DR. HILL'S BIG HEN EGGS .- Dr. Thomas Hill prides himself, just a little, on his success in the poultry line; and passing his place in the country, a year or two ago, we saw flock after flock of young broods around his premises of great beauty. But he losses a little of his wind in this line by presenting to the News four hen eggs which weighed only 141 ounces. Mr. Frank Graham also prides himself on chickens and the like, and lays on our table a hen egg from a Bramah and Mala cross weighing 4 ounces even.

The Mendelsshon Quintette Club gave one of their splendid entertainments at Meronevs' Hall, Saturday night. They had a good audience, comprising the larger part of lovers ofmusic; and but for the inclemency of the evening the Hall would have been litterally they have fallen short in conveying an adequate idea of real merit. The Mexican Dollar.

What is the difference between the Mexican lollar and Tabler's Buckeye Pile Ointment? One does what it promises and the other does not. The Mexican dollar says, "I am one hundred cents;" but wher you come to invest it you find it is only eighty-five. Tabler's Buckeye Pile Ointment says "I will cure you of Piles;" and upon trial it is found to do so in every case. It makes but one promise-to cure Piles; and does so without failure. Price 00 cents a bottle. For sale by C. R. Barker. Salisbury, N. C.

Coussens' Compound Honey of Tar has been o long and favorably known that it needs no encomium. For coughs, colds, sore threat, hoarseness, etc., it affords speedy relief, and is a most pleasant and efficacious remedy, honey and tar being two of its ingredients. The skill of the chemist, and the knowledge of a physician were united in its preparation, the result being a compound which is the favorite remedy in this severe climate, and has no equal as a cure for coughs, colds, hourseness, bronchitis, croup, etc. Use Coussens' Honey of Tar.
