# Carolina Watchman.

# THURSDAY, DECEMBER 27, 1877.

The State Department is accredited by sponsible for the disaster, the Scientific American for accomplishing through the agency of consuls, the extenip many articles of trade and traffic,

The new monument to be erected to ex-President Johnson, at Greenfield, Tepnessee, will be twenty-six feet in height, with a base of granite and a shaft of Italian marble. Upon the front is a scoll representing the Constitution of the United States, and an open book with the hand resting upon it suggesting the taking of the oath of office. Over the apex is the American flag, and surmounting the whole an American eagle with outstretched wings.

The greatest perpendicular depth of any mining shaft in the world is in Bohemia, 2,280 feet. There are several others of MR. H. R. STEVENS :-

Belgium, which is 4,542 feet. -----

use of which is said to sustain human strength under heavy and long continued are said to understand its virtues, and Firm of A. Crooker & Co., Druggists & Apothecaries.

frequently use it to excess, and to personal damage. Like all excitants probably, it is good or evil according as its use is wisely or unwisely governed.

Scientific Expeditions,-There are no less MR. H. R. STEVENS :-Only one of these originates in the United States; all the others in England, France from \$1,200 to \$2,930,

to a lee shore. The report is probably less severe than it would have been if Captian 加 Ryan had not explated with his life his errors of seamanship : but the court discents tinctly states that he was prinrarily re-

> VEGETINE WILL CURE RHEUMATISM.

MR. ALBERT CROOKER, the well-known druggist and apothecary, of Springfield, Me., glways ad-vises every one troubled with itheumatism to try VEGETINE.

#### Read His Statement:

SPRINGVALE, ME., Oct. 12, 1876. Dear Sir,-Fiffteen years ago last fall I was taken not step one step; these attacks were quite often. I suffered everything that a man could. Over three Cuca.-A plant of South America, the and followed it up until I had taken seven bottles;

have had no rheumatism since that time. 1 always advise every one that is troubled with rheumatism to try VEGETINE, and not suffer for years as I have strength under heavy and long continued strains. The mountaineers of S. America Stevens is concerned. Fours, etc., ALBERT CROOKER,

VEGETINE

# HAS ENTIRELY CURED ME.

BOSTON, Oct., 1870. Dear Sir,-My daughter after having a severe atthan some eight or ten schemes in process tack of Whooping Cough was left in a feeble state of health. Being advised by a friend she tried the for scientific expeditions around the world. VEGETINE, and after using a few bottles was fully restored to health. I have been a great sufferer from Rheumatism. I have taken several bottles of the VEGETINE for this complaint, and am happy to say it has entirely cured Germany. The passenger rates vary from \$1,200 to \$2,930, I can cheerfully recommend It. JAMES MORSE, 864 Athens street.
