the State Medical Society, and by the pro- are the Secretaries of State, War, Chief vision of a law past at the last session of the General Assembly, creating a State on the left, Evarts on the right. comes a matter of great interest to the citizens of the county. Its object is to investigates causes of disease in the community, to learn the origin of diseases, and also to devise ways and means of prevention and cure. To collect statistics in regard to health and disease, life and death, will be another of its objects; and to teach the people the importance of drainage, ventilation and hygiene, as the means of improving health and lengthening jiuman life, will fall within the scope of its aims.

It is to be hoped that every intelligent citizen will become interested in this "labor of love" of the doctors, and afford them every facility in his power to make these County Boards of Health, not only successful helpers to the State Board, but a blessing to 90,000. every county in the State; and these societies be enabled to awaken such earnest thought and action among the people in the matter of drainage, that ere long the thousands of acres of rich swamp lands lying useless in many of the counties of this State, and probe forever banished from our borders.

RUSSIA AND TURKEY.

Washington, Sept. 10.—The Turkish egation here furnishes the following: "In view of the various accounts circulating about the origin of Osman Pasha, the Turkish legation has the honor to inform the press that the marshal of that name was born in Asia Minor, of Mussulman

London, September 10.—The Russian army threatening Plevna is about a hundred thousand strong, with two hundred and fifty guns. Up to Friday night only artillery had been used, and a correspondent reports that Plevna is as far from being taken as ever.

The Manchester Examiner publishes the following dispatch announcing the capture of Plevna by the Russians, from Siestera, Sunday night, September 9th: "This morning an attack on all sides of Plevna was commenced and was continued throughout the day. By 6 o'clock in the evening the town of Plevna was in the hands of the Russians, and the Turks were in full retreat in great disorder. The losses are enormous. Details have not

Supposed to be lost the "imp of the marshes," the dread of all, by gambling. His bond is good, and the county will sustain no loss.

WEDNESDAY MORNING'S MAIL.

RUSSIA AND TURKEY. LONDON, September 11.—The correspondent of the Times at Vienna, sends the following: "It is not what occurs in front so much, as what occurs in the rear of Plevna, which will give to the fight there its significance. The movements of two Roumanian divisions from the North and of Lovatz from the South leave no doubt that the Russians, whatever may be the success of such plans, are preparing a Sedan for Osman Pasha, and he will probably have to trust to his own resources to extricate himself. The operations of of Mehemet Ali and Sulieman Pasha are

probably too far off to be of use to him." The Times' Paris correspondent says that the Turkish forces on the frontier are ordered to enter Servia immediately, if she takes part in the war,

The Daily Telegraph's Vienna dispatch Monday night, repeats the rumor that Osman Pasha was retreating from Plevna. There is, however, absolutely no trustworth information on this point from

THE MAINE ELECTION.

PORTLAND, ME,, September 11 .- One hundred and forty-four towns give Conner, Republican, 29,409; Williams, Democrat, 22,301; Munson, greenback, 2,863; Talbot, Demograt, 147; scattering, 13. Last year these towns gave Conner, 42,963; Talbot, 32,901; scattering, 2,790. The towns to am most respectfully, &c., hear from gave last year Conner, 32,904; Talbot, 27,522; scattering, 254, If these fowns come in like others, allowing for ed to localities, the aggregate vote will BURR'S OCEANICON. be about 93,500, of which Conner should have 53,000; Williams, 42,000; Munson, 7,500 against 14,911 last year.

# TO FARMERS.

MAKE YOUR OWN FERTILIZERS.

USE HARRIS'

### Home-Made Fertilizer.

You can with these chemicals make your own Fertilizers at home, and thereby save the money paid for high priced commercial Guan 8. The cost is but one-fourth the cost of commercial fertilizers. We will show by the following certificates, from parties who have used

Four hundred pounds of this Compost sown dents preparing for College, broadcast over one acre will produce you a double yield of wheat, and two hundred pounds 37:6t per acre, under corn planted exactly three feet apart, each way, will give fifty bushels of shelled corn to the acre on the poorest land. One horse in one year will produce enough manure, which with the aid of our Chemicals,

making it a concentrated manure, to go over twenty acres of land. These Chemicals should be bought in August and September for wheat crop, and from December to March for cotton and corn, as it requires from thirty to sixty days to make the Will convey passengers to and from any point | Compost perfect.

Read the following certificates from the est farmers in this and the adjoining coun-

ELM GROVE, July 23, 1877. To the Farmers of Scotch Irish Township and the Farmers generally: Having made and applied one ton of the Harris Compost, on the present growing crop of corn and tobacco, and considering the appearance of the corn and tobacco, at the present state of growth, I would recommend not only the farmers of S. I. Township, but the farmers generally to use the said Compost, I have used some of the commercial fertilizers and consider the Harris Compost shares. superior to any I have tried.

JOS. A. HAWKINS. Salisbury, N. C., July 21, 1877 Mr. Enniss-Dear Sir: This is to certify tha

have used "Harris' Empire Compost," Home-made Fertilizer bought of you last fall, on wheat and found it equally as good if not better than any commercial Fertilizer I have used and I hereby recommend it to the farmers of our county as the cheapest and best. Very respectfully, J. E. DEATON.

Mr. Enuiss-Dear Sir: This is to certify that I have used your Home-Made Fertilizer or Compost bought of you for wheat, corn and and I recommend it to the farmers of Rowan as the cheapest and best. I also used it on an old field that yielded nothing before and with the Home Made Fertilizer the yield was as good as that of my best land,

J. M. BAKER.

JACOB BARRINGER,

F. A. ARCHIBALD.

Salisbury, N. C., July 14, 1877. Mr. Eaniss-Dear Sir: This is to certify that I have used the Harris Empire Compost or Home Made Fertilizer bought of you las year for wheat, and can say it is equally as good if not better than any commercial fertilizer I have used and I recommend it to the farmers of Rowan as the cheapest and best. D. H. MILLER.

pire Compost the past year, and take pleasure in saying that it is by far the best and cheapest Fertilizer that we know of. We intend to use more largely this season. F. A. ARCHIBALD, E. C. MORRISON,

WM. L. SAPP,

We, the undersigned, have used Harris' Em-

CABARRUS COUNTY, N. C., 1876.

Dr. D. W. FLOW. GLENCOVE, N. C., Nov. 30, 1875. This is to certify that I have used five tons f the Harris Empire Compost this year, and Lying 31 miles north-west from Salisbury, find it equally as good if not better than any mmediately on the new Mocksville road, near commercial fertilizer I have used or noticed

lands. I expect to buy more largely next

PLEASANT VALLEY, Lanchester County, S. C. November, 1875. This is to certify that I have used Harris' Empire Compost and am well pleased with it, as it not only prevents rust, but is as good as any of the high priced Guanos, the cost per ton making it the cheapest Fertilizer sold

W. D. HYATT. GREENVILLE COUNTY, S. C., 1876. This is to certify that I used Harris' Empire Compost last year on my land for Wheat, and though I did not give it a fair trial as I left out one of the ingredients, but must say that where it was used my wheat was never better, and where I did not use it I find that it was very indifferent. I shall use six tons this Spring. I consider the formula invaluable to farmers.

Yours respectfully,
- W. F. PENNINGTGN.

GASTONIA, N. C., 1876. Messes. Wilson & Black-Gentlemen: It gives me much pleasure to state that I used the compost bought of you last winter, and must say that I am highly pleased with it. I used it on an old broom sedge field that would produce nothing, and must say the result is astonishing. I consider it an invaluable compost, and just the thing to bring out our old worn out lands. Yours, very respectfully, Dr. J. F. SMYER.

MECKLENBULG, Co., N. C., 1876. I take pleasure in stating to my brother farmers all over the country that I used, last year, Harris' Empire Compost, under both corn and cotton and the result was astonishing to all my The cost was only one-fourth of what I had been paying for commercial fertilizers. LENS HOOK.

MECKLENBURG, Co., N. C., 1876. This is to cestify that I used Harris' Empire Compost last year side by side with several commercial fertilizers' and I find that the yield from Harris' Compost was one fourth greater and the quality better than any. It makes the cotton mature better, and in my judgment, it is preferable in every respect. The cost was onefourth the cost of the high priced guanes, and one ton will go over ten acres of land, Yours truly, D. C. ROBINSON.
