object. Three hundred merchants and The Observer and its correspondent attacks the delegates, from French seaports and in-Watchman by charging disloyalty to the Democratic terior towns, were present at a meeting party. They say of it-"pretending to be Democratic;" and asks the question : "Would it," (the Watch- the other day. The object of the conferman), "as it seems, prefer to witness the election of ence being that either country shall give Republican over our nominee. Recent render its course suspicious." The foundation of this attack is that we have not advantages, both nations will be materiand for this potent reason the Observer and his Armfield correspondent doubts the sincerity of our devo tion to conservative principles and the party with commercial treaty than with France. terribly; I could not rest day or night; I was so re-duced my friends thought I would never recover; I which we have heretofore acted and to which we still adhere. Well, let them doubt. We are not in the habit of purchasing the good opinion of men or courage to do and say what he believes to be right,

We have lived down many a slander and God will-We have no disposition to evade the issue in this case. It is true that we have not advocated the election of the Wilkesburg nominee; and unless there is some change in the slate we do not mean to advocate it. It is due to Mr Armfield to say that under to place them beyond the reach of most other circumstances it would have afforded us pleasure to vote for him; for we entertain a high regard for him as a man of learning and ability, and personally we esteem him not from any acquaintance opinion held of him by persons who have known him better than we. He is accused of intemperanceclaim that he has reformed. We know nothing personally of the accusation of the claim. We have seen him repeatedly and he was always sober. Out of respect to at least one of his friends we are willing

the way we could have no objection to Mr. Armfield But we do possess a strong conviction that the Wilkesboro Convention in its get up was so tainted with a disregard of the will of the people that it is
