A Concord (N. C.) man tried a long time of the system, but rather that the requirements stop here, its malignant influence reaches to compensated for than by a resort to this prime pen the first postal card he ever received. may be extended and more strenuously pressed. the children yet unborn, who come half burnt strengthening cordial. The enfeebled invalid. There is no blessing of life equal to health, and it therefore merits and should receive a primary

again, and it is hoped there will be no relaxing of all laws human and divine. But it doeth not from disease or over fatigue, cannot be better

New York Herald. That must have been Jeemes Long

Notwithstanding the stormy weather we fel that spring is here; for the martins, robbins and Italian organ-grinders are all here, seeming as happy as of yore.

The old fire engine raised a row last Saturder evening, and made about ten dollars for the town in fines. We are glad some good use has been found for it. Trot it out every Saturday by all means.

Moses Trexler, in Morgan Township, acedently shot himself last week. In setting Probate for the term of eight years." agun down it was discharged, lodging a had of buck-shot in his person. He died shottly after.

SHADES OF THE DEAD POST .- the old antedurian Mansion House, is to be re-roofed and repainted. And now we'll hear the familiar vears or more.

DEBATING SOCIETY .- We are glad to chronicle that the young men of Salisbury have organi and a debating society which meets every Friby night in the Templar Hall. We trust that many fluent speakers may be trained there.

urgan-grinder. He complains, that mungst specially provides for. au de raue showsers, nonne showe o' niqules comme to me.

Episcopal Church has been swung into position. It is a very fine toned one, and measures a little ready maney for two or more years, adfour feet across the bottom, and weighs four- ministrators and gives bond which at the time teen hundred pounds. May its sound be heard seems good, but in the end proves to be long in the land.

Sunday School-ancient maid teacher. "Johany how long since Noah built the ark !" "Dou't know miss, was you living then ?" "No ! what makes you ask ?" "Cause my big bud said you was old as the hills." Nothing more was said about Noah and the ark.

clubs formed to buy goods in quantities that if they will give us their bills we will fill them on better terms than they can get from Northsioners. en or any other merchants. 2:tms.

There are many small streams and damp places in the suburbs of the town that ough t to be drained, but we suppose these will be duly inspected at the proper time.

> For the Carolina Watchman PUBLIC ADMINISTRATOR.

Battles Revisal of the public laws of North Carolina, chap. 45 Sec. 19, provides as follows : "There may be in every county a public administrator to be appointed by the Judge of

Section 22 is as follows : "The public administrator shall apply fo and obtain letters on the estates of deceased

persons in the following cases: (1.) When the period of six months has struction of the human species, yet the unhapelasped from the death of any decedent and no py, unrelenting nations of the world seem as letters testamentory or letters of a administrasound of its good old bell for another hundred tion or collection, have been applied for and ands, nay millions of caterpillars or locusts issued to any person.

(3.) When any person entitled to adminis- turbed when this mighty destroyer rears up

ministrator." For several years I have wondered why lives, and whose real welfare both here and hereafter, is hereby sincerely intended, cannot Rowan had no such official-other counties

Old and young are listening to sweet have, for instance Mecklenbury. Of our own find fault with this well meant remonstrance, strains of gratuitious music furnished by an knowledge cases arise which the law cied in defence of these, and all mankind, against
