Several car loads of sheep came down on the Western Road this week, destined to a northern market. The time of year through this place every fall in former years in large quantities. They now go to market by rail, and seldom come this

way. If we had the Wadesboro road, putting us in connection with Wilmington and Charleston, it is highly probable that the old current, of this trade would return and flow as it did years ago.

FIRE .- Mr. Samuel R. Harrison, near

this place, sustained a pretty serious lost Saturday night by the burning of his barn. The fire, when first discovered, about nine o'clock, had already enveloped the whole building, and was bursting

out to such an excent as to make it impossible to relieve the horses and mules in it. There were eight burned to death, and one other so badly that he had to be

killed to relieve him of pain. Three of the animals, two horses and a-mule, beonged to Mr. Jas. R. Crawford, were taken there that evening for protection against the threatening weather, his own stables not being ready for use. The barn contained much other property-provender, harness, implements, &c., making up the aggregate loss to about \$2,000. The cause

of the fire is not known, though it is believed to be the work of some wicked in arms cannot fail to have a benign influ- twelve companies to the front, over 1.800
