A Health-Promoting Stimulant. Physicians, who certainly ought to be the best judges of such matters, declare that wholeome stimulation is not only desirable, but essential in many instances. When the temporary good effect of a sound stimulant is confirmed and rendered permanent, as in the case of Hostetter's Stomach Bitters, by the action of tonic and alterative principles combined with it, it becomes infinitely efficacious as a quite an aged one, being numbered among the renovant of physical energy and a corrective of those conditions of the body which invite disease. The Bitters have received the emphatic sanction of medical men who have obfords shelter and protection during the Summer served the effect of that popular stimulative Administrator's Sale of Real Estate dyspepsia, constipation, inactivity of the liver, malarious fever, and many other disorders. Its basis is sound old rye, the purest I quor known to commerce, and itself possessing tonic properties of no mean order.

> A FLOWER THAT GHANGES ITS COLOR.

culture, Horticulture, or Medical Botany, per cent. on the deferred payments. Animals often exhibit a marvelous instinct in selecting medicinal herbs, and an observation of their habits has often, even in the present time, led to most valuable discoveries. And should man, with his knowledge and appliances, fail to discover less than the brute! It is of Medical Botany we would speak, or of the HEPATINE PLANT, discovered in Southern Nubia, the Flower of the atmosphere. The remarkable changes and variations of this Plant and Flower have been for years our special study, resulting in the discovery of its possession of wonderful medical properties, the existence and value of which have heretofore been entirely unknown to medical science. After much labor and scientific investigation, we have succeeded in extracting its peculiar medicinal principles, which is a specific and cure for all diseases of the Liver. Stomach and Bowels; a permanent core for Dyspepsia, Indigestion, Spleen, Constipation, Jaundice, and all Bilious Complaints, Of course we cannot send a living Flower of this Plant to all who read of Hepatine; - but N. C. to all who will send their address to MER-RELL & COUDEN.
