PUBLIC SPEAKING In Salisbury,

TUESDAY, OCT. 10th.

The Hon. Geo. Davis of Wilmington, will address the people of Rowan county, at Salisbury, Oct. 10th. An opportunity is now offered our people we believe for the first time, to hear one of the most gifted and eloquent speakers of the State. Come and hear him.

SPEAKING AT GOLD HILL.

We had hoped to have it in our power to make some deficite and satisfactory statement in this paper in regard to the speaking at Gold Hill by the candidates Governor, but have not. The Raleigh seus says that Gen. Rausom will speak there on the 14th-the day that it was hoped Vance and Settle would put in appearance there. The Vance and Tilden club of Gold Hill were expecting to have one big day before the election, and that the candidates for Governor would be with them. No doubt they will welcome General Ransom, and hear him gladly, but it is likely they will still look for a visit from Gov. Vance. Meanwhile, let all turn out to hear Gen. Rausom, on the 14th, who is one of the ablest and most eloquent speakers in the State, and has borne a most gallant part in the present canvass. Spread the news of his coming, and go to hear him, for it will abundantly "pay the trouble.

We notice that our old friend W. L SOUNDERS, Esq., and Mr. HALE, well www as coseditor with his father, E. J to establish at Raleigh, a daily and never spoken to me in reference to either of a ekly paper to be called the Observer. These gentlemen have already made good records as newspaper men, and will no doubt fully sustain them in the new enterprise. The field of opperation is pretty well filled up, there being three dailies already in Raleigh, but this fact has no doubt been duly considered. We certainly wish Messrs. Saunders & Hale abunwill fully merit it.

gentlemen at Cameron on the night of the 28th. ELECTION LAW-STATE As a matter of justice to myself and all the parties concerned it becomes necessary for me

to state the following facts: On my way to the Baptist State Convention in Fayetteville, I was introduced to ex-Governor Holden. During the session of the Con-vention I was invited to dine with him and accepted the invitation. I spent the afternoon with him, returning to the Baptist church after tea. Our intercourse was free and agreeable. He gave me an account of his religious experience and of his political troubles. He stated to me that the plan of the "Kirk war" origi- the following officers, to wit : nated with the Executive Committee of the Republican party at Washington, in the interest of the party; that he was opposed to it, but was allowed no discretion in the matter; that it was decided by that Committee to inaugurate and prosecute the campaign as he did it; that if he did not carry out the wishes of the party he and the State were to be crushed; and that if he was successful in the execution of their plans he would probably receive a Cabinet appointment, the Secretaryship of the In-

In reference to the death of Stephens I understood from him that the Republicans had nuch to do with that crime; that the prosecution of those who were charged with it was discontinued because testimony was either elicited or likely to be elicited which would implicate or criminate prominent members of the Republican party; that these fears were awakened in part by the discovery of the coil from which the rope was cut which was found on the neck

of the murdered man. The statements of Gov. Holden left on me the clear and distinct impression that he had been the unwilling instrument for the accomplishment of the purposes of his party and that e did not merit the odinm which attached to

his name all over the State. During the session of the late Constitutional Convention I called on Gov. Holden in his office at his own request. In a very pleasant interview reference was made to the removal of political disabilities by the Convention then in statements made by him that I called on Rev. I. N.
