when I know that I can win, and prefer to live out of it when, I cannot. Respectfully, D. R. JULIAN.

We think Mr. Julian is rather hasty in assuming that he was the burden of our last week's article under the head of "Seriffality." His modesty ought to have restrained him at least until his name was called. Perhaps, however, he desires to air himself through the newspapers. There is great power in printer's ink, but it is also a two edged sword. Those who employ it should do it

PRESS CONVENTION .- The N. C. Press warily., His counselors, where much is at Convention met in the Senate chamber, in stake, should be wiser than keen. Keen Raleigh, Wednesday evening, June 14th, helpers may cut and slash around like a duck in a puddle, but prudent ones are Eighteen or twenty papers were represented. It was unanimously resolved to keep the more apt to look on and ask, "what is to come of it ?" organization in a good healthy condition,

sheriff.

We have no desire to provoke our rather hasty aspirant, and shall let him have his say without further notice at present. If he gets the nomination he is to be our candidate for the highest office in the County, and we shall expect him to be as good as
