A valuable Discovery and New Departure in Medical Science, an entirely New and positively effective Remedy for the speedy and permanent Cure of Seminal Emissions and Impotency by the only true way, viz: Direct Application to the principal Seat of the Disease, acting by Absorption, and exerting its specific influence on the Seminal Venicles, Ejaculatory Ducts, Proetate Gland, and Urethra. The use of the Remedy is attended with no pain or inconvenience, and does not interfere with the ordinary pursuits of life; it is quickly dissolved and soon absorbed, producing an immediate soothing and restorative effect upon the sexual and nervous organizations wrecked from self-abuse and excesses, stopping the drain from the system, restoring the mind to ative effect upon the sexual and nervous organizations wrecked from self-abuse and excesses, stopping
the drain from the system, restoring the mind to
health and sound memory, removing the Dimness
of Sight, Nervous Debility, Confusion of Ideas,
Aversion to Society, etc., etc., and the appearance
of premature old age usually accompanying this
trouble, and restoring perfect Sexual Vigor, where
it has been dormant for years. This mode of treat
ment has stood the test in very severe cases, and is
now a pronounced success. Drugs are too much prescribed in these troubles, and, as many can bear witness to, with but little if any permanent good. There
is no Nomense about this Preparation. Practical observation enables us to positively guarantee that it
will give satisfaction. During the eight years that
it has been in general use, we have thousands of testimonials as to its value, and it is now conceded by the
Medical Profession to be the most rational means yet
discovered of reaching and curing this very prevalent
trouble, that is well known to be the cause of antold
