It is said that a potato raised in this county had to be cut into cighteen pieces in order to get it into the dinner pot to be cooked, and that seven persons ate of it and there yet remained enough to fill several bread-baskets.

We are authorized to say that Mr. Frank Brown has been appointed one of the Rowan Committee in place of Mr. H. N Woodson, to meet the Davie Committee at Foard's Mills on the 29th inst., to settle the matter of Senator, &c.

It has been discovered that Irish potatoes are poisonous. We don't believe it -it's designed by some wag-a slam at levied as follows : potatoes, trying to take the romance out of them-it's all about that Iowa girl who refused to swing in the garden because the potatoes had eyes.

One of our most prominent citizens was seen lugging a music box down Main street last Monday. He is a very grave, sedate kind of a man and anything suggestive of an intimacy between him and a common music box would be humiliating in the extreme; however the facts are just as they have been stated-the thing sings, among other popular airs, "Little B. J.,"

TOOK WATER .- The Commissioners (can't call 'em Aldermen now) took water by a vote of 4 to 3-one absent-on the ordinance restricting the trains running into the city to 4 miles an hour. This was too slow by about 6 miles, 10 miles an hour would have been about the thing. It's all over now. It is thought that some of the Commissioners will resign-they are so terribly let down by this affair.
