New Nork has been fortunate in selecting for Governor a gentleman of superior financial abilities with an accurate and comprehensive knowledge of the varied mants and interests of the great State over which he has been called to preside. His message takes hold at once of those subjects which concern the welfare of the State, and his recommendations appeal with great force to the sound judgment and good seuse of the people. We rejoice over this with peculiar satistion. New York exerts a powerful influence over the entire country. She is in fact the key stone of the grand arch, and while she stands firm in the support of public virtue and political integrity there is hope for peace and prosperity in of all, (4:5, 6). the whole country. Gov. Tilden began a reform in that State two years ago which is now bearing rich and abounding fruits. His successor in office, Mr. Robiuson, pledges himself to carry them for ward, and enters upon his work with the confidence and support of the wise and good men of the State. e'yaha iy bee

It is not yet possible to determine what is to be the end of the Presidential dispute. The signs of the times point to Mr. Tilden as the man, which will be in exact accord with the popular mind of the country from the first. Indeed, the ques tion is not now, "Who is elected ?" But, "Who shall be President?"-the man chosen by the people, or the man backed said at the time, that Gov. Hampton has has already engaged a steamer to reup by the Grant government and the man- acted in no selfish, unpatriotic or pusilla. port on the 16th inst.
