoods, and to have to stay the strong to the strong all our neighborhoods, and to have to stay the strong to the

ple even to have lived in North Carolina? Gen. Grant is to be judged, and thanked, and honored as much for what he has prevented in the way f eyil as for what he has accomplished in the way of good .- Lex. Central.

The New York Tribune, a leading Republican paper of the highest standing in the country, taking a runging survey of the field, sketches the political scene in very different colors. It sees what the first witness overlooks,

a vass deal of shading-black and dirty-quite obscuring the light of the Republican heaven. It takes up Belknap's case, thus;

"Republicans cannot afford to underrate the significance of this event. Some individual in any administration may yield to temptation, but public opinion has been making that exration. When it was known that somebody tions with Corbin, that was passed as an exception. Somebody disgraced the party in the Leet and Stocking affair, in the selection of Casey and Murphy, in the sale of arms to French, in the Santo Domingo affair, in the transactions of Boutwell, Richardson and Akerman, in the Secor business, and in the Chorpenning claim; but these a patient public opinion called exceptions. Attorney-General Williams rode in a landaulet, but that was an exception. Secretary Delano and his son John acused a shameful scandal, but that was an exception. Secretary Robeson was accused, bu men thought that partisan hatred might have prompted the accusation, and that if he was Shepherd was appointed a commissioner, and exceptions. McDonald went to jail, a deceased but most trusted friend of the President was General preventing evidence for the governacquitted, visits the convict McDonald in his ness in high places. Death to every his escape from State's prison, in another room Achan in the camp - a political and moral of the Capitol a witness was presenting, under

The editor of the Wilmington Post almost omnipotent. If half the crimes is, however, the madest Republican laid to whiskey was laid at the door of we have heard from. He went into almost anything else, they would drive it Belknap like fury : Gave him a sound out of existence. But whiskey holds it castigation for his disgraceful conduct own without abatement against crimes in taking bribes. And after doing Rumor of an Outrage about to be Perpetrated. holders in these States. The white resiof daily and hourly perpetration. Neither his duty on him, was evidently not the enormity nor the number of them satisfied-probably felt that the case lican states that U S. Commissioner they get, farnish them with schooling for seem to affect the popularity of the great was sadly against his party and ought Cassidy, of Wilmington, has issued a war their children, and aid them in all their destroyer. > Thus we see how the exposures at Washington is firing the passions of Republican editors.

> > "RINGS."

We do not propose to have anything to say by dark insinuations and sly remarks about ment. 'Rings," unless we had evidence that would convict some public man or Editor. In 1868-'9 we warned the people against the schemes inaugurated to rob the State, and we then opposed with all our might the combination, (or "ring," if you like the name better,) formed in and out of the North Carolina Legislature to secure

posing that he or his particular friend is allu-ded to, and as we despise insinuations, we freely say that we do not write this article for the pur. Gazette whom they want as a witness. pose of censuring or reflecting on the conduct of any particular person, Editor or politician, of a reply to a letter which we received from a headquarters at Louisville.

A brother Editor of well-known honesty and Washington Gossip,-Congressional Items. good intentions, and a good Conservative, writes

and kept alive by those who have "an axe to grind" for themselves or particular friends. It may be that there is some jealousy existing be-tween some of our public men which causes them or their friends to suspicion the formation Democratic party a great deal of harm-they not only furnish an argument to our enemies against the Democratic party, but they reflect more or less on the leaders of the party who are working for the overthrow of Radicalism in the State. No doubt Editors are often deceived and misled by designing men telling them takes about "rings" which have no foundation in truth, If we were to publish the false stories told us about other people we would soon be "heels over head" in trouble. There are many designing sneaks who are ready to slander their

we did so with the desire to keep from saying a word that would offend any honest man who co-operates with the Democratic party, and we conclude by suggesting that it would be better and more just for our party friends to quit talking about "Rings" unless they are ready and willing to specify the case and give the facts and names of persons connected with dishonest or unfair transactions. We respectfully submit if that would not be the best plan to pursue, and not indulge in vague and general charges.

No gentleman should cherish envious or jealous feelings, and there should be no contention among Democrats except a spirit of noble emulation of who can best work and best agree. Our brother Editor who wrote us a private ports.-Charlotte Democrat.

The colored movement at Washington we are glad to see, meets with a cool re ception on the part of southern democrats. have constantly rejected all counsel and even importunity of southern men beretofore and voted in solid body against them dicated, and was saved from the penitentiary after doing about all the harm they can into power without their help, and they
