## HOW I LEARNED MY FATE. Established Rules for Successful Poultry Raising.

In raising poultry or stock, it should be the aim of every one to keep it healthy and improve it. You can do it very easily by adopting homo whose usefulness or capacity for some systematic rules. These may be summed up in brief as follows :

1. Construct your house good and shine is better than medicine.

2. Provide a dusting and scratch- evident truth; that shrewed, tricky Dick said, patronizingly : ing place, where you can bury wheat business men make money markets needful exercise.
